# SUDDEN DEATH

Caused by Disease of the Kidneys.

The close connection which exists Herbert H. Asquith declared at the between the heart and the kidneys is disease of brain or lungs.

It is a good insurance against such a risk to send 10 cents for a large trial package of "Anuric" - the latest discovery of Dr. Pierce. Also send a sample of your water. This will be examined without charge by expert chemists at Dr. Pierce's Invalids' Hotel, Buffalo, N. Y. When you suffer from backache, frequent or scanty urine, rheumatic pains here or there, or that constant tired, worn-out feeling, it's time to write Dr. Pierce, describe your symptoms and get his medical opinion without charge-absolutely free. This "Anuric" of Doctor Pierce's is found to be 37 times more active than lithia, for it dissolves uric acid in the system as hot water does sugar.

Simply ask for Dr. Pierce's Anuric Tablets. There can be no imitation. Every package of "Anuric" is sure to be Dr. Pierce's. You will find the signature on the package just as you do on Mr. Asquith's services, recognizing Dr. Pierce's Golden Medical Discovery for blood and stomach.

# WORRY, DESPONDENCY.

Kidney Disease is suspected by medicai men when patients complain of backache mons. Mr. Asquith said he intended or suner with irregular urination, disto sit in the front Opposition bench, turbed, too frequent, scanty or painful passage. The general symptoms are rheumatic pains or neuraigia, headaches. dizzy spells, irritability, despondency, weakness and general misery. Worry is a frequent cause and sometimes a symptom of kidney disease. Thousands have testified to immediate relief from these symptoms after using Dr. Pierce's Appric Tablets.
