It is quite a spin from Port Perry to this neighborhood, but Mr. and Mrs. Ed. Embury got a fairly early start on Friday morning, called for Miss Jennie Cook in Toronto on the way, and were at Mr. W. J. Cook's for an early dinner. The little Ford never sweat a drop.

One more successful picnic to the many held in the past, was Zion's record on Friday afternoon. A fine big crowd was present and mixed well. There were some bright numbers on the program, the chief being recitations by Mrs. (Rev.) Cole, Miss Lily Black, Missy Traynor and some fine cornet solos by Mr. Bryson Morlock. Following the program came the big supper, children's treat, then the most keenly contested races ever held in connection with the annual affair. To wind up a happy afternoon, a 5-innings baseball match was played between a home team and a lively bunch from Glenelg Centre, the latter winning by a score of 12 to 7. Messrs. John O'Neil and Albert McNally acted as umpires. It was an afternoon of pleasure and happy mingling. Rev. C. G. F. Cole was present and made a splendid chairman.

Forest will be present at both services and in the evening Durham Trinity choir will supply the music. As they have become famous as warblers they should be greeted with a full house. On the Monday night following, the annual garden party will be held in Mr. James Johnson's orchard, adjoining the church. Good eats, good program, and a good time. The scare of hold-up men in the swamps, which we mentioned in our last budget, has passed away. The only ones giving any thought to it are those who hold to the belief that there must be fire where there is much smoke. Everybody now won-

ders what it really was that was taken for the boogey man.

The announcement last week that there was born to Mr. and Mrs. William Gordon twin boys, on Saturday, the 17th, caused some of our citizens to count the number of twins that have been born in this section within their memory, and they find the number is at least thirteen. We don't know whether that is any special record, winning a gold medal, or not but just give it as news.

Miss May Davis is home from Stratford Normal School and has been engaged by S. S. No. 12 for the coming year.

Our union picnic last Friday in Mr. Robert Matthews' grove was a very pleasant affair. The ground is an ideal spot and the day everything that could be desired. The edibles and tea were both good and abundant, the ice cream pure, unadulterated and wholesome. A real program was prepared by the teachers and children, supplemented by short addresses by Rev. F. G. Hardy and teacher, Mr. Charles Ramage, of No. 12. In the evening, the scholars of No. 12 played our school at baseball, the former winning. Football was also played by the juveniles, and a good game of baseball was played by the grown-ups, and some of the grown-olds joined heartily in it. Altogether, the affair was a great success.

Our baseball team went to Woodland Monday evening and defeated the Maple Leafs, the score being 19-11 in an eight-inning contest.

Again football is in the limelight. Last Friday evening the Mildmay team tried conclusions with the locals on our home grounds. Mildmay started in with a rush and after about fifteen minutes' play succeeded in scoring. The locals then settled down to real play and bombarded the Mildmay goal very frequently, but a stonewall defence baffled all attempts. About the middle of the second period they succeeded in penetrating the Mildmay goal and thus tied the score. This was not broken during the remainder of the play. The game was called for 6.30 but it was after 7 o'clock before the referee put in an appearance. It has been a battle royal between these two teams, as five games have to be played to decide the supremacy. On account of the tie game, home and home matches have been ordered by the executive, the first of these to be played this Wednesday evening in Holstein, the next to be played in Mildmay on Friday.

[The game referred to above resulted in a tie, 4-4.—Ed. Chronicle.]

TRINITY CHURCH GARDEN PARTY WAS WELL ATTENDED

Trinity Church garden party held last Thursday evening on the Rectory grounds, was largely attended, and proved quite a success. From early evening the booths received a liberal patronage. The orchestra from the Methodist Church was in attendance and with the assistance of Mr. F. Bunce on the cornet, gave a liberal supply of good music. It was advertised as "the garden party that was different," and the claim was fully

vindicated in the excellent four-act play that was put on by St. George's Church Dramatic Club from Owen Sound. The play, entitled "The New Co.—Ed.," was pleasing throughout; the players were all good and the work done by some of them was really excellent.

Solos by Mrs. Armstrong, Mrs. Geo. King, and a gentlemen whose name we have not learned, were delightful contributions to the program. There were about fifteen taking part in the play, and a number of others from Owen Sound came along for the sake of the outing.
