I'll bet that not a soul Had ever washed a darling face,

For they were black as coal. It surely hurts the gentle cows To have the milk pulled out; And eggs are hunted in the mows While poor hens weep about. When we got home, dear Ethel sat

### EGREMONT YOUNG MAN

ON SUSPENDED SENTENCE

On the 21st of September an accident occurred on Garafraxa Road, a short distance this side of Mount Forest, when a buggy driven by Miss Ferguson of Egremont was run into by Mr. Noonan, a farmer, who ran into it with a Ford car from behind. An adjourned case was disposed of Monday at Holstein, when Noonan was ordered to pay \$300.00 and costs.

Miss Ferguson was accompanied by her mother at the time of the accident, when both were thrown out. The buggy was smashed beyond repair, the harness damaged and the horse brought to a standstill after

running into a hydro pole. It seems that Mrs. and Miss Ferguson were driving north when the car came up from behind. Noonan says he blew his horn twice and the driver seemed to pay no attention. On reaching the buggy he claims they were on the left side of the road and on the suggestion of Frank Young, a companion in the auto, he undertook to pass on the right, when the car struck the right hind wheel of the buggy.

Mrs. Ferguson and daughter claim they did not hear a signal from the car, though they knew there was one coming. They claim also that they pulled out to the right, leaving plenty of room for the car to pass. In the fall Mrs. Ferguson had bones broken and was otherwise injured, but is recovering.

As Noonan settled on the civil case he was allowed off on suspended sentence on the criminal charge. Noonan endeavored to settle the case out of court but failed to come to an agreement with the plaintiff.

W. D. Henry of Markdale acted a counsel for plaintiff and Mr. Clark o Mount Forest for the defendant Crown Attorney Dyre and Police Magistrate Creasor of Owen Sound were present.
