Good Profit for Good Cause.

Hanover ladies received \$103 July 12 by selling orange lily tags. The total outlay was \$13, leaving a net profit of \$90. The percentage of profit was good, but it was in aid of the hospital fund.

Accepted Principals at Elmira.

Mr. D. L. Strachan of Hanover, who has been engaged for some time as assistant in the Continuation school there, has resigned his position to accept the principalship of Elmira High school. Mr. Strachan is well spoken of as a teacher and The Post in last week's issue expressed regret at his removal.

Has Bumper Field of Oats.

Mr. Mike Kenny, who lives near Glenora, has a great field of oats, of which he is justly proud. There are fifteen acres, heavy, tall, well-headed, and promising a record yield. He left a couple of stalks at this office a few days ago which, by actual measurement, were five feet ten inches in length. They were still green and if left to grow would now be over six feet in height. Hay and other crops in the vicinity are reported heavy.

Norman Lambert Resigns.

Norman Lambert, secretary of the Canadian Council of Agriculture, and at one time suggested as Premier of Manitoba, has resigned from that organization to accept a position with James Stewart, former head of the Canada Wheat Board. Mr. Stewart has very extensive milling and grain-giving interests. Mr. Lambert is an old Mount Forest boy, a son of the late James Lambert, who published The Representative in that town for many years.

Boathouse at Lake Burglarized.

Some time Saturday night the boathouse at the Lake belonging to Dr. Jamieson was entered and the boat taken out and rifled of about \$25 worth of fishing tackle and other paraphernalia. The burglars returned again on Tuesday night, but were chased away by the dog on the premises, who gave the alarm and roused the campers. Dr. Jamieson says the thieves left a lathing hammer behind with a mark on it so plain that it will not be very difficult to trace the thieves, and it is possible that there will be something doing in the vicinity of Wilder's Lake in the course of a short time. Since purchasing the lake the doctor has not been at all stingy in allowing the public the free use of the property, both for fishing and berry-picking, but if this kind of thing is going to keep up this privilege will be taken away. As the doctor has also devoted considerable energy and money in an endeavor to preserve the old cement roadway as a public road for the convenience of the residents of that part of the township, it seems like a poor reward for his interest to have his boathouse broken into and fishing tackle stolen.

Boarders Wanted.

The young people of Hampden Presbyterian Church will hold a garden party at Mr. Thomas Derby's on Friday, July 28. A good program.

A reward of \$50.00 will be cheerfully paid to the first person who will give information that will lead to the conviction of the guilty party or parties who, between July 19 and 23, mutilated and stole honey from my apiary, situated at McWilliams.—The Grey County Apiary (H. D. McIntyre, Prop.) Durham, Ont. 7 27 1/2

Stung by Bees.

On Wednesday of last week Dick McCabe got connected with the business end of some of H. D. McIntyre's bees and when they got through with him he would have made a good substitute for the fat man at a circus. It seems that he and Mr. McIntyre were out in the latter's truck visiting some of the colonies in the country and accidentally knocked one of them over. The bees did the rest.

Furniture Stack Fell Down.

The "expert" from Galt who was here to erect the new Furniture Co. stack on the boilers being placed in position at the factory misfired, and instead of getting the stack up on the boilers laid it over on top of the factory roof in a somewhat damaged condition. Mr. Ed. Sargent and gang of Owen Sound have been given the contract of salvaging the remains and are now at work making repairs preparatory to erecting it. Mr. Sargent does not include himself in the "expert" class, but putting up stacks is to him much the same as apple pie to a small boy and he will make just about as good a job of it. For the past few weeks he and his gang have been removing the kilns from the old cement plant here.

Lawn Tennis Court Finished.

Two or three weeks ago we referred to the formation of a lawn tennis club in town, and since then work on the new court at the armory has been going on and the court finished. It is an excellent one and it is probable that we shall see some good tennis played there in the near future. If enough interest is taken it is possible that a couple more courts will be built and a tennis league formed. Some of the local exponents have already placed a chip on their shoulder and are out with a dare for any around these parts who have tennis aspirations. The pair we have heard mentioned are D. C. Town and A.W.H. Lauder who think they are just a little bit better than anything else around here and are willing to prove it if some other couple will please step out. Any others desiring to learn the game, or who are interested in any way will be welcomed as members. For any further information we pass them along to the secretary, Mr. Lauder, who will gladly have them enrolled.

Miss Gladys Douglas returned to Toronto Saturday after spending two months with her mother, Mrs. Robert Douglas.

Lost Young Daughter.

The sympathy of the community goes out to Mr. and Mrs. Bert Ritchie of the Rocky in the loss of their young daughter, Ivy Muriel, who died from blood-poisoning Sunday morning after an illness extending over about six weeks. The little sufferer, who was an unusually bright child, was two years and a half of age, and an only daughter. Two brothers survive. The funeral was held Tuesday afternoon to Durham cemetery, the service being conducted by the family pastor, Rev. Mr. Sillars, of the Dornoch and Rocky Saugeen churches.

Civic Holiday Celebration.

The committee in charge of the Red Cross Civic Holiday Celebration here on the 7th of August have their program pretty well mapped out, and can assure to all who attend a big afternoon's sport. Besides the Kiltie Band from London and the W.F.A. football match between Holstein and Markdale teams, the Elora-Durham lacrosse match will be one other feature that is well worth the price of admission alone. At Elora last Friday afternoon, the citizens of that place paid the Durham team the compliment of being the best team that had appeared there this season, and while Elora won the game with a two-goal lead, they had to work every minute of the play to get it. Elora's team is big and husky, and as both teams are in the running for the O.A.L.A. intermediate honors, the game here Civic Holiday should be a fast one.

Besides the Baby Contest a full program of athletic events will be put on, and good prizes offered.

Miss Agnes MacPhail has consented to be present and will have a word to say to her constituents.

Efforts are also being made to have Premier Drury on the ground, and he, also, will address the gathering.

Word comes from Bentinck that there will be a battle royal for the big silver cup put up for the tug-of-war, and Glenelg will not be far behind when the 7th rolls around. And by the way, this tug-of-war, it is expected will create more interest than any other single sport item on the bill.

Come to Durham on Civic Holiday. There will be something doing every minute.

Besides the afternoon sports, the London Kilties are putting on a big, old-time Scotch concert in the Hall in the evening.

The proceeds of this celebration are being turned over to the Red Cross Society for use in building and equipping the new Memorial Hospital.

DEATH OF JAMES ACHESON

A lengthy notice of the death of James Acheson, who was born near Mono Mills, July 4th, 1850, and died at St. Andreux's Hospital, Bottineau, N.D., on July 6, has been handed in for publication.

The article is from the Westhope Standard, but from a careful perusal we are unable to see anything of a general local interest.

Mr. Acheson spent his early manhood on a farm in Ontario until 1871 when he went to Minnesota and remained for two years when he returned to Canada in 1873 and married Sarah Acheson on December 25 of that year.

In 1879 he went again to Minnesota but moved to Virden, Man., in 1886. In 1890 he went to Bottineau and was followed by his family in 1893. He was one of the largest holders of real estate in the vicinity, a successful and prosperous farmer till hard times struck the country in 1911. He sold out his stock and chattels in the spring of 1919.

He leaves a widow and six children and was a true Christian character. We know nothing of the deceased, nor do we know anything of relatives or friends in this locality.

WON FROM OWEN SOUND

IN N. W. B. A. SEMI-FINAL

Durham Juniors put it over Owen Sound here yesterday 12-11 in the return game of a N.W.B.A. semi-final game. In the first game at Owen Sound last Thursday, Owen Sound defeated them 8-4. The game at Owen Sound, as reported in the papers of that place, and the game here yesterday, was another exhibition of air-tight ball with the exception of a couple of innings in the field, when both teams blew up and let in runs that never should have tallied. While baseball is not what might be called a popular sport here as compared with lacrosse, no one who witnessed the game yesterday could go away feeling other than pleased at the showing the Durham's made against the seasoned Owen Sound players who are "born with a baseball in their hip pocket" that is, if they have hip pockets up in that place when they are ushered into this vale of work and woe. Durham's pitcher, "Pete" Mountain, retired the visitors in one, two, three order the first two innings and in the third inning only one run was scored. The fourth inning only one man got as far as second and the fifth inning saw them go and sit down in the order that they faced him. Owen Sound tallied one run in the sixth, but in the seventh and eighth grabbed off eight runs and tied the score 11-11 when Durham went to bat in their half of the ninth.

Durham scored one run in the second, four in the fourth and seven in the sixth, being held scoreless in the first, third, fifth, seventh and eighth innings. In the ninth, with the game a tie, Muir got a hit to first, stole second and advanced to third on a hit by Dow. Vollett fanned, and Burnett batting for Snell repeated, making two out, with men on second and third bases. Mountain was next to bat, and after winning his own game in the pitching box, it was up to him to bring in the winning run. And he did, with a neat single.

The game was fast and clean, and it is a pity that a bigger crowd was not on hand to see it.

The teams:

Owen Sound (11)—Keeling, ss.; McDonald, cf.; Wilson, 1b; Wright, 1f; Crawford, 3b; Schwan, rf; Mann, 2b; Markle, c; Whinfield, p.

Durham (12)—Moorhead, 1f; Corbett, rf; Young, 1b; Muir, c; Dow, 3b; Vollett, cf; Snell and Burnett, 2b; Mountain, p; McLeod, ss.

Two more home and home games will have to be played to decide this series, but we are not informed as to what dates are set. We would advise the public to watch for the bills and be there to see these two good junior teams perform.

FORMER EGREMONT MAN

BADLY HURT IN AUTO CRASH

A dispatch from Semans, Sask., tells of a serious injury to Mr. S. J. Watson, brother of Messrs. W. R., George A. and Donald Watson of Egremont, and also Mrs. John Andrews of the same township. Mr. Watson was a spectator of the auto races at the Semans Fair when one of the drivers lost control of the car and crashed through the fence and into the crowd, injuring Mr. Watson and another man severely. Mr. Watson's leg was broken and has since been amputated, and the other man, John Lapp had both legs broken. The two racing drivers, T. M. Hyland of Lanigan and John Weixl of Nokomis were not seriously injured. The dispatch says in part:

Roaring down the stretch in the first race of the program, Hyland lost control of his car in the thick dust rising from the dirt track, and plowed through the fence near the entrance gate. Watson and Lapp, directly in his path, were crushed, and the fender of the racing car ground Lapp's leg through the wheel of his own car. It was all over in a second, and neither of the men, who were sitting on the fender of their car, had time to escape.

Hyland, flung to the side when his Ford Special crashed and turned turtle, had two ribs broken and was partly stunned.

Three cars were entered in this race, Hyland, Weixl and Rogers, of Regina. Weixl and Rogers stopped when the accident happened and came to the rescue.

The Cameron Children Concert.

The Cameron children, who will give a concert here on the evening of the second of August, are well spoken of. A recent issue of The Kindred Reporter says: "Those who heard little Miriam and Eben Cameron sing want to do so again. These children are remarkable in their rendering of character songs, possessing sweet, pure voices which some day will attract world-wide attention in the musical world."
