Recruits Wanted for Production

Just as surely as lack of food is strangling Germany day by day, so plenty of food is winning the victory for the allies. The French armies, for instance, were never better fed than now, for France cannot forget the awful lesson of 1870—the failure of her food supply. To this she attributed the loss of that war.

To feed the French soldiers around Verdun, more than 25,-500,000 pounds of food a week were required. This gives a faintidea of the colossal task of feeding an army. Canada and Britain have a huge army of fighting heroes on the line; every man MUST have plenty of food, in spite of a world shortage. Upon Canada's food production all principally rely.

The Farmers of Ontario Urgently Need Help

The Department of Agriculture appeals to men and boys to enlist in the farm help campaign. The Department appeals to men unfit for military service, or who find it impossible to enlist in the army. Do your "bit" by helping to increase production of foodstuffs. This is your hour of opportunity. The farmers of Ontario need the help of retired farmers, of men following no occupation (retired), of business men who can spare a portion of their time. We appeal to all who can so arrange their ordinary affairs to plan to help some

farmer friend, particularly in seed time and harvest. Confer with your county District Representative of the Department of Agriculture, or write, "Farm Help Campaign," care Department of Agriculture, Toronto.

DARKIES' CORNERS.

The Red Cross workers met at the home of Mrs. Jas. McGirr on Wednesday last. Twenty shirts and one suit of pyjamas were cut, some made, mark, cattle ten to eleven cents, butand 18 pairs of socks finished. Twelve | ter 43c., and every other farm product day shirts and six hospital shirts were packed and sent away. The next meet-

ing will be held at Mrs. W. Aljoe's. A large number of neighbors and friends gathered at the home of Mr. and Mrs. W. G. Lawrence, to do them honor before they left for their new home in Welland. Mr. W. J. Young acted as chairman, while Miss Elizabeth Scott read a very appropriate address, and the presentation of a cabinet of silver and a fountain pen were made by Mrs. Bert Smith and Mrs. Wes Arnett. The evening was spent in music, games and singing, all regretting to lose Mr. and Mrs. Lawrence. The latter made many warm friends during her short stay in the eighborhood. We voice the feelings of the community when we wish them success in their new home.
