Another Fund at End of War

The question of what the Cananadian Patriotic Fund can do to help a soldier's dependents was taken up on Wednesday of last week at the Patriotic Convention in Foresters' Hall, Toronto, when a letter to the soldiers from Miss Helen R. Y Reid of Montreal was read. This letter gave a general outline of what the officers of the fund were doing other than the distribution of monthly cheques. This work included everything from giving household and legal

After Suffering Almost Two Years, "Fruit-a-tives" Brought Relief.

MR. WHITMAN 382 St. Valier St., Montreal.

"In 1912, I was taken suddenly ill with Acute Stomach Trouble and dropped in the street. I was treated by several physicians for nearly two years. I was in constant misery from my stomach and my weight dropped down from 225 pounds to 160 pounds. Several of my friends advised me to try 'Fruit-a-tives' and I did so. That was eight months ago. I began to improve almost with the first dose. No other medicine I ever used acted so pleasantly and quickly as 'Fruit-a-tives', and by using it I recovered from the distressing Stomach Trouble, and all pain and Constipation and misery were cured. I completely recovered by the use of Fruit-a-tives' and now I weigh 208 ounds. I cannot praise 'Fruit-a-tives' H. WHITMAN.
