FIELD CROP COMPETITION ... The field crop competition in oats took place on Tuesday and Wednesday of this week, and the ruling stood as follows: W. L. Dixon, 90%; James Mather, 90%; Alex. Grierson, 89%; James P. Park, Jr., 88%; Wilbert Blyth, 87%; Dan. Edge, 85%; Matt. Barber, 85. S. B. Strothers, of Lucknow, was the judge.

EXAMINATION RESULTS ... The following is the names of candidates who passed the recent Departmental examinations from the Durham high school. Of those allowed the examination because of engaging in farm labor, it may be said that these candidates passed a test examination earlier in the season, and in lieu of this and subsequent farm work, are entitled to full pass standing. The following is the list: Form III Entrance to Normal (final examination)—Chrissie McGirr, Ursie Matheson, Ruth Stewart.

Special Examination, and farm work—Glenna Campbell, Ian Campbell, Lorne R. Campbell, Katie Kerr, Ross Maimment, Marion Marshall, Irene McLean, Howard Meade, Lavinia Mortley, Linda Teasdale. Junior Matriculation—Ian Campbell, Lorne R. Campbell. Partial Matriculation—Chrissie McGirr, Howard Meade, Ruth Stewart.

Report of Bunessan and Glenelg Centre Red Cross Society from May 1st to July 31st, 1917.

Table with columns for Receipts, Expenditure, and Total. Items include Mrs. T. McKeown, Mrs. W. Ewing, Mrs. A. B. McArthur, John Gray, Collections, Order to Eaton's, Bought at Hunter's, etc.

SEPTEMBER COSMOPOLITAN

Robert W. Chambers' new novel, "The Restless Sex"; a new story by Fanny Hurst, "Get Ready for the Wreaths"; a thriller, "The Purple Flask"; by Gouverneur Morris. Other great features by Theodore Dreiser, Cynthia Stockley, Herbert Kaufman, C.N. and A.M. Williamson, Lillie Langtry, Jack London, Arthur Reeve, Mary Roberts Rinehart, Ella Wheeler Wilcox, George Ade, and many others.

5,000 WOMEN WANTED IN SASKATCHEWAN

Five thousand competent domestic servants are required for the farms of Saskatchewan. Married couples with not more than one child also greatly in demand. Wages for female help, \$30 per month and board. No outside work. Come on harvest excursion trains and report to Saskatchewan Government Agent, Ry. station, Winnipeg, or to Secretary Bureau of Labor, Regina.

Desolated.

"Did the storm do much damage to your farm?" "Say, that place looked as though the German army had retreated through it."

PIGS FOR SALE

Two fine brood sows, due to farrow next week; also leave your order for a batch or two of young pigs. These are early, and will have a good chance. -Murdock, one mile south of Durham, between Durham and Varney. 1pd

FARM FOR SALE

Lot 30, Con. 10, Bentinck, containing 100 acres; good stent house two storeys high; land in good condition; never-failing well in woodshed; will sell cheap, as I am living in the city and have no further need of farm. I will be on premises, or at Robt. Twamley's, next lot, for the next week or two. After that, apply to my address.—Mrs. Alex. Coult, 47 Avenue Road, Toronto. 84

PRICEVILLE GARDEN PARTY

Ever since the war began, the people of Priceville and vicinity have been active in securing comforts for the soldiers, and in no section has there been greater harmony in carrying out their patriotic schemes. A great number have enlisted from the village and surrounding vicinity, and this forms a strong bond of interest. On different occasions for patriotic calls they have made noble responses, and if we can remember correctly, the proceeds of one effort last winter brought in about six hundred dollars.

The garden party on Wednesday night of last week was under the auspices of the girl patriotic workers, and no pains were spared to make it a success. Tea was served from six to eight o'clock, and the gate receipts alone were announced to be \$85. The booths, too, did a rushing business, and yielded an income of \$37.

The young ladies were in need of funds. At short intervals they send parcels to the boys at the front, and the necessity for help was well understood. As an additional source of income, Mrs. Wm. Aldcorn donated a cake, to be put up at auction. The chairman made the announcement before the programme was concluded, and offered the cake for sale to the highest bidder, and Mr. Aldcorn was the lucky buyer at \$9. He knew the cake was a good one, and generously paid his money and handed it back to be sold over again. Now, we cannot remember the names of different buyers, for it was sold several times, Reeve McQuaig was the second purchaser at \$5, and J. H. Hunter and Guy Kearney, of Durham, and one or two others, we think, paid similar amounts, and there were several buyers at smaller sums. Mr. McQuaig and Mr. Kearney both bought it a couple of times, and spent six or seven dollars each.

The proceeds for the sale amounted to \$50, and the total net proceeds of the entertainment will be somewhere near \$150. Mr. Kentner, of Markdale, entertained the audience during the supper hour with a number of excellent grafonola selections. One bag-pipe selection being so real that even the Scotchmen were unable to detect the fraud, and were looking for the piper in kilts.

The program consisted of speeches by Rev. Mr. Jones, of the Methodist church, and Rev. Mr. McElroy, who is taking Mr. Matheson's work during his vacation. Soles were sung by Miss Blyth, of Varney, Mr. Allan Bell and Mr. Mistle, of Durham, and a quartette by Misses Blyth and Irwin and Messrs. Bell and Mistle. Miss Rita Irwin contributed a number of piano instrumentals, and played the accompaniments.

Table with columns for Gate proceeds, Sale of cake, Booth, Other donations, and Total. Total amount is \$185.90.

The following statement has just been received: Gate proceeds \$ 85 00 Sale of cake 50 00 Booth 37 00 Other donations 13 00 Total \$185 90

The net proceeds will be about \$150, and will be spent for parcels to send to the boys overseas.

ST. PAUL'S GARDEN PARTY

On Tuesday night of last week the members and adherents of St. Paul's church, Egremont, held their annual garden party on the lawn of Mr. James Tucker. There was a good attendance and a good program.

Rev. Mr. Dymond filled the chair very acceptably, and disposed of a highly pleasing program, consisting of songs, recitations, and short addresses. Mr. Wm. Troy of Orchard was killed for the occasion, and rendered a number of pleasing selections on the pipes and violin. One of the most interesting features of the evening's program was a brief address by Sergt. T. F. McGraw, of Toronto, who enlisted at the commencement of the war and continued in service till wounded at Courcellette, when 35 pieces of shrapnel entered different parts of his body and forced him to the hospital for four or five months. Mr. McGraw has seen the war in all its horrors, and could tell the story at first hand, giving it a reality that the newspapers seldom picture.

We leave it to our correspondent to enter into the minutiae and report more in detail if he sees fit. The booths did a good business, and the proceeds of the evening must have added considerable to the church funds.

A Young Observer.

"How old are you?" asked a little boy of his mother's caller. "Willie!" said his mother sharply, "You must not ask a lady a question like that. It isn't polite." "Why, mamma," returned the youngster, "she isn't expected to tell the truth."

20 YEARS AGO

From The Chronicle File of August 19th, 1897.

Good crops, but poor harvest weather. Mr. W. H. Lee found a stalk of buckwheat measuring 6 ft., 2 ins. Albert and Ada Morrison, former residents, passed the recent examination for third class certificates according to the Grenfell, Assa, Sun. We have a copy of samples of copper ore from mines near Sudbury, owned by Mr. Oliver of Priceville. The yield is said to be 46 lbs of copper and \$5 worth of gold to the ton. Silver and nickel are also found in it.

Mr. Wm. Wright, of Flesherton Station, who has just returned from Rossland, called on Thursday last, and gave us many interesting items about the golden city. Though the city is only two years old, it is said to have a population of between eight and ten thousand. The buildings are mostly wooden, and as no insurance is granted by the companies, any destruction by fire will be purely accidental. Laborers are plentiful, but work is scarce and many would gladly leave if they had the means to do so. The cost of living is not so high as reports would lead us to believe. A good meal can be had for 25c. and a comfortable bed for 50c. a night. The Ritchie Bros. are progressing favorably with the foundation of the new McIntyre block. Mr. Orchard, who has the contract for excavating, is rushing to keep out of the way.

A serious poisoning accident occurred in Mt. Forest on Monday evening. The family of Mr. King, G.T.R. operator, had canned salmon for supper, and two of his children died Tuesday morning from poisoning.

The following candidates were successful in passing Form II examination: J. R. Collinson, J. W. Firth, T. Firth (honors), M. N. Gordon, F. Graham, L.R.M. Johnston, J. F. Lunney, E.C. McKechnie, W. A. Matthews, W. J. Ritchie, J.C. Sibly, R.D. Sutherland. The following passed Part I, Form II: M. Caldwell, L.A.B. Grier, B. Park. Of the above, J.W. Firth, J. Firth, E. C. McKechnie, and W. J. Ritchie were trained by Mr. J. A. Graham of Edge Hill, and L.A.B. Grier is a pupil of Mr. W. J. Blakeston of Priceville. Mr. Allan has the honor of preparing the remaining candidates who succeeded in taking eight full Primary certificates and two Part I Form II certificates. This, together with 28 out of 31 for Form I examination, shows the efficiency of Principal Allan. Out of five candidates sent up by Mr. Graham, four took full Primary certificates.

Tuesday was Fair Day, though the day was not fair. It is only fair to say that buyers who paid their fare to attend the fair with the intention of buying a fair number and paying fair prices, didn't get a fair chance. The fair by fair people has been pronounced a slim affair, as few cattle were offered, and few purchases made.

Mr. Smith of Ayton, a section boss on the G.T.R., was killed on Tuesday morning last.

On Sunday last, Rev. Mr. Jansen intimated that the hour fixed for funerals in future should be the time the procession was to leave, and that the service would begin a half an hour earlier.

A heavy hail-storm passed over about two miles east of here on Sunday last. Ripe grain was badly threshed, orchards injured and trees torn out by the roots.

We regret to announce the death on Tuesday last of Prof. Collett, of Allan Park.

Mrs. W. Poole, of Toronto, and Mrs. D. McKibbon and three children, are visiting their uncle, Mr. Joseph Mack.

Mr. and Mrs. Robert Little and Mr. and Mrs. Jas. Allen of Thornbury, are guests of Mr. and Mrs. Archie Little of Varney.

Mr. Cameron McIntosh of Dornoch left Saturday to resume his duties as teacher in a section near Chesley.

Married.—On Wednesday, at the manse, Dornoch, by Rev. John Little, Mr. Thos. McClyment to Miss Maggie Stanfield, both of Bentinck.

1917 Model.

"Did you succeed in hiring a new cook?" "Not yet. She is looking up my references."—Boston Transcript. Old Lady—My goodness, that parrot swears something awful. Dealer—Why, lady, in parrot language, them ain't swear words at all.—Puck.

SOAKED, BUT SATISFIED

(Flesherton Advance.) Constable Plant of Eugenia drove over to the 8th line bridge Monday morning and found some gentlemen fishing. One of these, J.H. Smith, of Kitchener, had 98 trout in his basket, from three inches long up to 10 inches. Constable Plant did not like the look of things, and brought Mr. Smith out to Magistrate McMullen, who, after weighing the matter, taxed the fish hog five dollars and costs, eleven dollars in all. The party were liable to several other charges, but the magistrate decided that as they were, so far from home and liable to so much trouble in tire punctures and blow-outs before getting there, that he would have compassion on them, and let them off with the lightest fine possible. Next time he says it will be worse, but then the fishing season is nearly over. The fishermen in this case went home smiling.

BOYS' CONFERENCE

A conference for boys between the ages of 13 and 19 has been arranged to be held in Hanover on August 25th and 26th, when boys are expected to gather from the district within a fifteen-mile radius of Hanover. The conference arrangements are in the hands of a committee representing the whole district from which boys will be drawn, with Mr. Harold Boettger of Hanover, Secretary, and Mr. M.J. Muter of Hanover, President.

The conference is particularly connected with the Soldiers of the Soil movement, inaugurated by the Y.M.C.A., which seeks to make every Canadian boy a producer of food in these years of world scarcity, either through farm service or home gardening, of which the Farm Service Corps, officially recognized by the Government of the Province of Ontario forms the most important branch. A feature of the conference will be the presentation of Farm Service Corps badges to all boys from 13 to 19 years of age who have worked, or will work for at least two months on a farm, either at home or employed. The badges are issued by the Organization of Resources Committee of the Ontario Government.

The conference is not, however, confined to boys working on farms but has been broadened out to include all boys. Its object is twofold, and to place before "teen age boys" the methods and opportunities of fitting themselves to take their places, particularly the older boys as leaders, in their respective communities and churches. With so many of our men at the front, the shortage of labor is felt, as never before, and the time is opportune for this effort.

The outline program is as follows:— Saturday afternoon—Land and water sports. Evening—Camp-fire session, songs, choruses, stories, stunts, special speakers, presentation of Farm Service Corps badges. The public are invited. Sunday morning—Special services in churches of the conference district. Afternoon—Mass meeting for men and boys. Evening—After ordinary church services, a farewell session of the conference, open to the public, will be held.

HARVESTERS! LOOK!

Thirty-six thousand farm laborers are wanted in the provinces of Manitoba, Saskatchewan and Alberta for the harvesting of the crop. The Canadian Northern Railway will operate the first excursion trains for the west, leaving Toronto Union Depot at 10 p.m. on August 23rd and 30th, and running through solid to Winnipeg.

The equipment will consist of electric-lighted colonist cars, lunch counter cars, and in addition the railway will continue their last year's innovation of keeping a special car for the accommodation of

single women and families, and of placing it in the train where the occupants will be separated from the other passengers. The territory served by the Canadian Northern Lines offers the widest choice of employment, with high wages, but regardless of where you may locate, remember we give you the best service to Winnipeg, where you will re-purchase, to final destination, no matter on what line it may be.

For leaflet showing special train service, with dates, number of men required at various points, and other information, apply to A. H. Jackson, Durham, town agent, or General Passenger Department, Canadian Northern Railway, Toronto.
