

# Roll of Honor Durham and District

This list is intended to contain the names of all those who have enlisted from Durham and vicinity for service overseas. In it will be found the names of some who have since been discharged as medically unfit, or for other cause. Our object in publishing this list is to show who of our citizens have actually worn the khaki, and we have made no effort to include any who have applied and have been rejected. There will no doubt be mistakes—omissions may have been made, or other errors crept in, and we ask the assistance of our readers, and those who have members of their family at the front to make the necessary corrections. We would like the name of every enlisted man from this district on this list.

CREDENTIALS BEING LOOKED TO  
Capt. Wm. C. Minifie left Kin-cardine on Monday morning with the remains of Mrs. Minifie, who was drowned on the north pier. The body was taken to a crematory in Buffalo, and the ashes will be forwarded to England. Kin-cardine has been bubbling with excitement ever since the accident. Dr. Minifie claimed he lost a purse containing \$12,000 in securities. This was investigated by Detective Reaburn of the Ontario provincial force. If Dr. Minifie lost the purse, no suspicion attaches to any one in Kin-cardine as he signed a statement that the last time he had actual knowledge of having the purse in his possession was in Walkerton. With reference to the funds for the Belgian relief, there was a rumor that he had not turned these in to the proper authorities. This is false, as the funds were turned over to R. W. Grier of the Royal Bank and are now in his possession and when all payments and promises are made will be forwarded to the brotherhood in Toronto, which is the Government-authorized party to receive same. As to Dr. Minifie's military standing, Major Baron Osborne, London, went to Kin-cardine and took the doctor's credentials to London to be looked into. Rumor certainly played a large part in shaking public confidence in Dr. Minifie's standing, but he claims that there was no ground for many unjust suspicions. One thing is certain, he was able to convince the authorities that he was straight.

Arithmetical prize for month of April won by Lucille Sharpe. Average attendance, 20.

Zam-Buk is composed exclusively of herbal extracts and vegetable oils, and is 100% medicine. That is why it is so successful in cases of chronic skin trouble. # The Paint That Costs The Least

is the Paint that covers the greatest surface—that takes the shortest time to apply—that wears the longest. Martin-Senour "100% Pure" Paint does all three. Here's the proof. "100% Pure" Paint covers 900 square feet of surface per gallon.

Hand-mixed-lead-and-oil, and cheap prepared paints, cover only about 500 square feet.

The greatest cost of painting is for labor. It takes less time to apply Martin-Senour "100% Pure" Paint because its fine, even texture spreads much easier.

## MARTIN-SENOUR "100% PURE" PAINT

(Made in Canada)

is guaranteed to be exactly as represented. The purity of the White Lead and Zinc Oxide—the high quality of the Linseed Oil—the minute fineness of the grinding by powerful machinery—insure a paint that gives years of protection and beauty to your home.

Why use cheap paint—that is expensive to put on—when Martin-Senour "100% Pure" Paint wears nearly twice as long?

If you are painting this year, you'll be interested in our books—"Town and Country Homes" and "Harmony in New-Tones". Call or write for copies—free.
