Every Governor-General since Dufferin has opened the Canadian National Exhibition.

A number of the members of the 147th Battalion were home from Camp Borden over Sunday.

For sale.—One surrey, good as new, may be seen at Smith's garage.

Mr. Allan McDougall, who sold the hotel at Chatsworth three or four years ago, again takes charge of the business.

The first electric railway in America and the second in the world was operated at the Canadian National Exhibition.

If kicking and complaining about the hot weather did any good we know some people who would be cool as icebergs.

Lost.—Between the Registry office and McIntyre's garage, a tan-colored leather gauntlet. Reward at The Chronicle office.

The Church of England people have purchased the Laidlaw residence for a rectory, and we congratulate them on securing so suitable a property.

Though the Canadian National Exhibition only dates back to 1879, the first exhibition, from which the C. N. E. grew, was established in Toronto in 1846.

All in arrears for taxes, dog tags, and other moneys due the town are requested to settle at once and save costs.—G. Arrow-smith.

By this time the June groom and no doubt learned that when a wife can't sleep herself she always wakes up her husband to tell him about it.

Dr. Black, specialist, eye, ear, nose and throat, will be at the Hahn House on Monday, August 14, from 11 till 4. Eyes tested. Glasses supplied.

Constable and Mrs. Arrowsmith expect to leave to-morrow for the west, where they will spend a couple of months with their son-in-law and daughter, Mr. and Mrs. Percy Hunt.

For the Harvest Excursion, August 19, the C.P.R. will run through colonist cars Durham to Winnipeg, without charge. For particulars see R. Macfarlane, town agent.

Quite a number from here attended the races at Owen Sound on Monday. The races were pronounced good, though the heavy rain somewhat marred the pleasure of the afternoon program.

Commencing August 1, the Banks in Durham have decided to adopt banking hours to conform with those of surrounding towns, as follows: 9.30 a.m. to 3.00 p.m., except Saturday, when the hours will be 9.30 a.m. to 1 p.m. 7204

The latest scientific discovery made by the Germans is that war causes double chins to vanish, reduces appendicitis, does away with "corporations," and improves the health of the people, all being the result of the plainness of the war diet.

Rev. John Morris, late rector of Trinity church here, but now rector of the Anglican church at Shelburne, was married in Galt on Friday to Mrs. Francis Green, daughter of Mr. and Mrs. E. W. Limin of this town. We tender our heartiest congratulations.

A card received from Corp. Stedman made the simple announcement that he was sick, but getting along well, and a lengthy letter from Pte. Geo. Pilgrim gives a description of his removal from Alexandria to France. The latter writes from "somewhere in France" and the letter was dated on the 24th of July. It was forwarded to us by his wife in London, Ont., and was received yesterday, the time being a little better than two weeks, including delay in remailing.

The residence next The Chronicle office, owned by Mr. J. Knight has been sold by him to Mrs. Laurie.

Messrs. David Donnelly, of Bentinck, and John J. Queen and Jos Lennox of Egremont, are the Ford car purchasers of this week, up to time of going to press.

Mr. Thos Petty sold his property on the Durham road a few weeks ago to Mr. John McNally of Glenelg, and this week he purchased what is known as the Hunt property from Mr. John Fallaise.

A meeting of the town council will be held to-night, when the rates for the year will be a part of the business. The 36-mill rate of last year will likely be increased a little.

Collingwood packing plant, which cost about a million dollars was destroyed by fire from some unknown cause a few days ago. Seven or eight years ago, the company went into liquidation, and the plant has since been unused. The loss is estimated at \$100,000.

The annual meeting of the Durham Furniture Co. was held on Monday, when the financial and other reports were presented to the stockholders present. Notwithstanding the unsettled conditions the company has passed through a successful year, with good prospects for the future.

Since June 4, the city of Hamilton has been under the daylight-saving system, but they got tired of it, and the city council at its last meeting decided by a vote of 9 to 6 to return to Standard time. On Sunday night next at ten o'clock the hands of the clocks will be turned back an hour.

Wilbur Leman of Beachville was brought before the police court for not reporting a case of whooping cough in his family. He was allowed off on the payment of costs. The family doctor has also been summoned for failing to report the case to the medical health officer.

The electric light bills for July are now in the hands of the users, and so far we have heard no complaints, beyond the general displeasure of having to pay a floor space charge ranging from 30 to 90 cents a month, according to the size of the building. Our bill is the lowest yet, being 69 cents for lighting and ironing. This is a fair average of domestic users for the month. The office cost is 50c. The minimum for commercial users.

The Entrance to Normal results appeared recently, and, like the other departmental examinations of the year the number from here is a disappointment to many. The successful candidates are Miss Mary McIlraith, winner of Principal Allan's medal, Miss Mary M. Findlay, Gordon Hastie and Norman Lenahan. Miss Levina Mortley passed except in one subject.

Mr. David Allen, fire ranger up north, had a serious time and a narrow escape from death during the recent fires. To save himself, he had to take to the water, and though covering himself with blankets, he was nearly scalded from the intensity of the heat. A letter was received Monday by his brother, Mr. H. Allen, and from its general tone Mr. Allen was subjected to an intense nervous strain, and an experience he will not soon forget.

The August meeting of the Women's Institute was held at the home of Mrs. John McGirr. Over 30 ladies were present, and, it being the girls' meeting, they had full charge of the program. An interesting paper on the glad book Polly Anna, was given by Miss Agnes McGirr, followed by a reading, "Unchaining the Cook," by Miss Winnie Blyth. Miss Mary McIlraith read a paper on the work of the British Red Cross, and Miss Mack of New Westminster delighted the audience with splendid recitations. After this part of the program the ladies took part in a "book" contest, which was both interesting and amusing. A dainty lunch was served, which closed a pleasant afternoon.

Pte. Wilfrid Lake, in a letter home, received here Tuesday, advises his parents that he was recently transferred to the 52nd Battalion, and has seen some service in the trenches. Up to time of writing, he escaped without a scratch, and was in excellent spirits.

Civic holiday was observed here on Monday. That is, the stores were closed generally, and very little business was done. There were a few here to visit friends, and a few went out of town, but there was absolutely no stir or excitement to disturb any one. The Boy Scouts of Holstein and the local company had a very evenly balanced baseball game in the afternoon, the locals winning by one run, the score being 12-11. The attendance was evidently small, as the gate receipts amounted to only six or seven dollars. The proceeds over expenses, go to patriotic purposes.

### A TRENCH JOURNAL

We have had the pleasure of looking over "The Brazier," a little trench journal printed at the front by the Canadian Scottish for the 13th, 14th, 15th and 16th Battalions, the 3rd Infantry Brigade. The number before us is dated Belgium, July 18, was sent the 22nd of July, and reached Mr. W. P. Paterson, to whom it was addressed here, on Monday, the 7th of August. It was about 15 days in transit, almost as fast, we fancy, as it would come in peace times. It was sent by Pte. Andrew Smith son of Mrs. C. Smith. He has been in the danger zone for some time and is safe so far. The boys in the fighting line no doubt enjoy their paper, which contains its jokes and brilliant contributions by many from the ranks. The Brazier is printed and published while on active service, as occasion permits, and the following editorial regrets for delay in the appearance of No. 4, will be appreciated by all who can realize the conditions. It says:

The Brazier regrets that No. 4 issue is somewhat late. Unfortunately, we cannot control the actions of the Huns, as our readers at the front will appreciate. They certainly played us a nasty trick as the last forms were going to press. Happily, all's well that ends well, and so here we are with a genuine war baby—and we modestly claim the only and original publication of its kind produced under the stress of a genuine bombardment. Our billets are na poo, but the little old press is still prepared to "carry on."

A geographical contributor gives the following as the new boundary of Germany: On the west by Joffre and Haig; on the south by Cardona; on the east by Ivanoff and Alexieff, and on the north by Admiral Jellicoe and the E-boats. The publication has its poets and punsters, too, but we must let them go.

### FIELD CROPS COMPETITION

Mr. Archie Grier of Mansfield, government judge of crops in the standing field competition, was in the neighborhood this week and awarded the prizes as follows: Archie Park, Bentinck; Jos. Dixon, Egremont; Dan. Edge, Glenelg; Thos. H. Binnie, Glenelg; Alex. Grierson, Bentinck; Wilbert G. Blyth, Normanby; Herbert Brigham, Bentinck.

The judge pronounced the crops fair for this district. There were 19 competitors, and they all scored up well.

### DARKIES CORNERS.

Mrs. Flora McPherson of Toronto is holidaying with her sister, Mrs. Neil McCannell.

Mrs. C. Ritchie, Edna May, and Mr. Murray Ritchie, attended Ebenezer garden party and report a good time.

Miss Ethel Weir, accompanied by Miss Aggie Moffat of Narva, are visiting in Proton.

Mr. and Mrs. Willet and family of Toronto are visiting the Bell families and other friends.

Glad to report Miss Sarah McDonald, who was taken ill last week at Williamsford, was able to be brought home and is this week some better.

Mr. Robt. McGillivray has started threshing in the burg.

### HYMENEAL MORRIS—GREEN.

The marriage was quietly solemnized at 11 o'clock Friday morning at Trinity Anglican church, when Mrs. Ethel Green of Durham, Ont., daughter of Mr. and Mrs. E. W. Limin, and widow of the late Francis G. Green, Regina, Sask., became the bride of Rev. John Morris, son of the late Benjamin and Mrs. Morris, Clonee, Mohil county, Ireland, and rector of St. Paul's church, Shelburne, Ont. The bride wore a travelling suit of grey silk poplin and old rose. Her only ornaments were the groom's gifts of a handsome pearl lavalier and gold wrist watch. The ceremony was performed in the presence of a few of the bride's relatives by Rev. W. H. Snelgrove, a friend of the groom's.

After the ceremony the guests repaired to the home of the bride's sister, Mrs. C. C. Douglas, 190 McNaughton street, where a dainty buffet luncheon was served. The house was prettily decorated with palms and ferns, and an abundance of cut flowers. The bride's health was proposed by the rector.

Rev. and Mrs. Morris left on the evening train for Sarnia, whence they leave for a boat trip up the lakes, and will reside at their home in Shelburne.—Galt Reporter.

### JOIN ARMY MEDICAL CORPS

A well known young business man of Owen Sound, Pte. Chas. J. Lee, who is with the Army Medical Corps at Camp Borden, preparing for overseas service, is coming to Durham in a few days in an endeavor to interest young men in the branch of the service with which he is identified. Pte. Lee, who is a member of the dry goods firm of W. T. Lee & Sons, Limited, enlisted last winter. He will be home for several days and hopes to interest quite a number of young men, and in addition he will visit other towns in the county. The Army Medical Corps is unique in attracting to its strength men of all classes and occupations, all of whom enter as privates. With the numerous drafts constantly leaving, promotion in the ranks is rapid, and at all times men are assured of congenial companionship. The A.M.C. also provides the older man with an opportunity of serving, and the less arduous duties, with the comfortable quarters provided, and the interesting and humane work under the Red Cross makes it particularly suitable work for the man who desires to do his duty but who is not fitted for the life of the trenches. Those who are interested in the Army Medical Corps should leave their name at The Chronicle office, so that they may see Pte. Lee when he comes.

### OBITUARY

#### MRS. NEIL CAMPBELL

The death on Monday of Mrs. Neil Campbell, removes one of the oldest residents of the township of Bentinck, and one of the earliest settlers.

The deceased, whose maiden name was Janet McPhee, was born in the Island of Islay, Scotland, in 1824, 92 years ago. She was married in 1842 to Neil Campbell, and the young couple left their native land two years later for America. They first settled in Vaughan, where they remained till 1848, when they moved to Bentinck near Crawford, where Mr. Campbell died in 1889.

The family consisted of seven sons and four daughters, of whom four sons and two daughters are still living. The survivors are Charles and Neil, in Manitoba, Alexander and Malcolm, in Bentinck, Mrs. Alex. Coutts in Toronto, and Mrs. John Dunsmoor in Durham. She leaves a brother, Alexander McPhee, in Owen Sound, and also 52 grand-children, and 37 great-grand-children.

Yesterday afternoon the funeral service was conducted by Rev. Mr. Hawkins, at the home of Mrs. Dunsmoor, with whom the deceased resided during her last illness. Interment was made at the Rocky Saugeen cemetery.
