Next Sunday is Flower Sunday.

Flower Sunday will be observed in the Methodist Church on Sunday morning, when the service will be taken entirely by the Sunday School scholars. Choruses and solos will be given by little tots.

Former Pastor Honored.

At a meeting of the Woodstock Ministerial Association held on Sunday, Rev. John Morris, Rector of Old St. Paul's Church, Woodstock, and formerly Rector of Trinity Church here, was elected President for the ensuing year. Mr. Morris is a son-in-law of Mr. and Mrs. E. W. Limin, of town.

Another Cemetery "Bee."

The directors of the Durham Cemetery Company will hold a bee at the cemetery on Wednesday afternoon of next week, when they expect to have the assistance of a large number of ploholders and others who are interested. All who come are respectfully requested to furnish teams and all necessary equipment. It will be similar to the bees held last year, and we understand the Directors desire to make it an annual event to get the cemetery in proper condition. The ladies are requested to provide lunch.

Store Crowded All Day.

The people of Durham turned out in great numbers to visit the new Bargain Store last Saturday. The store was crowded all day with eager buyers and in the evening the doors had to be locked to enable the clerks to serve customers. The Bargain Store will offer special bargains for Friday and Saturday this week. Watch for hand bills with big list of special bargains for Tuesday and Saturday and all next week. Remember the place—Middaugh House Block.

They "Pinch" Them Here, Too.

While returning home in an auto from Port Elgin on Saturday afternoon, Constable Blood of Walkerton espied Leslie Wench of Paisley driving along the roadway in Brant Township with only one marker on his truck, and getting out and stopping the driver, found also that he was minus a chauffeur's license. Two charges were straightway laid against him for these two delinquencies, and on the accused pleading guilty to both offences before Magistrate McNab at Walkerton the following Monday, he was relieved of a five-spot on each count, making his total assessment for the affair \$20.70.—The above was taken from the Walkerton Herald and Times, and shows that the Provincial Department is out after infringements of the Motor Vehicles Act. Whether we like it or not, it is evident that the Provincial Government is determined to have the law enforced. So far as we can learn, the automobile driver is the only user of the highways against whom these drastic measures are directed.

Women's Institute Annual Meeting.

The annual meeting of the District of South Grey Women's Institutes will be held in the Public Library, Durham, on Thursday, June 15. Morning session will open at 10 a.m. and afternoon at 1.45 p.m. Mrs. H. W. Parsons of Toronto will give an address on "Laws Relating to Women and Children." Mrs. W. Rogers, Holstein, and Mrs. J. S. Knechtel, of Hanover, will also address the meeting. Durham Branch will please provide refreshments.—M. McIlraith, Secretary. 1pd

Anglican Anniversary Services.

Next Sunday, the 11th inst., will be the 72nd anniversary of the establishing of Trinity Church here, and for which special services are being held. The special preacher for the day will be the Rev. T. H. Ibbott, M.A., Ph.D., Rector of Arthur Church. Besides the services here, Mr. Ibbott will take the service at St. Paul's in the afternoon. The evening service in Durham will commence at 7.30, instead of 7 o'clock as formerly. Besides the special sermons, the choir will furnish special anniversary music, and all are cordially invited to attend. Rev. Mr. Hardy will take Mr. Ibbott's work at Arthur.

A Severe Electrical Storm.

Though the storm and much needed rainfall that passed over here on Tuesday was an ideal downpour here places immediately to the west of us report quite a lot of damage done. In Bentinck Township in the vicinity of Allan Park, the thunder and lightning were heavy and considerable damage was done. In this vicinity, too, the storm was more of hail than of rain. Mr. John Bailey of Vickers had two horses killed by lightning, and during the same storm Mr. Alex. Grierson, a mile and a quarter south of Vickers, lost one ewe and thirteen lambs by lightning. In Mr. Bailey's misfortune, it seemed strange the way the animals were killed. There were two near one side, and two at the other side of the barn, and when the bolt came one of each pair was killed and the other left unharmed.

Feed Oats For Sale.

Western Feed Oats at 62c. a bushel at the Rob Roy Mills. 46 ft

Gentleman wants room, with breakfast preferred; in quiet locality; will pay well for this service. Apply at The Chronicle office for address.

Methodist Garden Party.

The Ladies' Aid of the Methodist Church will hold a garden party on Thursday evening, June 22, on Mr. Robert Smith's lawn (the old Presbyterian Manse property). Watch for further particulars.

Mrs. Mark Willis Dead.

We regret very much to learn just as we go to press of the death of Mrs. Mark Willis, of near Allan Park. We have received no particulars, other than that Mrs. Willis died at an early hour this Thursday morning.

A Special Request.

The new Bargain Store requests the town people to do their shopping Friday, or Saturday morning, so they can give more attention to their country customers in the afternoon and evening. Last Saturday evening many had to leave the store without getting waited on.

Rev. Cole Here for Another Year.

The many friends of Rev. Mr. Cole of the Methodist Church will be pleased to learn that their request that he be allowed to remain for a fifth year has been granted. Since coming to town Mr. and Mrs. Cole and family have become very popular, and at the last meeting of the local Board, it was requested that he remain a fifth year. Rev. Mr. Prudham, and Rev. Mr. Moyer, former pastors here, will remain at Drayton and Hagersville, respectively.

Was Seriously Injured.

Last week we reported an accident to Mr. Adam Watson in which he sustained injuries when thrown from a bicycle which required the services of a doctor, and several stitches, to remedy. At the time, we were not aware that he was seriously injured, but have since learned that he was unconscious for nearly two hours, and for a time the outcome of the mishap was the cause of grave anxiety on the part of his family. We are pleased to learn, however, that Mr. Watson is now doing well.

Drowned in Owen Sound.

Residents of Durham were sorry to learn of the drowning at Owen Sound on Thursday of last week of Cyril Lynett Brown, aged 8, and Arthur Brown, aged 6, sons of Mrs. David Brown, a former resident of Durham and Bunnassan. Mrs. Brown had gone out to call a doctor for another son, who is a machinist at the Owen Sound Iron Works, and is ill with appendicitis. In her absence the little fellows disappeared, and when they did not return a search was started which lasted well into the night. As two boys answering the description were seen around the docks at about the time the mother said they must have left home, a thorough search in that vicinity resulted in the discovery of their bodies in about 15 feet of water. The funeral was held on Sunday at Greenwood cemetery. Mrs. Brown will have the sympathy of Durham residents in her trouble.

RIGHT OF WAY RULES

There are many who are not familiar with the right of way rules. They are worth remembering, and the observance of them may save you a repair bill and keep you out of court. They are:

At any street or intersection the right of way belongs to any vehicle approaching from your right. In overtaking another vehicle, pass on the left.

Slow moving vehicles shall keep as near the curb or edge of the roadway as possible.

The right of way of pedestrians should be recognized at regular cross-roads.

Unnecessary noise or the use of muffler cut-outs is illegal.

In case of accident, if you are not known, stop and give your name and address to the person concerned.

Real Moonshine.

First Motorist—I had a drink of real moonshine the other day. Second Motorist—How was it? Third Motorist—I find I can get about the same result if I kiss a spark-plug when my motor is running.

The more people you "have it in for" the more people there will be who "have it in" for you.

THE TOWN COUNCIL

The meeting of the Council last Monday night was largely a matter of the usual routine business. The reading of the minutes and the passing of the inevitable batch of accounts were the principal items dealt with.

Possibly the most important matter dealt with was that of the paving of the front street.

This was introduced by Reeve Calder, who presented Mr. W. Hollingworth, of the Hamilton Paving Company, the firm that is laying pavement in the vicinity of Meaford. Mr. Hollingworth had made an estimate on the work apparently required in Durham and gave the Council a quotation of \$2.00 per square yard. His estimate was based on the possibility of being able to use gravel from the town gravel-pit. If crushed stone were used, it would be that much more. After considerable discussion, the Council decided to call a public meeting for Wednesday evening (last night).

Ex-Constable Falconer also addressed the Council in reference to his recent dismissal. Mr. Falconer said that instead of having laid information against motor owners "by wholesale," as he was reported to have done, he had laid only eight, and even yet considered he was right in doing so. Despite the fact that Mayor Allan, at the special meeting a week ago Friday had declared he knew nothing about it, and had always cautioned the constable against too strict an enforcement of the law, Mr. Falconer told the Council that the Mayor had been informed every time an information had been laid. Questioned as to why he had not attended the special meeting when requested to do so, Mr. Falconer said he had understood it was a ruse on Reeve Calder's part to get him before the Council and give him a tongue-lashing, and he would not stand for this kind of thing. The Reeve thought he should have appeared with his accusations against the Mayor when he (the Mayor) was there to defend himself. To this Mr. Falconer replied that he would like to have the opportunity to make the same statement at the first Council meeting Mayor Allan presided over.

A motion by Reeve Calder to ask the Provincial Government for the dismissal of Police Magistrate Laidlaw, was carried.

The Council also ordered a cheque issued to Mr. Calder for \$100 for insurance on the Jackson property.

A resolution was also passed to refund the fines collected in the recent trials for trivial infringements of the motor act.

COMMITTEE OF FIVE WILL WORK WITH TOWN COUNCIL

The meeting of the ratepayers called by the Town Council to deal with the paving of Durham's main street was held last night in the Town Hall and resulted in a committee of five citizens being appointed to work with the Council and assist them in devising the best scheme for improving our main thoroughfare.

The committee is: Messrs. J. A. Rowland, A. A. Catton, J. H. Snell, C. A. Robbins and Ed. Kress.

The appointment of this committee was made necessary by the fact that a number of the citizens at the meeting favored a full-width pavement, while another section wanted a 20-foot strip down the centre of the road, and macadam from there to the sidewalk.

The attendance was small, especially of the business men, and it was freely expressed that those who failed to put in an appearance should find little fault with whatever was done if they were not interested enough in the roadway in front of their place of business to give it a couple of hours' consideration.

There is no doubt that the feeling of the meeting is for a pavement, and it is likely the committee and council will start at once to formulate plans for its accomplishment.

DISTRICT MASONS HELD SERVICE IN TRINITY CHURCH, SUNDAY

A District Masonic church service, the first of its kind ever to be held in Trinity Church, was held in Trinity Church last Sunday afternoon, and it is estimated that in the neighborhood of three hundred Masonic brethren from all over the District gathered in Durham for the event. The service was called for 3 p.m., but it was nearer 3.30 when the march to the church began. Rev. Mr. Hartley of Shelburne, the District Chaplain, was the preacher, and delivered a most forcible, eloquent and appropriate Masonic sermon to the brethren assembled.

Trinity Church choir was in attendance and rendered very effectively the anthem "Softly the Silent Night."

The success of this District service, and the evident benefits and pleasure derived from being together, will no doubt be the means of making it an annual affair. After the service the brethren of the Durham lodge entertained the visitors with refreshments in the Town Hall.

Of Course.

The young housekeeper walked into the shop and rapped smartly on the counter.

"I want a chicken," she said. "Do you want a pullet?" asked the shopkeeper.

"No," replied the housekeeper, "I want to carry it."

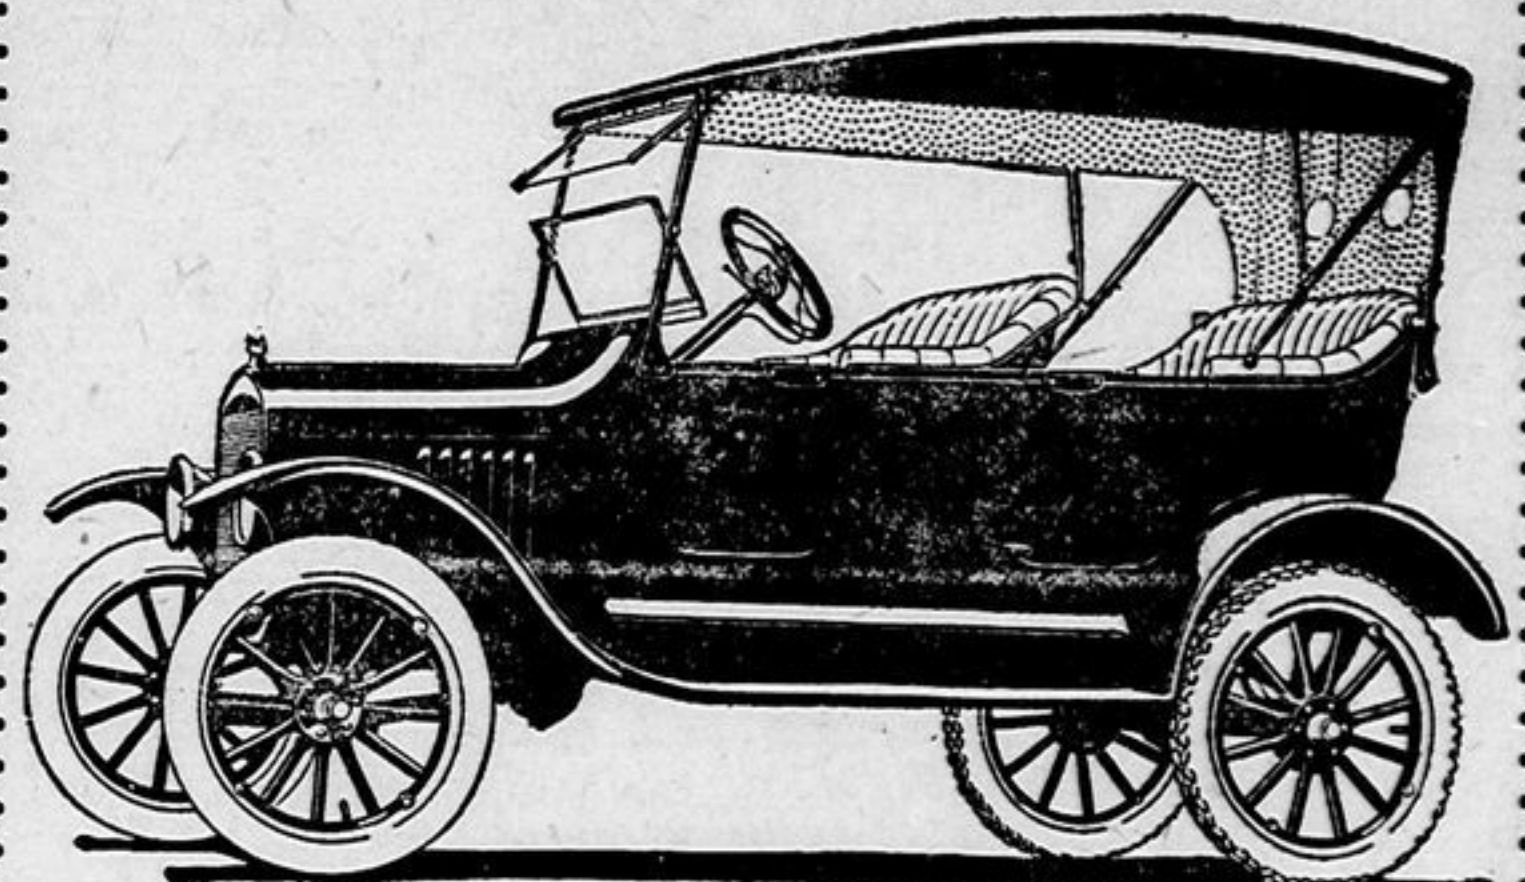

The man who waits for posterity to do him justice will never experience the pangs of disappointment.

Patience will accomplish all things. You can carry water in a sieve if you wait for it to freeze.
