Doctors prescribed local remedies, and by constantly failing to cure it with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally, and acts through the blood on the mucous surfaces of the system. YOU CAN'T AFFORD

To do without a business education, especially when you pay for it anyway, because if you don't get the education you pay for it in smaller earnings and lost opportunities, which more than counter-balance the actual cost in dollars and cents to get it. Why not get your money's worth by getting the education that is coming to you? A course in the Mount Forest Business college will do it. Write for New Journal. Fall term opens September 5.
