The summer is passing by in two weeks more, we will have July. Showery weather causes the crops to grow, especially the hay crop, which promises to be not so bad, only it will be somewhat later than last year.

Our town is doing a fair share of business, taking into consideration the many drawbacks on those patronizing all the business places in town. According to the improvements made of late, we would consider that business is good.

Rev. Mr. Bowes is leaving the Methodist church here, and we hear that his successor is Rev. Mr.

Jones, an aged gentleman, but he may be none the worse of being aged, as some of the old preachers have good delivery yet, and long experience teaches them to know the reality of the duties of a faithful preacher.

This Monday, the 18th of June, is nearing the longest day in the year. Beautiful showers last night, and all nature has a beautiful appearance.

Mrs. McGirr of Durham is paying a visit at her sister's, and brother-in-law's, Mr. and Mrs. John Weir, of Egremont, and attended church on Sunday. Mrs. McGirr is like many of her sex, wearing a mourning garment, as she has experienced a heavy loss by the death of her husband, lately.

Word has been received by the friends of Mr. Alex. McLeod of Stayner, that he died on Saturday last, and will be buried to-day, the 18th of June. Mr. McLeod was a brother of the late Wm. McLeod, of Top Cliff, and an uncle of Reeve McCuaig, of Glenelg. Some of the friends will be going to the funeral. Mr. McLeod was one of Glenelg's pioneers long ago, he being farming on the south line, near Top Cliff, over 50 years ago. He was about 81 years old.

The funeral of the late Donald Baxter, north line, Artermesia, took place on Saturday last, the 16th of June, to McNeill's cemetery, at the town line. Mr. Baxter has been ailing for a long time. He was unmarried, and was living alone, till some months ago, when his sister came to attend to him. He leaves four sisters. The sisters are all living in the States, or some other part of the country. Mr. Baxter was of a quiet, inoffensive nature, a good and obliging neighbor. The funeral was fairly well attended. The Rev. Mr. Matheson officiated at the home and grave.

MULOCK

Bentnick Red Cross society met in the Mulock school-house on Saturday, June 9th, to ship supplies made by the various branches at Aberdeen, Hutton Hill, North Line Vickers, South Line Vickers, Allan Park, Hebermehl, No. 7 Bentnick, Crawford, Welbeck and Mulock.

The supplies consisted of 68 pyjama suits, 6 feather pillows, 41 towels, 36 pillow slips, 15 sheets, 2 pairs slippers, and 4 convalescent robes, shipped as hospital supplies; 168 pairs socks, 61 shirts, and 42 candles, shipped as soldier's comforts; total value \$393.70.

Mulock branch supplemented this shipment with 46 pairs socks, 20 pyjamas, and 6 towels.

Since organization some six months ago, Bentnick Red Cross so-

ciety shipped the following supplies: 1317 pairs socks, 434 shirts, 72 vermin suits, 3 pairs wristlets, 78 candles, 372 pyjama suits, 75 feather pillows, 365 pillow slips, 121 sheets, 3 comforters, 2 quilts, 15 pairs slippers, 1 bandage, 6 personal property bags, 10 convalescent robes, 217 towels. Their total value was \$2724.75.

SOUTH-EAST BENTNICK

The annual picnic at Hutton Hill will be held in Mr. David Donnelly's bush on June 26th. Everybody welcome. Come and bring your friends.

Miss Nina Noble visited a couple of days last week with her sister, Mrs. John McGirr, Glenelg.

Misses Bessie Mather and Ethel Young, of Durham High school, visited their friend, Miss Margaret Smith, last Sunday.

Miss Elzie Beaton of Glenelg spent Sunday with her friend, Miss Sadie Langrill.

Our Red Cross meeting last week was held at Mrs. Wm. Smith's. Twenty-nine ladies were present, and the collection was \$3.40. The meeting this week is being held at the home of Mrs. Robt. Webber, Sr., on July 3rd at Mrs. W. Petty's.

Mr. Geo. Webber of this burg has purchased a new Ford car.

Mr. and Mrs. Robt. Hopkins Sunday with the latter's parents, Mr. and Mrs. Anthony Lawrence, Glenelg.

McWILLIAMS

The weather is warm, and wet, of late, causing a rapid growth.

Mr. Tom Weir left yesterday for the west, where he intends to spend the summer months.

The ladies of St. Paul's Red Cross held a successful picnic at Hamilton's lake on Friday afternoon, and despite the threatening weather, a good crowd was in attendance.

We extend our congratulations to Mr. Edgar Ritchie, of Elbow, Sask., and Miss Bessie Weir, of this place, who were married in Moose Jaw, on the 7th of June.

The fourth annual convention of the Durham and Glenelg Sunday School Association was held Tuesday afternoon and evening in Ebenezer church. The turnout was small, on account of the weather. Mr. W. J. Ritchie, the president, occupied the chair. Mr. Taylor, of Hanover, county secretary, held a round table conference on Home, School and Community, which was very interesting. "How to make Sunday School interesting," by Mr. R. T. Edwards, was ably handled; "Bible Study, with a view to teaching," by Rev. E. S. Moyer, was very instructive; "The Value of Scripture memorization," by Miss Winnie Binnie, was well received. Rev. Mr. Dayfoot, an outside speaker, gave two excellent addresses in the afternoon. His subject was: "Wanted! 100,000 Leaders." "The Sunday Why" was his subject in the evening. He is a very able speaker.

The music was supplied by the church choir, assisted by Mr. Wm. Ramage. Rev. Moyer and Mr. Ramage sang a duet, which was well received.

Mr. Thos. Tucker is in Toronto this week as layman to the Toronto Conference, for the Priceville circuit.

Mr. and Mrs. Will Morrison from near Mount Forest, spent Sunday with Mr. and Mrs. Geo. Lawrence.

Little Miss Gerlie Lawrence has been quite sick for the last few days. We hope she will soon be better again.

CORNER CONCERNS

Mr. Wilfrid Barbour has returned from North Bay Normal school, a full-fledged teacher, ready for anything.

Pte. Earl Mead was home for a few days the end of the week. He has transferred into the cavalry, a change which should be quite agreeable to him, as he has always been fond of a horse.

Mr. and Mrs. Jos. Lennox, and Mr. and Mrs. E. Johnson, motored to Teeswater on Sunday, to visit the latter's daughter, Mrs. W. Freeman.

Mr. Robt. Barbour has treated himself to a new Ford touring car. Our school teacher has resigned her position. She has been well liked by the pupils, and has given the best of satisfaction. It is only fair to the section to say that she considered this a No. 1 school. We withhold for a few weeks the reason for the resignation.

Mr. Joe Lennox took a car load of pleasure seekers to Owen Sound on Saturday afternoon.

At the meeting announced for last Wednesday in Holstein, to consider the advisability of a canvass of the township for contributions to patriotic purposes, it was finally decided to try it once more, although the unfairness of past voluntary gifts was pointed out, of some giving as high as a hundred dollars, while others, just as able, had signed up for one dollar, or two. The lists, when completed, will be published in the local papers, and if very unsatisfactory, will at least be an evidence to the powers that be that a levy might be the better way.

Recently Mr. Wm. Ball purchased, and has been trying to master, the inanimate, untamed steed, the auto, and on Monday evening about nine o'clock, he was wending his way home from Varney, and going up the big hill it stopped, and, like other motorists, he began doing things to make it start, which made it frantic, backing up with tremendous force, with a swerve which took it over the high bank, turning somersaults, until it landed on the fence at the bottom. Mr. Willie Pollock, who was along for a joy-ride, jumped clear of the car before it left the road, and Ball also took it before it reached its perch.

When the alarm was sounded in Varney, the village responded nobly in men, ropes and autos, and by 12 o'clock they had it again on the road, a bit crooked looking, but without, in very good running order. We are pleased to say that no person was injured, and the workers took it all in good part, even though they lost half a night's sleep over it.

The Ladies' Aid picnic on Friday was given a cool, threatening day,

which kept away many who would otherwise have been there, but it was a success, just the same. Everything in the booth was licked up. The gate receipts were \$12. The wood tickets were ruffed off. Jas. Eden shook them up in a hat, and David Hamilton drew out the lucky number, which was Mrs. Peter Black. She then presented the society with it, and it was put up at auction and sold for \$7.75, making a total of \$45 for the two cords of

wood donated by Mr. Thos. Wilson, so, with the wood and other proceeds of the day, the treasurer would have about \$70 for future use. We announced at the close of the picnic that the proceeds from the wood was \$40, but Mr. Robt. Matthews had swelled the funds by five dollars, unknown to us, which we consider an underhand trick, but we understand Mrs. Matthews recently played just such a trick at one of the sewing meetings.

The LUX way to wash Shirtwaists

Make a lather of LUX and hot water. Stir the blouse about gently—rinse carefully—press the water out lightly—hang to dry. No rubbing—no wringing. Result—the blouse beautiful!

DROP a little LUX into hot water. Stir it about. Instantly it dissolves, giving a thick, creamy lather. Drop in the garments and move them about. When clean, rinse in 2 or 3 relays of fresh warm water—press out the water and dry.

What happens? Your clothes are exquisitely clean and NEW. Nothing matted or shrunken. Colors gleaming and unfaded. Why? Because LUX—silken little flakes of soap—is pure essence of soap and cannot harm

anything that clean water may touch.

Shirtwaists, silk sweaters—dainty woollens—anything washable, from crepe-de-chine, lamp shades to baby's carriage cover is beautifully and easily washed with LUX.
