Fall Fashion Display.

You are invited to attend the display of Ladies' Coats, Suits, Dresses, and Skirts, Tuesday and Wednesday of next week, October 24 and 25. These goods are not stocked in the regular way. A demonstrator from the factory will be in attendance and all parties will be able to make exclusive purchases. From ten to twenty per cent. can be saved by purchasing in this manner. Remember the date.—J. & J. Hunter.

A Crowd From Here.

A large number from the Methodist Church here were in attendance at the supper and social in Varney Church on Monday night.

Carried Waterworks By-law.

On Monday Hanover carried a by-law to provide for the expenditure of \$135,000 on the waterworks system. The vote was small, only 170 being for the by-law and 82 against.

Repairing the Streets.

The Town Council has had a gang of men on the streets during the past week, scraping and removing the mud and superfluous dirt. Needless to say, the streets will present a very much neater appearance when the work is completed.

Card of Thanks.

Mr. James B. Park of Allan Park, whose store, dwelling and contents were recently destroyed by fire, wishes to tender sincere thanks to all who rendered assistance at the time.

Received Service Medals.

Mr. Joseph Warmington has received his English and Canadian medals for service in the Great War. His mother, Mrs. James Warmington, has also received the medals of her son, Pte. James Warmington, who was killed in action.

Collingwood's New Traffic By-law.

Collingwood's Town Council has passed a by-law that reads thus: "Every horse-drawn vehicle on any public highway within the limits of the Town of Collingwood, shall, between dusk and dawn, carry one lighted lamp on the front of the vehicle on the left hand side thereof."

Will Canvass for Funds.

The Children's Aid Society will hold their canvass for funds the last week in October, beginning Monday, the 23rd inst. Collectors will call on the citizens of the town. The Society is grateful for the support given in the past, and as the need is urgent trust this appeal will meet with a liberal response.

Twelve Million in 1931.

In an address before the Montreal Women's Liberal Club on Tuesday, Sir Lomer Gouin said the Liberals were going to remain in power for ten years at Ottawa, and at the end of that period there will be a census taken. If we cannot then show a population of from twelve to thirteen millions in Canada it would be ample reason to change the Government.

Voters' List Act Amended.

A change has been made in the Voters' List Act by the Ontario Legislature. After the posting up of the printed list by the Clerk, twenty-one days are now allowed on which to enter appeals, instead of thirty days as formerly. If any errors in the list may appear by the judge to be due to the neglect of the assessor or clerk, the judge may order the said assessor or clerk to pay all costs occasioned by such errors.

Mr. Parker Lost Everything.

Many of our readers will remember Mr. and Mrs. Richard Parker, who left here about twenty years ago to settle in New Ontario, and will regret to learn that he lost everything in the destructive forest fire of two weeks ago. On leaving here he took up land a few miles north of New Liskeard, and a year or two later the country was fire-swept and he lost considerable property, and with his wife and family narrowly escaped with their lives. As many will remember, the Parker family were all fond of music, and were good church workers. In the vicinity of their new home a church was soon erected and what they left here in church work was entered there with equal enthusiasm. In the new country, and under the new conditions, they suffered the hardships of pioneer life, but through thrift and industry they brought up their family and acquired a little property. We believe they were doing well, and to have their property swept away in a few hours is a hardship few people of such advanced years can scarcely hope to overcome. The New Liskeard Speaker, published just after the fire, gives a three-column list of the sufferers and amongst them is the name of Richard Parker of Uno Park, reported to have lost everything, which is explained to mean house, contents, buildings and crop.

Photographs.

Fifteen in the dozen until Christmas.—F. W. Kelsey. 928tf

Male Quartette At Mount Forest.

The male quartette of the Methodist Church attended the Harvest Home Festival at Mount Forest on Tuesday evening, where their singing was enjoyed and enthusiastically encored.

Hallowe'en Social.

The goops will be present at the Presbyterian Church on October 31 (Hallowe'en). Don't miss seeing them. We prefer masked visitors, but come any way you like. A quarter will admit you.

Methodist Church Subscribes \$200.

A subscription in aid of the fire sufferers was taken up in the Methodist Church last Sunday, when about \$200.00 were subscribed. Similar action will follow on Sunday next at the Zion appointment, when it is hoped the fund will be largely increased.

Recovering From Operation.

Mr. John Lloyd, who was operated on Wednesday of last week for appendicitis is recovering nicely and will be able to be around again in the course of a few days. The operation was performed by Dr. D. B. Jamieson.

Muskrat Destroyed Hydro Cable.

The village of Stevensville which is served by hydro from the Niagara system, has been without electricity for two or three days. Workmen who have been searching to find the cause of the trouble, dug down to an underground cable and found that a huge muskrat had chewed the cable to obtain the beeswax that is on the inside and had been electrocuted. The rat and cable are now on display at the Township Hall near Niagara Falls.

Chatsworth Fair, the Best Yet.

Chatsworth had a lively appearance on Friday when the best Fall Fair in the history of the village was held on the agricultural grounds. Every possible parking place was occupied by a car, both sides of the street being literally lined with all makes and conditions of cars. The exhibits are reported the best ever, but lighter than would be in some departments owing to the unfavorable weather conditions of the previous day. There were many visitors from Owen Sound and music during the day was furnished by the Bognoor Highland Pipe Band. The School paraded to the show in a body. Several Owen Sound firms had exhibits. Grafton & Co., Louis Block's Music Store and a number of the garage men had booths which added to the magnitude of the show and attracted considerable attention. The Chatsworth Fair is increasing in popularity every year, being bigger and better than its predecessors.

TWO CASES OF INTEREST ON DOCKET AT HOLSTEIN

Police Magistrate Creasor of Owen Sound was in Holstein Monday and sat on two police court cases in that village.

The first up was a case against a young man named Noonan from near Mount Forest, in which it is alleged that on or about the 21st of September last, Noonan, who was driving a car, was passing Mrs. J. A. Ferguson and daughter, driving a horse and buggy, and that in an attempt to pass on the wrong side of the road he ran into their vehicle, wrecked it, and threw both occupants out, causing bodily injury. Two charges of reckless driving were laid against Noonan, one by the mother and the other by the daughter. After hearing the evidence available, Magistrate Creasor adjourned the case to November 3rd. W. D. Henry of the law firm of Lucas & Henry here, for the plaintiffs; Clark & Moon for the defendants.

The second bill on the docket was a sheep case. It appears that W. M. Groat of Egremont keeps sheep, and a neighbor, W. McPhee, keeps dogs. The dog or dogs got out and killed a sheep belonging to Groat. Though the plaintiff is stated to have made an effort to have the damage settled out of court, he was not successful, and the result was an action to recover the value of the animal destroyed. The case created considerable interest, and we are told there were witnesses galore to prove that both parties were right. After hearing the evidence, which was of a most contradictory nature, the Magistrate found in favor of Groat to the extent of \$15 and costs. Lucas & Henry for plaintiff, Clark & Moon for defendant.

TEACHERS' INSTITUTE MEETING BEST IN HISTORY OF SOCIETY

The annual meeting of South Grey Teachers' Institute was held in Markdale on Thursday and Friday, October 12 and 13.

In point of attendance and importance of subjects discussed, and interest manifested, it ranked with the best ever held in South Grey.

Although Normanby is at the extreme South-western part of the Inspectorate, and Markdale, the place of meeting, at the extreme North-east, yet every teacher in Normanby from country or village was in attendance and several of them took an active part in the program.

Inspector Wright was about the first to arrive at Markdale School the morning of the first day and about the last to leave on Friday evening when the meeting was over. He is by example and by precept a leader among his teachers.

Mr. Thomas Allan was also present through every session and helped very much to make this meeting a success, as also did Mr. J. A. Magee of Hanover. These two gentlemen are old Model School principals and no South Grey Teachers' Institute could be a failure with the three above-mentioned in attendance.

Mr. J. R. Seavey of Hamilton Normal School gave two excellent addresses—(a) Class-room Hints on Teaching Drawing and Color; (b) The Spirit of the North. A hearty vote of appreciation was given to Mr. Seavey.

Miss Mildred Leeson, Ayton, gave a delightful account of her vacation trip to Europe this summer, and Miss Charlotte M. Weinert of Ayton, and Mr. W. J. Messenger of Markdale spoke of the beauty and natural resources of our own Northern Ontario, which they visited during last summer with about 160 other teachers.

Mr. T. S. Cooper, Agricultural Representative for Grey County, spoke about "Agriculture in Our Elementary Schools," and Dr. L. G. Campbell of Markdale dealt with "Mouth-health As a Factor in Education." Both gave good ideas in their respective lines.

Miss Mabel Leitmeyer, Hanover, showed how "Entrance Literature" should be taken up, and Mr. Harold Ermel of Neustadt led in a discussion of "Promotion Examinations," advising that the standard be raised in South Grey.

Inspector Wright handled the question of "Young Teachers and Their Difficulties" and gave many words of guidance and advice which will be helpful to old and young teachers.

At the conclusion of Thursday afternoon session at 4 p.m. there were about twenty autos with drivers up at the School to give the teachers a ride along the Provincial Highway to Flesherton, and thence up to Eugenia Falls and the Hydro power plant.

On their return they were brought to the Methodist Church, where the ladies of Markdale provided a bountiful supper for the teachers and officials of the town.

Rev. F. Bowes acted as toastmaster and addresses of welcome were given by the teachers by Mr. J. A. McArthur, Reeve, Dr. Angus Ego and Mr. H. Shaw, on behalf of the High and Public school boards, and by Mr. A. S. Morrison, principal of the High school.

Inspector Wright aptly replied on behalf of the teachers, who passed hearty votes of thanks to (a) the people of Markdale for their kindness to the teachers, who were billeted in the hotels and in the homes; (b) to the people of Markdale who provided an auto trip to Eugenia; (c) to all who assisted in any way to make their stay pleasant in Markdale. Much of the credit of the excellent arrangements is due to Principal Messenger of the Public school and his staff.

The Nominating Committee brought in their report on Friday at 1.30 p.m., and it was unanimously adopted.

The Officers for 1922-1923 are: President, Harold Ermel, Neustadt; Vice-President, Miss B. Davidson, Holstein; Secretary-Treasurer, John A. Graham, Durham. Managing Committee: Harold Ermel, Neustadt; Miss Charlotte M. Weinert, Neustadt; J. A. Graham, Durham.

Committee on Resolutions: J. A. Magee, Hanover; Miss Mildred Leeson, Ayton; E. A. Ruttle, Dundalk. Delegates to O.E.A., Easter 1923: J. A. Graham, Durham; W. J. Messenger, Markdale.

Auditors: Miss Annie C. MacKenzie, Miss Mary E. Morton. The next place of meeting is to be decided by the Managing Committee

in time for next annual meeting.

It was one of the best Teachers' Institutes ever held in South Grey. The attendance and interest were particularly good. Proceedings were brought to a close at 3.45 p.m. Friday by the singing of the National Anthem.

VARNEY ANNIVERSARY SERVICE DREW BIG CROWDS SUNDAY

Anniversary services in connection with Varney Methodist Church were held on Sunday last, followed by a fowl supper on Monday evening. Both Sunday services were conducted by the Rev. G. S. Scott, Presbyterian minister of Holstein, when excellent and appropriate sermons were delivered to large and appreciative audiences.

On Monday evening a fowl supper was served and the attendance was so large that, we learn, some were unable to gain admission. The edibles in every line were the best to be obtained, and those who were fortunate enough to participate in the function enjoyed themselves to the fullest extent. The good people of Varney are noted for the excellence of their suppers and entertainments and seldom fail in securing the patronage they deserve.

After the refreshments, all were treated to a fine musical and literary program, consisting of a couple of choruses by the choir, two duets by Misses Elsie Boyd and Adeline Graham of Durham, followed by encores; four well-received selections by Master Eben Cameron, who was also encored; an admirable quartette by the Bell family; a trio by Rev. Mr. West and Messrs. Thorn and Burrows of Holstein, accompanied by Miss Rosie West; a recitation by Mrs. (Rev.) Cole of Durham, and suitable addresses by Revs. Cole and Cameron of Durham Methodist and Baptist church, respectively.

The chair was ably occupied by the pastor, Rev. Mr. West, who had excellent order inside, but we regret to learn there was a rowdy element outside who caused a lot of annoyance. On more than one occasion formerly, similar complaints have been made and the offenders were said to be from outside places. We hope the Durham and Holstein boys have too much respect for themselves to be guilty of such misconduct.

The proceeds of the services amounted to over \$70.00, and, singular to say, the Sunday collections at each service were the same to a cent.

ANGLICAN HARVEST FESTIVAL WAS WELL ATTENDED

On Friday night the first of a series of Harvest Festivals was held in Trinity Church, when a community service was held and a full house listened with interest to a refreshing sermon delivered by the Rev. Archdeacon Fotheringham, M.A., D.D., of Brantford. Taking his text from the words, "Happy are the people whose God is the Lord," he emphasized material wealth and educational facilities imbued with moral tendencies as factors in making a great and a happy people. But material prosperity is only a minor part and a nation to be truly great and happy is under the necessity of a consciousness of God possessed by the individual.

The address was forceful and the applications clear and easily understood by the audience.

The Sunday services were taken by the Rev. N. H. Nicholson, Rector of Chatsworth Anglican Church. Mr. Nicholson preached two strong sermons and was listened to by large congregations on both occasion who were much impressed by his utterances. The work at Chatsworth for the day was taken by the Rev. F. G. Hardy of this place.

Tomorrow night, from 6 to 8 p. m. a fowl supper will be served in the Town Hall, after which a program will be given.

The Harvest Festival services this year have been very successful, the attendance being good at all gatherings and the offerings better than usual.

Liked Male Quartette.

Referring to the Methodist male quartette, which appeared at the Mt. Forest fowl supper on Tuesday evening, the Confederate says: "The Durham Methodist male quartette also gave several very pleasing numbers, with Mrs. (Rev.) Cole as accompanist, and Rev. Mr. Cole of Durham gave a brief but interesting address."

With these long skirts, the flapper has something to flap.

John J. Butler of New York was killed while shaking a rug. Show this to your wife.

The latest U. S. gun is said to have a range of 26 miles. Hardly enough to reach the Dardanelles.
