

Roll of Honor Durham and District

This list is intended to contain the names of all those who have enlisted from Durham and vicinity for service overseas. In it will be found the names of some who have since been discharged as medically unfit, or for other cause. Our object in publishing this list is to show who of our citizens have actually worn the khaki, and we have made no effort to include any who have applied and been rejected. There will no doubt be mistakes—omissions may have been made, or other errors crept in, and we ask the assistance of our readers, and those who have members of their family at the front to make the necessary corrections. We would like the name of every enlisted man from this district on this list.

LETTERS FROM THE BOYS

Mr. A. H. Jackson received a bunch of letters from boys at the front since last issue. We shall refer briefly to some of them.

Pte. Al. Saunders, writing from France on July 8th, says he received the tobacco all right, and prefers it to the dope they get over there. He is feeling "the very best."

Pte. W. McGirr, letter not dated writes from Norfolk and Norwich hospital, and says: "Just a line to let you know I received your letter, but not in France this time. I got tired of being out there, and Fritz was kind enough to give me a nice Blighty about seven weeks ago. When I left there, the rest of the boys were all o.k., but I don't know how they are now, as there has been lots of time for a change. I had a letter from Lance McGirr about a week ago. He is back to the line again. He got hit on the nose. I also got it there, and on the arm as well. I got only one parcel since the first you sent. I guess I left there too soon to get any of the rest of them. I had a letter from Durham, written on the 22nd of June, and they had not found out then that I was wounded. It must take them a long time to get word but they will have it in all probability before this reaches you. I was wounded at Lens. It was a fine place, but by this time there will not be much left of it. I hear they are going to have conscription in Canada and I fancy there are still many men there who can do more good here than they are doing there. I saw some American soldiers in France before leaving. They were A.M.C. fellows, and had taken a hospital I forget the name of. They had some good nurses, and the boys appreciated their attention."

Sapper Will Darby, in a letter from England, dated July 15th, says: "I received your welcome letter, and was glad to hear from you. Thanks for parcel sent, which has not yet turned up, but will shortly perhaps. I am improving nicely, and hope to be around again soon. Give my best wishes to Will McGowan, who I trust is enjoying the best of health. Tell father I am improving nicely and give my kind thanks to the ladies of the Presbyterian church for kindness shown me. I wish them the best of luck. Address Sapper W.W. Darby, No. 838781, Royal Hampshire County Hospital, Heathcote Ward, Winchester, England."

Mike Bailey, writes to express thanks for parcel, and his appreciation of Canadian tobacco. In his brief letter he says: "We had quite a lot of rain this trip and the trenches were very muddy. I am sure the Durham friends are working hard for the Durham boys, and we all appreciate their efforts."

Pte. Alfred Piquet, writing from France on July 10th, says: "I received your parcel yesterday and enjoyed it immensely. Although I generally smoke cigarettes I am enjoying the tobacco tip-top."

[This young lad is a son of Mrs. Piquet, now in town. He enlisted in the west as a bugler when the war broke out, but being underage, his mother objected, and he got his discharge. On becoming of age, he enlisted, and is now in France. His father is a prisoner in Germany.—Ed. Chronicle]

Sgt. M. Davis, writing from France on the 24th of July, says: "I received a parcel from you about a week ago, and thank you for the same. A parcel over here is a thing that is always appreciated. We have been on the move for about a week now, and have just settled again. Things are pretty busy here just now. I haven't run across any of the old Durham boys yet, but expect I may soon."

Pte. Edward Havens writes from Lewisham Military Hospital, England, where he is being treated for heart trouble, and does not know whether or not he will recover sufficiently to return to the trenches. He wishes to thank the friends of Durham for a parcel he received that day, and enjoyed very much.

MULOCK..

(Intended for last week.)
Red Cross supplies made by the various branches of the township—Aberdeen, Hutton Hill, South Line, Vickers, Mulock, Crawford, Louise, Habermehl, Lamash, and No. 7, Bentinck, for the month of July consisted of: 73 suits pyjamas, 76 towels, 33 pillow slips, 4 feather pillows, 4 flannelette shirts, and 4 stretcher caps, sent as hospital supplies; 146 pairs socks, 44 denim shirts and 22 candles were sent as field comforts. The value of the goods was estimated at \$340.70.

Mulock branch supplemented this shipment with 33 pairs socks, 29 suits pyjamas, 10 towels and 4 flannelette shirts. The next shipment of township supplies will be made on Saturday, September 1st.

Mrs. J. O'Neill, of Pittson, Pa., is spending her holidays with her sister, Mrs. Duncan Clark.

A splendid sermon was given to a large congregation in the church here last Sunday night. The Rev. John Leyboldt, of Hanover, was the preacher, and the service was very much enjoyed. We hope Mr. Leyboldt will come again. The Rev. Mr. Ashton supplied the Hanover baptist pulpit that same evening.

Mrs. Arnold, of Warton spent a few days last week with her friend, Mrs. A. McDonald.

Pastor Ashton recently spent a week with the Woodford Baptists, and reports a good time with the good people there.

Mr. and Mrs. Hedde, of Hamilton, visited the McCallum families last week.

Mrs. J. McGillivray and Mr. Britton Clair spent the week-end with friends in Walkerton.

At last we see the manse adorned in a new dress of white, with green trimmings. The church corners are indeed a credit to the community.

Last week our Red Cross society sent boxes to our soldier boys, namely: Will Hoggins, Anthony Pust, Harry McDougall, Dugald McCallum, Harry Irvine and Willie Bailey.

CAR BURNED UP.

The profits of the banana trade this season went up in smoke last Friday evening, greatly to the disappointment of Mr. Sam Rusto. He was returning from Bradford in his auto truck, where he had delivered a load of fruit, and as he was passing through Holland Landing, near the G.T.R. station, he heard two explosions in quick succession. The engine and gasoline tank were located close together

under the seat. He raised the seat to look under, and was immediately surrounded by flames. Both he and his son jumped out of the car at once, but the father's wrist was badly burned by the flames. The car, which cost \$3,000, was entirely consumed, except the wheels. There was a small insurance on it. Mr. Rusto phoned to Newmarket, and another auto went out and brought him home, leaving the stranded wreck on the side of the road.—Newmarket Era.
