

20 LONG YEARS HE SUFFERED

"It-a-lives" Made Him Feel
As If Walking On Air

ORILLIA, Ont., Nov. 28th, 1914.
For over two years, I was troubled
with Constipation, Drowsiness, Lack of
Vitality and Headaches. One day I saw
a sign which read "Fruit-a-tives
you feel like walking on air." It
appealed to me, so I decided to
buy it. In a very short time, I
felt better, and now I feel fine.
A good appetite, relish everything
and the Headaches are gone
entirely. I recommend this pleasant
medicine to all my friends".

GOVERNMENT OWNERSHIP OF RAILWAYS INEVITABLE.

According to the president of the

Union Pacific and Santa Fe

way, E. P. Ripley, said: "I am

somewhat convinced that I shall

see the railroads of the

country in the control of the gov-

ernment." He was then 62. "The

time may not be plain to you, but

you are to me."

This remark was made to "Boer-

ner," who in his article on the

project of the future of the rail-

ways, which appears in Hearst's

magazine for December, draws sig-

nificant conclusions based on a

searching analysis of the whole

range of events, affecting the finan-

cial status of the railroads of the

A memorial service was held in
Trinity church on Sunday in honor
of Pte. Wm. Cecil Davis, who fell
in battle on the 26th of October.

the rector, Rev. Mr. Dymond, based

his remarks on Rev. 6:2—"And I

saw, and behold a white horse; and

he that sat on him had a bow; and

a crown was given unto him; and

he went forth conquering and to
conquer." The white horse was

emblematical of purity and applied

to the righteous army. He that sat

on the white horse was described

as the righteous king engaged in

the advocacy of a righteous cause.

The choir furnished music in keep-

ing with the solemnity of the occa-

sion. The hymns, "The Lord is

My Shepherd," and "O God Our

Help in Ages Past" were sung by

the congregation. There was a

large attendance, and the sympa-

tended to the sorrowing father.

are unable to say whether or not there
was any truth in it.
