

CRIPPLED BY RHEUMATISM

Began to Improve After Taking "Fruit-a-tives"

The Medicine Made From Fruit

You can get rid of Rheumatism. You can be free of pain—of swollen hands and feet—of aching arms, legs and back.

"Fruit-a-tives" will drive the cause of Rheumatism out of the system and give you permanent relief.

"For over three years, I was confined to bed with Rheumatism. Finally I decided to try 'Fruit-a-tives'. Before using half a box, I noticed improvement. I continued taking 'Fruit-a-tives' improving all the time. I can now walk about two miles and do chores around the place."

CGOWAN

Durham, Ont.

DURHAM'S NEW COUNCIL STARTED YEAR'S WORK

(Continued from page 1.)

to retrench in its expenditure if it hoped to escape a 55-mill rate, and he thought they should start at once with the constable's position. Councillor Bell took exception to this statement and said that when the town was without a constable, the by-laws were openly broken, drunk men were common on the streets and he for one was not willing to sacrifice the morals of the town for the sake of a constable's salary. It was here that Councillor Macdonald pointed out that towns the size of Durham were compelled by law to have a constable, no matter what their own opinions might be. Being unable to counter on the flow of oratory directed against him, and not being able to get a seconder to his motion to abolish the position, the name of H. Falconer was inserted in the by-law, when, in a somewhat sarcastic tone, the Reeve suggested that they also appoint an assistant.

Mr. W. Lake appeared for the Citizens' Band, requesting extra nights for the band to be allowed to practice in the Town Hall. The Band is doing well, they have a good leader, have a number of beginners, and want to get whipped into shape for the spring months. It took the Council about thirty seconds to give the Band the necessary permission to use the Hall for two nights a week. They would have got it had they said four.

The Committee appointed in the morning to strike the Standing Committees for the year presented their report, and the final result is given elsewhere in this issue.

Councillor Macdonald laid a few suggestions on the table re the condition of the fire-fighting service of the town which he went into very thoroughly, with the result that the complaint will be looked into.

Reeve Calder took up the question of waterworks and suggested that a committee wait on Mr. Snell and see what he intended to do in the matter and when. To Councillor McQueen, who asked what would be done for the serving of Upper Town with water, Mr. Calder suggested a cheap pumping station of some kind on which he was not very explicit, but got himself out of it by stating that he did not think there were twenty-five people in Upper Town who would take the service, anyway.

Evidently Mayor Smith did not appreciate Durham's Sir Johnstone Forbes-Robertsons in the making, for he suggested that some one make a motion to stop this useless talking and get down to business. Councillor McFadden was also, apparently, of the same opinion, for he said it was his opinion that the Council had strayed a long way from the matter in hand—the fixing of the water tanks—and that it would be advisable to stay at the one job until it was completed.

The Mayor, Reeve and Councillor Hunter were appointed a committee to wait on Mr. Snell.

Rev. W. H. Smith was re-appointed member of the Library Board, and Mr. John Morrison was reappointed on the Trustee Board of the High school.

Mr. Calder then started in on the Jackson plant re-opening, and asked the conditions on which the Council would allow the plant to be taken over. To this the Council replied that they thought it was in line for Mr. Calder to submit any proposition he had to make. Mayor Smith stating that until some definite plan was submitted he couldn't see that the Council could do anything. He could say, however, for himself, that if any reasonable proposition was laid before the Council, it would certainly get serious consideration. In this he was backed up by other members of the Council.

Mr. Calder then laid a plan before the Council that a company which he had in mind would be willing to take up the Jackson plant on the same terms as the Jackson company got it. They would not, however, pay any back debentures—the town would have to lose these—but they would take up the remaining ones as they fell due. The company would give the town a first mortgage on all the holdings of the company, including any new machinery or material that might be purchased, and would take up the Jackson agreement as to the number of men employed, pay the insurance and school taxes. Mayor Smith thanked the Reeve for his statement and said that now the Council had something definite before them they could go ahead and do business. Mr. Calder said he didn't care who started the Jackson building so long as it was started. He said that he had thrown this challenge to Mr. Allan on the platform and had Mr. Allan accepted it he (Mr. Calder) would not now be in the Reeve's chair. To this latter statement, the Mayor requested

Mr. Calder to keep on talking business—not election talk. On the suggestion of a member of the Council that Mr. Calder put his statement in writing. The Reeve said that this would be done. He stated definitely that the company was prepared to take up the 1924 debentures, and furnish the town with the proper security, but would give no bond.

Mr. Calder further stated that if, in a month or so, the Council thought the new company was not going ahead fast enough, and some other opportunity presented itself, it would be right and proper for the Council to hand it over to the party that was apparently the better able to carry out its contract.

This was the last order of business on the table and the Council adjourned.

HOMUTH'S ELECTION VOID

Karl Homuth, who ran on the U.F.O.-Labor ticket, was unseated as the member for South Waterloo in the Provincial Legislature, by a judgment given Tuesday at Osgoode Hall by Justices Kelly and Masten. They voided the election owing to certain irregularities, but do not find corrupt intent and, therefore, do not disqualify him from seeking re-election. The petition against the validity of the election was made by Arthur W. Mercer, the Conservative candidate, and a by-election will follow.

The court found that 21 persons had voted illegally, some of whom cast a ballot whose names were not on the list, and others, though on the list, had not been residents for three months immediately preceding election day. The court found that such were not correct practices within the meaning of the Act, but as Homuth was elected by 15 votes only, the throwing out of the 21 irregular votes unseated him automatically.

There were other irregularities, but nothing to merit a charge of corruption against the candidate. He may run again in the by-election to follow, and sympathy under the circumstances may result in his election.

Charged With Stealing Poultry.

Mrs. M. Wiley of Tara, wife of an Arran Township farmer, appeared in police court recently charged with the theft of poultry from her brother-in-law. She was sent up for trial and the case will be heard before a jury at the general sessions at Walkerton in June.

PROHIBITION AND TOURISTS

"Whatever we may think of prohibition, it evidently is not driving away the summer tourists," said Mr. Leon Frazer, secretary of the Trent Waterways Development Association, in his address to the Board of Trade at the November meeting, after quoting figures to show that more than twice as much money is being brought into Ontario by the automobiles from the United States as into Quebec. He might have added that the ratio in favor of this province has increased very rapidly in recent years.

FATHER WILL BE LASHED FOR HEINOUS CRIME

Two years' imprisonment in the Prison Farm at Guelph, with five lashes to be inflicted when he enters the institution, and five more a month before he is discharged, was the sentence imposed on Charles Willison, an Aylmer man, charged with a serious offence against his daughter, a girl not quite fifteen years of age. He told the court officials that the liquor he had purchased from an Aylmer man made a beast of him.

All Right, But—

"Miss Pounder," said the manager, "you are a very handsome young woman."

"Oh," said the typist, blushing.

"You dress neatly, and you have a well-modulated voice. I might add that your department is also above reproach."

"You shouldn't pay me so many compliments," she said.

"Oh, that's all right," said the manager. "I merely want to put you in a cheerful frame of mind before taking up the matter of your punctuation and spelling."—Chicago News.

Yes, He's Not Present.

A feminine voice over the telephone:

"Hello, the club! Is my husband there? Not there, you say? But wait—I haven't told you my name."

"Say, lady, there ain't anybody's husband here never!" was the ducky's reply.

This is the time of year when a New Year's resolution goes into the same class as a pre-election promise.—St. Catharines Standard.

The correspondents in the vicinity of Old King Tut's tomb cannot be accused of "lying down on the job."—Hamilton Spectator.

Flesherton.

(Our own correspondent.)

The members of Ceylon Farmers' Club and their families spent an enjoyable and profitable time at a social evening held in the High school here on the 4th inst. The President, Mr. Thomas Sled, presided. A part of the program was a report of the recent U.F.O. convention, and an address by Miss Agnes McPhail, M.P. Later, in the science room, Principal Carroll gave an interesting talk with demonstrations of accurate milk testing. On the screen, types of dairy and beef cows were shown and information given on how to know the profitable animal. Refreshments were served and all enjoyed the evening together.

At the annual meeting of Artemesia L.O.L. held here on Tuesday afternoon last week, the following officers were elected: W.M., C.J. Bellamy, Flesherton; I.P.M., Jas. Beattie, Orange Valley; D.M., John Davis, Vandeleur; Chaplain, Rev. A. Richardson, Markdale; Rec. Sec., G. W. Littlejohns, Orange Valley; Fin. Sec., J. E. McKee, Orange Valley; Treas., Samuel Sherson, Proton Station; D. of C., G. H. Cairns, Ceylon; Lecturers, Harold Lever, W. Alex, Orange Valley; Committee, the W.M., and Masters of the primary lodges; Auditors, Joseph Blekeley, Henry Down. At the conclusion of business luncheon was served and all enjoyed the social hour.

Mr. Alex. Findlay, who moved from his farm near this village two weeks ago has, we learn, completed the purchase of an apartment house on Quebec avenue, for \$27,000. The property has a frontage of 34 feet, is three stories high and contains six suites. Mr. Findlay will employ his time looking after the apartment.

A real estate deal was completed here a few days ago when Mr. Samuel Osborne of Maxwell purchased a fine building lot on Toronto street from Mr. G. B. Welton and will build a neat residence thereon. Mr. Osborne is giving up business and will retire here.

A meeting of the representatives of the Farmers' Clubs at Ceylon, Eugenia and Osprey was held here recently. An organization named the Artemesia and Osprey Live Stock Shipping Association was formed with officers as follows: President, Thos. Sled; Vice-president, Edgar Betts; Secy.-Treas., Alex. Cameron; Directors, James Ferris, W. T. Genoe, Garnet Magee.

Flesherton has suffered the loss of another highly-respected resident in the person of Mr. Joseph H. Clinton, who died at his home here on the first of our Monday morning, after only a week's illness with pneumonia. Dr. Turnbull and Nurse

Wilson did all they could to save him but his vitality was low and the malady could not be overcome. The deceased, who was in his 71st year, was born in Hope Township, County of Durham, from where in his second year he was brought by his parents, the late Mr. and Mrs. John Clinton, to Osprey Township, where he grew to manhood, and after helping to clear the old homestead farm commenced farming for himself. In 1901 he was married to Mrs. T. Brownridge of Osprey, and the following year the esteemed couple settled here and were good citizens. Mrs. Clinton, who was very active in Christian work, was greatly missed. Mr. Clinton is survived by three brothers and three sisters: John, at Edmonton; William and Wesley, Toronto; Mrs. Joseph Gamey, Toronto; Mrs. R. D. Meldrum, near Flesherton, and sister, Miss Bella Clinton, who is an invalid and resides with her. All but the latter and John are here for the funeral, which takes place to Flesherton cemetery this Tuesday afternoon, when service will be held in the Methodist church, conducted by Rev. H. H. Eaton. The deceased was a lifelong Methodist and in politics was a Conservative.

Mrs. (Dr.) Murray gave her Sunday school class a leap year skating party on the rink on Friday evening last. About fifteen couples were present and after skating the company was entertained at the home of Mrs. Murray and, with music and games, a jolly time was spent.

Editor and Mrs. W. H. Thurston, who have been for 35 years highly esteemed citizens here, celebrated the 40th anniversary of their wedding day on Monday and were the subjects of congratulations from their family and friends. Their son, Editor A. S. Thurston of Meaford, and daughter, Mrs. Durrant and children of Mitchell, were week-end visitors at the parental home, together with Mr. and Mrs. Frank Thurston of town, who, by the way, celebrated the first anniversary of their wedding day on Friday last. We offer very hearty congratulations to all. Mr. Thurston purchased The Flesherton Advance 35 years ago and has succeeded. With his well-equipped office and son Frank now associated with him, the paper is going strong.

At the Women's Institute meeting last week at the home of Mrs. W. Inkster, over 30 ladies were present, and after business a very pleasant social time was spent. The next meeting will be at the home of Mr. Hieking, when gentlemen will be invited to take part in discussing an important matter.

Miss Lavina Watson, daughter of Mr. and Mrs. Joseph Watson of Mt.

Zion, Artemesia, passed away on Monday with heart failure, but we have not received other particulars.

At the Presbyterian church on Sunday the postponed special communion was dispensed. There was a good attendance and the sacrament the first administered by the new pastor, was impressive. Two new members were received.

Mr. Robert Sharp, east of the village, had an auction sale of his stock, implements, etc., on Friday last. Mr. Sharp intends going to Toronto for the winter. Mrs. Sharp, Sr., we learn, purposes visiting her daughter at Meaford.

Mr. and Mrs. J. Inkster of Lushland, Sask., are visiting the former's brother, Mr. W. Inkster, and family, in town.

Mrs. (Rev.) Eaton returned on Monday from three weeks' visit with her parents in Toronto.

Mr. Fred Stuart is on a stock-buying trip up in New Ontario.

Mrs. McKinnon has returned from visiting in Toronto.

Mrs. W. J. Meads is visiting her daughter in Toronto.

The hockey boys here played a match at Dundalk on Thursday last but lost in the game, which was not very fast.

Rev. Mr. Eaton conducted special meetings at Inistioge last week and travelled well with his auto sled car

on which some new improvements have been made by the mechanic at the Down garage. The mechanic at the McTavish garage has also added some new invention to their auto sled, which is said to render splendid service. Apparently snow will soon be but little dreaded.

THE RULING PASSION

He owned a handsome touring car To ride in it was heaven.
He ran across some broken glass— Bill, \$14.97.

He took some friends out for a ride— 'Twas good to be alive.
The carburetor threw a fit— Bill, \$20.85.

He started on a little tour.
The finest sort of fun.
He stopped too quick and stripped his gears— Bill, \$90.61.

He took his wife downtown to shop,
To save carfare was great;
He jammed into a lamp-post— Bill, \$268.

He spent about all that he had,
And then in anguish cried:
"I'll put a mortgage on the house
And take just one more ride."

FARM LABOR

Farmers requiring help for the spring season or year 1924 are requested to apply at once to H. A. Macdonald, Director of Colonization and Immigration, Parliament Buildings, Toronto, Ontario, or to the Agricultural Representative of the County in which they reside.

Applicants should state whether they require experienced, partly experienced or inexperienced single men, or experienced married men with or without families, length of time services will be required and rate of wages.

Applications will be filled as far as possible in the order in which they are received, preference given yearly engagements.

By authority of The Honourable John S. Martin,
Minister of Agriculture.

T. Stewart Cooper, Agricultural Representative.
