Young Man Badly Injured.

While assisting at deborning cattle last Saturday, Clarence Thompson, a young man about 20 years of age, and son of Mr. and Mrs. Arch. Thompson of the Rocky, received serious injuries, from which it was thought for a time he could not recover. Clothing Needed.

William Marshall Dead.

Mr. William Marshall, a well-known resident of Egremont, died at his home a mile east of Varney last night, and interment will be made in Maplewood cemetery to-morrow afternoon. We have no particulars of his illness, other than that he has been a great sufferer for the past four years.

Former Old Resident Ill.

Word was received here last week by Mrs. Hugh McDonald, Bruce St., that her father, Mr. Thomas Grashy, was very ill at his home at Brandon, Manitoba, with but little hope of recovery. Mr. Grashy formerly lived here, but went West about forty years ago. He will be well known by the older residents of the locality.

Barn Wrecked in Holland.

A large barn on the farm of Mr. Ashbury on the second concession of Holland was almost completely wrecked by wind on Thursday last. The roof was blown off and scattered, and the main plates broken. A post 12x14 inches was split down eight feet and the whole building thrown out of plumb. The wind affected only a small area. Mr. Ashbury's home, only 200 feet away, was untouched.

The Lacrosse Grouping.

The executive of the Ontario Amateur Lacrosse Association met in Toronto on Monday, and drew up the playing groups for the summer. Durham in placed in group No. 5, with Wingham, Tara, Paisley and Southampton. Though this grouping is not very satisfactory to any of the teams entered, still, there seems to be nothing left but play out the schedule in the grouping given if lacrosse is to be fostered in this part of the country. Naturally, the teams would like to have been grouped "nearer home," but when none of the close to home towns have entered a team it looks as though the executive had done about as well as they had it in their power to do. Whether the grouping will play on the one schedule, or split up into two sections, with a play-off for district honors, yet remains to be seen. In the meantime, we are waiting for the weather to moderate so that the boys can get out on the lot and get in shape.

BURNABY QUILTS PRESIDENCY

After several years as president of the United Farmers of Ontario, R.W. E. Burnaby, of Jefferson, has placed his resignation in the hands of the U.F.O. Executive at a meeting last week, according to The Farmers' Sun.

After being elected to the presidency of the U.F.O. last December, Mr. Burnaby accepted nomination and election as a director of the Co-operative Company, and then accepted the presidency.

M. H. Staples, U.F.O. educational secretary, states that Mr. Burnaby has found "owing to the large business of the company, it demanded all the time that he could spare away from his farm," and so he resigned.

Mr. Amos, vice-president, opposed the resignation, but it was laid over without the executive coming to a agreement on a policy in the matter.

LEAVING FOR MANITOBA

A number of the Orangemen and representatives of the True Blues met last night in the lodge room to express feelings of regret on learning of the intended departure for Manitoba of Mr. James Lloyd who for a number of years has been a true and tried member of the society here. District Master Alexander Aljoe was in the chair and after announcing the special object of the gathering, Mr. Lloyd was called to the front, when he was presented with a handsome Past Master's Jewel and a very complimentary address. There were fifty or sixty members in attendance and after the recipient acknowledged the honor and thanked all for their kindly recognition, a number of brief, informal speeches were made all expressing a regret at his departure and a hope for his future prosperity. At the close a dainty luncheon was served by the lady True Blues and an enjoyable times pent.

Mr. Lloyd and family have been residents of this town for about 25 years and have always been esteemed by the community as good and true citizens. As three sons and one daughter were amongst the early volunteers to enlist for overseas service, and that without a dissenting voice from Mr. and Mrs. Lloyd, no one can question the loyalty of the family. They did their bit, and are now "carrying on" in the more peaceful battle of life.

One son, George, and one daughter, Mrs. F. J. Tilt, are now settled at Fork River, near Dauphin, Manitoba. The good accounts they have to give of the country have doubtless had an influence in Mr. Lloyd's decision to go West, and in the case of Mr. and Mrs. Lloyd they can look forward with pleasure to a re-union with members of the family.

Mr. Lloyd has taken an active interest in municipal affairs and has been a member of the Town Council for many years and his removal leaves a vacancy.

Mr. and Mrs. Lloyd and daughter Norma will leave to-morrow morning and we are sure they carry with them the good wishes of the whole community.

Before leaving, Mr. Lloyd disposed of his residence on Lambton St. to Mr. Peter Reid, Sr.

On Sunday, in Trinity Church, a feeling reference was made by the Rector, the Rev. J. G. Hardy, to the family's departure and the loss the Church would sustain in consequence of their removal.

PRESBYTERY OF SAUGEEN

MET AT PALMERSTON

The Presbytery of Saugeen held its regular meeting in Knox Church, Palmerston, on Tuesday, April 11. Mr. Thomas Allan of Durham, Mr. William Forgie of Mount Forest, and Mr. William R. Johnston of Clifford were appointed Commissioners to the General Assembly, which is to meet in Winnipeg in June. Rev. F.S. Milliken was granted permission to exchange his commission to the Assembly with one of the ministers on next year's list.

The Committee on Stipends reported that several congregations had been visited since last meeting of the Presbytery in the interests of the new minimum stipend. The report was received as an interim report, and the committee was instructed to prosecute its work with the utmost diligence.

Mr. Leslie R. Ballantyne, the student who served so acceptably on the Mildmay and Ayton field last summer, has been secured for this coming summer and will enter upon his work at once.

The congregation at Palmerston is now hearing candidates with a view to extending a call to a minister.

The next regular meeting of the Presbytery will be held in Dr. Jamieson's summer cottage at Wilder's Lake on June 27. A committee was appointed to arrange for a Presbyterian picnic in connection with this meeting.

BRANT FARMER SUICIDED

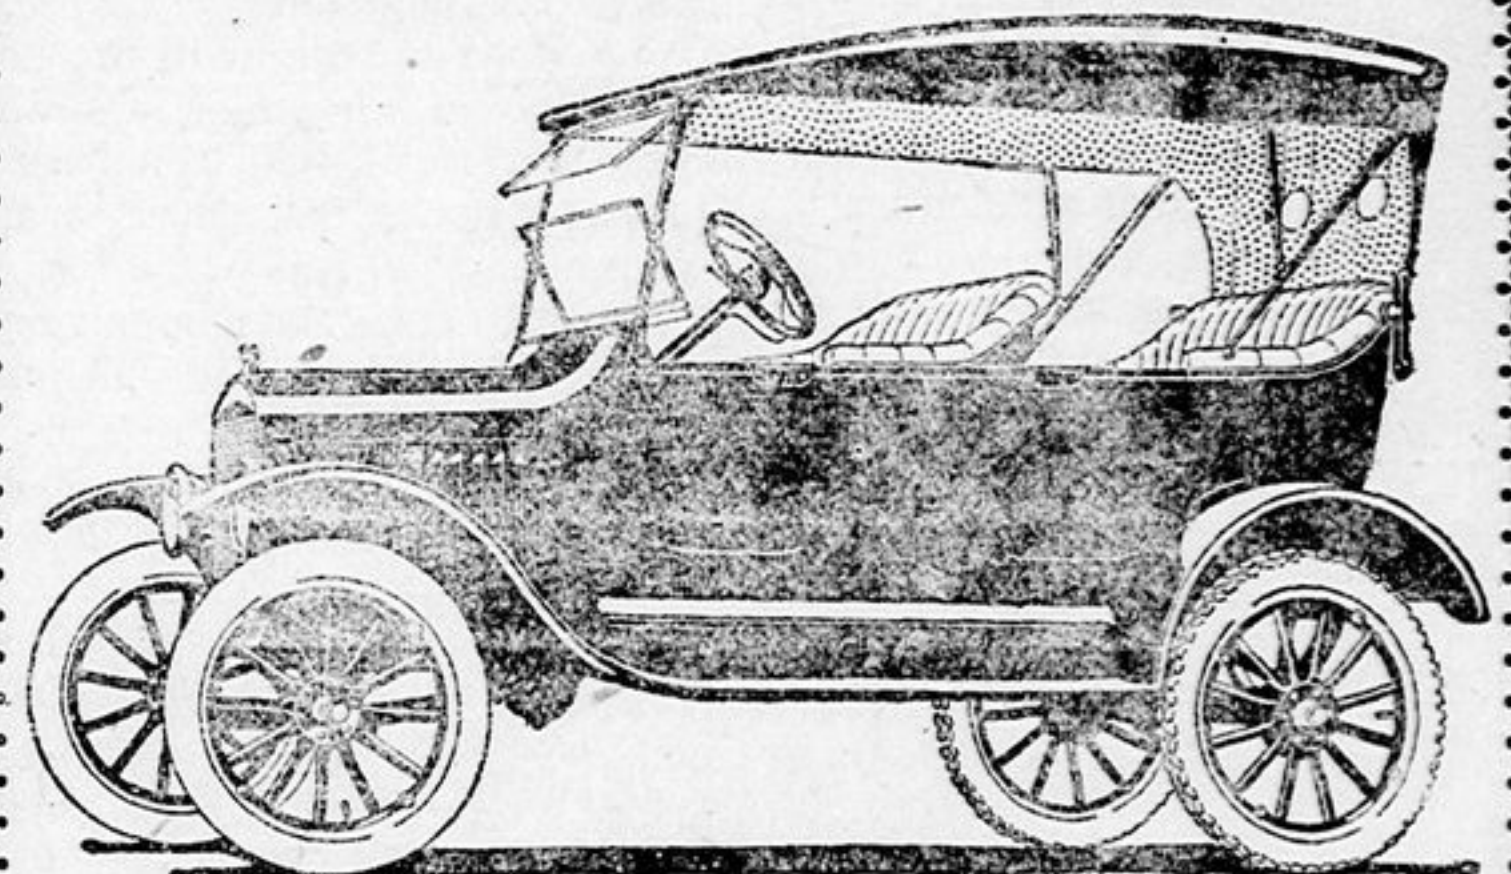

John C. Reilly, 41 years of age, committed suicide on Saturday by hanging himself from the beam of a neighbor's barn. He was a resident of the Township of Brant, and a prominent farmer. Dependency on account of ill-health is the assigned cause. Coroner Brown of Chesley was notified, viewed the remains and decided an inquest was not necessary. He is survived by a widow, seven small children, one brother and two sisters.

Bootleggers on the Pacific coast have formed an organization. The next thing we know they'll be demanding parliamentary representation.—St. Thomas Times-Journal.
