rection, his glance encountered a man whom he had not before seen. He promptly walked up to the stranger and demanded to know what he was doing on board. Winnard, the second mate, was a witness to the episode, and he took it upon himself to explain.

"He's all right, sir, Mr. Willard brought him aboard last night." With the moral certainty that the newcomer had been watching him all afternoon, Tom went to his cabin. Alone, he took up again the burden of his doubts and uncertainties.

Should he not warn Willard that Flint was close upon his trail? What would Willard think of the Man of Iron's interference? His position strongly urged him to go to the character and lay the matter before him.

Continued next week.

Besides her aged mother for whom deep sympathy is felt, three brothers, Mr. Charles Pye, of Clarksburg, Mr. Robert Pye, of Thamesville, and Mr. Alfred Pye, of Cranbrook, British Columbia, survive her, together with three sisters, Mrs. Fulton, of Woodstock; Mrs. Tobias, Toronto, and Mrs. Coates, Victoria, British Columbia.

The funeral took place to Flesherton cemetery on Tuesday afternoon, service at the house being conducted by Rev. A. McVicar, assisted by the other ministers of the village. The casket was covered with beautiful floral tributes from relatives, friends and the Presbyterian Ladies' Aid.

The home of Mr. and Mrs. G. Collinson, Ceylon, was the scene of a quiet but pretty wedding on Wednesday afternoon, February 28th, when their daughter, Nessa, was married to Mr. Francis S. Cairns, son of Mr. and Mrs. F. Cairns, near Cayton, Rev. A. McVicar, pastor of Chalmers Church, Flesherton, conducted the ceremony in the presence of only the immediate relatives of the contracting parties.

After the ceremony and congratulations, a choice dejeuner was served, the table and house decorations being artistically done in carnations, sweet peas and smilax. The happy couple left on the afternoon train for Toronto, Buffalo and other points. On their re-

turn they will settle on the Cairns homestead on the west back line, and we join in the good wishes of their numerous friends for their happiness and prosperity. The bride was the recipient of many beautiful wedding gifts.

Sergt. Morton Orr, of Toronto, a young nephew of Mr. W. Morton, Centre Line and Mrs. W. F. Henderson, Flesherton, has distinguished himself for valor on the battle field. Sergt. Orr, who has been about a year in the trenches in France, was some time ago awarded the Military Medal for despatch running and successful delivery under withering fire from the German guns. Recently a bar was added to his medal for bravery in rescuing a wounded comrade whom he picked up and carried amidst flying bullets to a place of safety.

The war trophies exhibited in the town hall on Thursday last were inspected by a large number of visitors. In the evening the hall was crowded with a deeply interested audience presided over by Rev. Mr. McVicar. Capt. White and Lieut. Trivett, who had been at the front gave excellent addresses. The latter's illustrated lecture was instructive and specially interesting.

The Red Cross Society here had a knitting tea at the home of Mrs. Jake Lever last week which was well attended by the ladies and a lot of knitting was done. The tea proceeds were \$6.50. A load returning home met with an upset and Mrs. John Chard had her arm painfully injured.

The Spring Hill Red Cross had a very successful entertainment in the school house on Friday evening. The proceeds amounting to \$55.00 which included a Red Cross quilt sold for nearly \$5.00, purchased by W. Caswell. Mr. A. Harrison was the auctioneer. A good programme was rendered a pleasing feature of which was a play entitled "The Iron Hand" well given by about a dozen young people. Mr. W. Caswell occupied the chair.

Mr. Andrew Beattie, Toronto, line, had a successful sale last week and have moved to Toronto. Mr. and Mrs. Beattie were members of the Methodist Church here and will be missed from the congregation. Before leaving the old home they were presented by their neighbors with a handsome mantle clock.

Williamson Bros. Toronto, were here buying horses on Friday and we learn, purchased six good animals. The village residents and farmers have been laying in good stocks of ice which is about twenty inches thick and excellent quality this year.

Rev. Mr. Lamb, of Singshampton invited by the Methodist Quarterly Board here had already accepted an invitation to Allendale and therefore had to decline the invitation here.

Mrs. Samuel Thompson, east back line, had the misfortune to break her arm on Friday last by a fall near her own door.

Mr. C. B. Perigo, of D'Arcy Saskatchewan, who visited for a few weeks here and at Feversham, left on Friday taking with him a number of horses. Bert Osborne went in charge of the car.

Mr. H. C. LeGard has been home from Toronto for a couple of weeks visiting his son-in-law, Mr. Bert Magee, who met with an accident fracturing some of his ribs.

Mr. J. L. Wood, of Toronto, has been visiting for a short time with his sister and other relatives here.

Mr. and Mrs. Andrew Boyd, of Battleford, Saskatchewan, visited Mr. and Mrs. W. J. Boyd last week.

Miss Clara Latimer is off on two weeks holidays with friends at Walters Falls.

Miss Tena McLeod is home from Toronto visiting her mother.

Mrs. T. J. Stinson, wife of Councilor Stinson, has returned from visiting at Toronto and Buffalo.

Miss Hulse who came to supply for a month in the High School, has consented to remain on the staff.

Communion service was held in the Presbyterian Church on Sunday and four new members were received on profession of faith.

Successful anniversary services were held at Rock Mills Baptist Church on Sunday. Mr. Wilson, a McMaster University student, preached impressive sermons.

On Monday evening an interesting and instructive lecture on the Jews was given by the pastor, Rev. Mr. McDonald.

Mr. Geo. Best, who sold his farm a few days ago, is moving to the former Jos. Blakely farm near the village.

Mrs. Hickling and Mrs. Phillips are spending a couple of weeks with relatives in Toronto.

Mrs. W. Moore is visiting in the city this week.

Miss Johnston, of Orangeville, has taken charge of Mr. F. G. Karstedt millinery for the season.

Dr. and Mrs. McWilliams, Dundalk, attended the funeral of the late Mrs. Carter on Tuesday.

SPLENDID PROGRESS

Standard Bank Annual Statement Shows Big Growth in Deposits

It is interesting to note that notwithstanding the recognized fact that business conditions during the past year have offered many new problems and generally that it had been a period in which it was necessary to exercise great caution, the annual reports of most of the Canadian banks have shown that splendid progress has been made in the development of our country.

This is very conspicuously reflected in the case of the Standard Bank of Canada as appears from the annual statement of the Bank presented to the shareholders on February 28th,

and which appears in another column. During the year ending January 31, 1917, the Bank after providing for all costs of management, paying interest on its deposits, etc., and providing for bad and doubtful debts, show profits of \$580,230.00, which is equal to 18.90 per cent. of the capital, or 8.04 per cent. of the capital and rest combined. The net profits of the previous year were \$563,402, the increase, therefore, being \$16,828.00. The circulation shows an increase over the previous year of \$1,274,750.00 and the loans to the public now stand at \$36,064,885.00 as against \$33,942,915.00 at same date last year. The deposits show the remarkable increase of from \$43,099,050 to \$46,292,564, while the total assets now stand at \$59,850,274 as against \$53,282,121 the previous year, an increase of over \$6,500,000.

The growth of the Standard Bank during the last five years has been particularly marked. In that period the deposits have increased over 50 per cent. while the total assets have increased from \$37,311,317 in 1912 to \$59,850,274, an increase of nearly 60 per cent. During the year the usual dividends of 13 per cent., amounting to \$398,899, were paid, contributions to the Officers' Pension Fund, \$20,000, to the Patriotic Fund and kindred objects, \$38,900. The government tax on circulation was \$30,483.75, and \$91,947 was carried forward to profit and loss account, making that item \$153,593.63.

A noticeable feature in the Bank's statement is the quick assets, which now stand at over \$22,000,000, practically 50 per cent. of the total deposits with \$10,762,524 cash in hand.

The legitimate requirements of manufacturers, merchants and farmers have evidently been well taken care of, as the loans to the public are shown as \$36,064,885. The Bank's policy has always been to do its share in the legitimate development of Canadian industries and the amount appearing in the statement as loans to the public has been confined entirely to Canada.
