589 Casgrain St., Montreal. April 20th, 1915. "In my opinion, no other medicine

in the world is so curative for Constipation and Indigestion as "Fruit-a-tives". I was a sufferer from these complaints for five years, and my sedentary occupation, Music, brought about a kind of Intestinal Paralysis -- with nasty Headaches, belching gas, drowsiness after eating, and Pain in the Back. I tried pills and medicines of physicians, but nothing helped me. Then I was induced to try "Fruit-a-tives", and now for six months I have been entirely well. I advise any one who suffers from that horrible trouble-Chronic Constipation with the resultant indigestion, to try "Fruit-a-tives", and you will be agreeably surprised at the great benefit you will receive".
