

The County Council

ts the scheme, of 50 miles of highway. Mr. Coutts also spoke in connection with the proposed road.
It was moved by Mr. Wright that the County Council of Grey approve of an application to the Department of Highways for the road as outlined by the representatives from Wellington. Mr. McKenzie suggested that the road be continued through to Clarksburg and Thornbury.
Reeve McDougall and Dr. McArthur moved an amendment designating that the road be continued through Kimberley to Thornbury.
Mr. Calder thought the amendment was defeating the purpose of County-Provincial roads. The Government is not banking to establish roads where they are not needed. As usual, Mr. McTavish objected to Mr. Calder's remarks to the Valley Road being "turned down flat."
Dr. McArthur spoke in favor of the amendment. The road comes up to Ceylon, thence to Flesherton, up the Valley Road to Thornbury. The people in this part of the county deserve some consideration. The Townships of Euphrasia and Collingwood should be served by a Provincial Road.
Mr. Smith thought a committee should be appointed to co-operate with the Wellington Council to get an extension. Mr. Bothwell agreed with Reeve Smith. The motion carried after a long discussion.
Moved by Mr. Calder, seconded by Mr. Wright, that the Council co-operate with the County of Wellington in having the county line between that County and Grey designated as a County Provincial Road. Carried.

Council Guests of Grey Regiment.
On Friday evening the Warden and the members of the Council accepted the invitation of Col. G. D. Fleming to visit the camp of the Grey Regiment at Rockcliffe Rifle Ranges. The shooting on the ranges, the dinner at the officers' mess, the speeches and the musical program were all most thoroughly enjoyed by the members of the Council and other county officials present.
The session of the Council which is just drawing to a close has had connected with it a large amount of uninteresting, but very necessary business, and so when the invitation to visit the camp came to the councillors they were pleased to accept it. The council went to camp by motor, and immediately a shooting competition between the members of the council and the officers of the regiment was staged. Mr. George A. Bothwell, who has not been on the ranges for some considerable time, knocked out eight bull's eyes in eight shots, but Major H. E. Pembroke did the same for the regiment. The scores totalled 394 for the officers and 388 for the County Council.
On the conclusion of the match the council was shown over the newly-repaired ranges and the whole camp from the kitchens to the orderly tent were pronounced the best laid out and the most complete camp they had ever seen. Just before dinner, a Hawaiian orchestra, composed of Ptes. Wesley Armstrong, Gerald and Kenneth Large and Frank Bunt, of Flesherton, played several pieces, to the delight of the large audience which gathered.
The dinner served in the officers' mess tent would have done credit to a first-class hotel and the whole was prepared on such stoves as a military camp boasts of. All were hungry and partook of the meal provided with zest.
The prominent speakers of the evening were seated at the head of the hollow square and the officers were interspersed with the visitors. Col. Fleming acted as toastmaster and chairman. The toast to "The King" was, as usual, replied to by the singing of the National Anthem. Col. Fleming expressed the pleasure it gave the Regiment to entertain the Council. The Grey Regiment has done honor to the county many times and he thanked the council for their assistance and support in the past.
The toast "to the Canadian Militia" was responded to by Brig. D. Carmichael, M.P.P., who, as did every speaker of the evening, spoke of the pleasure it gave him to be at the gathering. It was a pleasure to meet the members of his own County Council and also to foregather with his comrades of the Canadian Corps and the Canadian Militia. "We did great things together and loved and honored one another and I am glad so many are continuing their work in the militia," said Brig. Carmichael. The militia is a medium of obtaining habits of obedience and command. The militia now has the tradition of the Canadian Corps to uphold and a soldier should be the best type of our citizenship.
The toast "to Canada," was replied to by "Padre" Elliott. The toast was one which challenges the deepest emotions Canadians can feel. We love Canada because it is a young man's land, where young men may

rise to large fields of service and national helpfulness. We must go ahead looking to our past and we will do our bit for Canada.
The officers proposed the toast "to our Visitors," and sang "For They Are Jolly Good Fellows." Warden Howey made the first reply. It was a great honor to be at the dinner; the Council was exceedingly well pleased with the dinner. Should the Regiment ask for monetary assistance the Council would be very favorable to such requests. All the county was proud of the Grey Regiment, 147th, and 248th Battalions.
Mr. John Miller, "the daddy of the Council," said he was happy to be with the Regiment on such a fine camping grounds and wished the regiment every success.
Mr. John Parker, the County Treasurer, thanked the regiment officers for their kind invitation to the dinner. He spoke of being present at the time the 31st Regiment was organized, and when the colors were presented when Col. Pollard was present. He was proud to be there to see his old friends and the boys.
Reeves Calder, McTavish, Sing and Bothwell all spoke briefly in appreciation of the way in which the council had been entertained. Reeve Bothwell, on request, made his speech savor of politics and remarked that the U.F.O. Government, like other great forces for good, were a number of years ahead of the place they would be years hence. Crown Attorney T. H. Dyre, and Dr. John McArthur spoke briefly. Reeve McDougall in his speech referred to Mr. Bothwell's address, remarking that he did not know now whether Mr. Bothwell was "U.F.O. or spiritualist."
Before Major Rutherford and Capt. Slade spoke of the pleasure the Regiment had in entertaining the Council, Col. Fleming paid a great tribute to the officers who were acting with him in the camp. They were efficient in every particular and as fine gentlemen as could be found anywhere. Both visitors and officers gave three hearty cheers to conclude the program.
Before the Council left for town a quartette of officers sang several most appreciated numbers. The whole evening was enjoyed by both visitors and hosts.

DURHAM'S "BLUEBIRD" TEAM DEFEATED MOUNT FOREST
The lacrosse game on the show grounds here last night between the BlueBirds and the Mount Forest Lornes was a walkover for the Durham team, the final tally being 14-2. By quarters the teams stood 4-0, 7-1, 9-1 and 14-2. While Mount Forest did not have their full line-up, on the play last night, the balance of their team will have to be good ones to hold the locals, who scored almost at will in all four periods. While interesting to watch, and full of fun for the small crowd in attendance, the one-sided score and the evident ease with which the locals handled their opponents became monotonous at times.
Mount Forest, however, have "the makin's" and will be heard from later if they stick together. Durham's team, too, is young, generally speaking, and will be much better with another year's experience.
The line-up:
Mount Forest (2)—Goal, Young; point, Allen; cover, Morrison; defence, Murdock and Stewart; centre, Broughton; home, Obrecht and Fleming; inside, Allen; outside, Smith. Sub.—Broeklebank.
Durham (14)—Goal, Snell; point, B. McDonald; cover, C. McGirr; defence, H. Kress and W. Snell; centre, Buschlen; home, S. Rowe and R. L. Saunders; inside, Mitchell; outside, Elvidge. Subs.—W. Vollett, H. Rowe and R. Burnett.
Referee.—Geo. Hugill, Durham.

SOCIAL AND PERSONAL

Mr. and Mrs. Thomas Allan returned Saturday from Winnipeg and Fort William, respectively, where the former was attending the Presbyterian General Assembly, and the latter visiting her daughter, Mrs. McElroy.
Mr. and Mrs. Alex. Kearney returned Friday evening from their brief honeymoon trip to Toronto, Buffalo, New York, Atlantic City and Philadelphia. On their going away trip they motored to Guelph, and returning they motored from Bolton.
We had a brief, but pleasant call on Monday morning from Mr. Ben. Wood of Toronto. He is a son of Mr. Benjamin W. Wood, whom the writer has always regarded as his best public school teacher. During the late sixties he taught the school at Heathcote, and to us his educational standing seemed so much superior to that of any of his predecessors that we caught the inspiration, and any achievement we may have made dates back to his influence. He was an old-fashioned Quaker who never spoke in meeting till "moved by the spirit." He is still a Quaker of the silent variety, and is living in Winnipeg. We have always held him in the highest esteem, and the meeting of his son brought back many reminiscences of the bygone days. Mr. Wood, Jr., is married to a sister of Mrs. Andy Watson of McWilliams, where they are making a short visit, and where Mr. Wood learned in some way that Ye Editor was one of his father's pupils.
Mrs. Joseph Edmonds and her sister, Mrs. David Hopkins, of Major, Alberta, gave us a brief call on Monday. They have been West for a number of years, and the visit East was on account of the death of their brother, Mr. Fred Reay, who died recently. The crop prospects in the vicinity of Major are reported by them to be good. They expect to return to their homes about the 1st of August.
Mrs. E. Pennock and daughter Pearl, of Toronto, spent the weekend with Mr. and Mrs. John Whitaker.
Mr. and Mrs. Harvey, and son, Dr. Harvey, of Arthur, spent the weekend with their daughter and sister, Mrs. W. A. McGowan.
Mrs. W. A. McGowan is spending a few weeks at her home at Arthur.
Rev. Mr. Cameron, recently inducted into the Baptist Church here, expects his family to join him from Tiverton in the course of a few weeks. At present his children, Miriam and Eben, are writing on the Entrance examination. On the evening before the examination they sang at the Methodist garden party and were well received.
Mrs. Duncan MacDonald and daughter Louise, are spending a few days with friends and relatives in and around Pricievile prior to their departure for their new home at Lethbridge, Alberta.
Mr. and Mrs. A. B. Currey left this morning for Lake Simcoe, where Mr. Currey will take a ten days' vacation but Mrs. Currey will remain for a month or more.
Mrs. Horne of Toronto is the guest of Rev. and Mrs. Hardy at the Rectory.
Mrs. S. McCracken is spending a few weeks with her daughter at Shelburne.

STRIKE ON GREAT LAKES
A strike vote is being taken by between 12,000 and 15,000 employees on Great Lakes vessels, it was announced Tuesday by the general secretary of the Marine Firemen, Oilers, Water Tenders and Coal Passers' Union. This trike resolution, upon which the vote will be taken, sets forth that the Lake Carriers' Association by repeated cuts has reduced wages from \$130 a month in 1921 to \$80. The vote is being taken at six cities on the Great Lakes.
ing they motored from Paisley.

ST. VINCENT MAN FOUND DEAD IN HIS OWN STABLE

The lifeless body of Charles Penrose, 3rd line, St. Vincent, was found late Monday night by his wife and son, upon their return after a short visit to friends on the 7th Line. The family left early in the evening to visit Mr. and Mrs. Fred Watson and invited him to go along, but he declined, and their gruesome discovery upon their return has given rise to many rumors of self-destruction. Dr. Eagle was summoned and after a hurried examination notified Coroner Bennett, who found no visible evidence of foul play and deemed an inquest unnecessary.
The late Mr. Penrose had not been in robust health and was said to be worrying lately over matters better known to himself. Deceased had been a resident here for many years and was a member of the St. Vincent Council two or three years ago. He was well spoken of by all who knew him, was of a jovial disposition and would do a person a good turn if in his power. His sudden and tragic death has cast a gloom over the community and much sympathy goes out to his bereaved widow, son and daughter.

THE POWER OF GAELIC SPEECH

Highland Scotsmen claim that Gaelic has potentialities unknown to other tongues. Just as rats will desert a barn in which the bag-pipes have been played, Gaelic speech can not only charm the birds out of the trees, but is the language of command for mortals. Proof of this is furnished by the following news dispatch from St. Thomas, Ont., which recently appeared in the Toronto Globe:
Crown Attorney McCrimmon demonstrated the potentialities of the Gaelic tongue in the Police Court to-day when a party of Russians and Poles were on the carpet in connection with an assault case arising from a moonshine manufacturing exposure. A lively altercation between the complainant, Mrs. Mokrydy, and her friends, and the accused, Philip Nikifor, ensued. Chief Armstrong called in vain for order, and Magistrate Maxwell's gavel had no effect. Then Mr. McCrimmon drew his six feet of Glengarry manhood to its full height, pointed a stern index finger at the Poles, and let fly some choice selections in Gaelic. The chatter stopped as if by magic, and the foreigners gazed at Mr. McCrimmon in respectful silence.
"They seem to understand all you said," remarked Maxwell.
"A bit of Gaelic will stop anything," replied Mr. McCrimmon.

BRONCHIAL ASTHMA

Choking and Gasping for Breath Relieved by "FRUIT-A-TIVES"

MRS. PENNINGTON
NEW ROCKLAND, P.Q.
In 1919, I was taken with Bronchial Asthma and no one knows what I suffered with it during the winter. I began having Choking Spells—gasping for breath and could not speak. I would have one of these bad spells in the evening, one during the night, and one in the morning. The doctor said he could do nothing for me.
In the spring of 1920, I started taking "Fruit-a-tives" and in a few days, the choking spells stopped, and I have had none since May 7th, 1920. I have so wanted to tell other sufferers who have the same trouble about "Fruit-a-tives" for I know how they must suffer.
Some thought the Asthma would come back on me as winter came on but it has not, thanks to "Fruit-a-tives" Mrs. J. M. PENNINGTON.

FORMER HANOVER RECTOR PREACHED HERE SUNDAY

Sunday evening in Trinity Church the sermon was preached by the Rev. G. B. Cox, twelve years ago Rector of Hanover Anglican Church. Mr. Cox is now rector of St. Paul's Chapel, Broadway, New York City, and is on a visit with relatives in Bruce County.
Rev. Mr. Cox's present church is of much historical interest, being the oldest public building in New York City. It was erected in 1769 and contains the pew in which George Washington, "the father of his country," worshipped.
The sermon on Sunday evening was on "Neighborliness," and Mr. Cox showed the dependence of each individual upon his neighbors. Under modern conditions, individuals, nations or continents could no longer live within themselves as in the olden days long passed and gone, never to return. While here, Mr. Cox was the guest of Rev. and Mrs. Hardy, the former meeting him when in New York a year ago at the burial of the late Mrs. Scott in Greenwood cemetery.
