JOIN ARMY MEDICAL CORPS

A well known young business man of Owen Sound, Pte. Chas. J. Lee, who is with the Army Medical Corps at Camp Borden, preparing for overseas service, is coming to Durham in a few days in an endeavor to interest young men in the branch of the service with which he is identified. Pte. Lee, who is a member of the dry goods firm of W. T. Lee & Sons, Limited, enlisted last winter. He will be home for several days and hopes to interest quite a number of young men, and in addition he will visit other towns in the county. The Army Medical Corps is unique in attracting to its strength men of all classes and occupations, all of whom enter as privates. With the numerous drafts constantly leaving, promotion in the ranks is rapid, and at all times men are assured of congenial companionship. The A.M.C. also provides the older man with an opportunity of serving, and the less arduous duties, with the comfortable quarters provided, and the interesting and humane work under the Red Cross makes it particularly suitable work for the man who desires to do his duty but who is not fitted for the life of the trenches. Those who are interested in the Army Medical Corps should leave their name at The Chronicle office, so that they may see Pte. Lee when he comes.

THERE IS MORE CATARRH IN THIS SECTION OF THE COUNTRY THAN ALL OTHER DISEASES PUT TOGETHER, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure it with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally, and acts through the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Cure fails to cure. Send for circulars and testimonials.
