A BIRD OF FEW WORDS

Macaw of the Tropics Not Much of a Linguist

If a cloven tongue were as unpopular as a cloven hoof there would be no place in respectable society for the Macaw for this bird with the great beak and the massive head has a horny tip on his tongue that suggests cousinship with a personage that we seldom talk about.

But in spite of his long tube-like tongue with its cloven tip the Macaw is a very well behaved member of the bird family and in the Philippines and in New Guinea and other tropical

places where he makes his home he's greatly admired, not only on account of the handsome fan he wears on top of his head, but also because a wing or a leg of Macaw is very good eating when it's fricasseed or fried.

Owing to his remarkable tongue the Macaw can, when he tries hard speak a few words, but unlike the Parrot he cannot carry on an extended conversation. One of his pet words is "Cock-a-too" and for that reason he is sometimes called the cockatoo.

YOU SHOULD KNOW BUT DO YOU KNOW?

Do you recall the design on the silverware used at home? Have you been observant enough to know what sort of knives and forks you have been eating with twice a day all the time?

How many steps are there to climb before you enter your home? Can you tell—off hand? Likely not. Yet, you used them twice a day or more and have never stopped to count.

Test Your Memory

Who is mayor of the town nearest your own? Probably you have seen his picture in the paper frequently and have heard him mentioned times without number, but can you name him?

A Safety Aeroplane A new Italian aeroplane with numerous wing surfaces is designed to act as its own parachute and come to earth safely in event of a mishap.

TRAVERTON.

Councillor Turnbull deserves special credit for the erection of that fine snow fence on A. Aljoe's hill.

Mr. O. Heffernan of Guelph has purchased quite a number of good feeders in this vicinity.

Seldom have Zionites heard such a soul-stirring as was delivered by the Rev. E. S. Moyer on Sunday.

State-wide prohibition was defeated in Missouri by an overwhelming majority.

PERSONALS.

Ontario Women.

Chatham, Ont.—"Some time ago I had a general breakdown. It terminated in quite a bad case. Dr. Pierce's Favorite Prescription was recommended to me by a friend who used it and received much benefit. I began taking it and in six months I was completely cured of my ailment and have never had any return of same. I can recommend this medicine as being good, if one will give it a fair trial."—Mrs. JOHN ACKERT, 67 Edgar St., Chatham, Ont.

At the first symptoms of any derangement at any period of life the one safe really helpful remedy is Dr. Pierce's Favorite Prescription.

Thousands of women in Canada have taken it with unfeigned success.

Dr. Pierce's Favorite Prescription is a true friend to women in times of trial. For headache, backache, hot flashes, mental depression, dizziness, fainting spells, lassitude and exhaustion, women should never fail to take this tried and true woman's medicine.

Prepared from nature's roots and herbs, it contains no alcohol or narcotic, nor any harmful ingredient. In either tablet or liquid form. Write Dr. Pierce, Invalids' Hotel, Buffalo, N. Y., to-day for free medical advice.

Dr. Pierce's Pleasant Pellets not only the original but the best Little Liver Pills, first put up over 40 years ago, by Dr. E. V. Pierce, have been much imitated but never equalled, as thousands attest. They're purely vegetable, being made up of concentrated and refined medicinal principles extracted from the roots of American plants. Do not gripe. One or two for stomach corrective, three or four for cathartic.
