Flesherton.

(Our own correspondent.)
After a protracted illness from a paralytic stroke Mr. Charles Turner, a well-known and highly respected old resident of Artemesia, passed away at his late home near Eugenia on Monday, March 3, aged 77 years. Mr. Turner was a native of Lincolnshire, England, from where, at 21 years of age, he came to Canada and lived for 12 years in York County, near Toronto. He then came to Artemesia and settled on the 12th Concession where the past 45 years were spent. In religion, he was a Presbyterian, a member of the church at Eugenia. Mr. Turner was married 49 years ago to Miss Ann Gordon of York Township, who survives him with two sons and three daughters, Charles E., at home; William G., at Kimberley; Mrs. John McGruther, of Orange, N. J.; Mrs. George Benson, Eugenia; Miss Betsy Turner, at home. He also leaves one brother, J. H. Turner, at Paisley, present at the funeral, and one sister, Mrs. Cryer of Haviland, Ohio. The funeral took place to Flesherton cemetery on Thursday afternoon last, Rev. H. H. Eaton officiating in the absence of Rev. Mr. Harrower by illness.

Mrs. John Rutherford, a very highly esteemed woman and a former resident of Artemesia and Proton, died at her late home at Mansfield, Mulmur Township, on February 28, after only three weeks' illness. The deceased, whose maiden name was Harriet Cornfield, was the third daughter of the late Mr. and Mrs. James Cornfield of Mount Zion, Artemesia, where she was born in 1836. In 1875 she was married to her surviving husband and lived 17 years in Proton, then moved to Mulmur, spent Mrs. Rutherford was the mother of ten children, four of whom survive: James E., on the homestead; George, Joseph, and Mrs. Part, in Toronto. She also leaves three sisters and two brothers, Mrs. Elizabeth Barron of Kerwin, Kansas, Mrs. Nellie Wilson and Mrs. Robert Haney of Toronto, Mr. James Cornfield at Mount Zion, Artemesia, and Joseph A., in Toronto. Mrs. Rutherford was a consistent member and active worker in the Methodist church. She was a devoted wife and mother, beloved in her home and by a large circle of friends who sympathize with the bereaved ones in their loss. The funeral took place to Jennings church cemetery, the family pastor, R. K. Burnside, conducting the services. A very sad feature was that Mr. Rutherford was too ill to attend the funeral, having been for several weeks confined to his bed.

Two hockey matches were played on the rink here on Thursday evening last, at which there was a good crowd, but the score was one-sided. The first game was between the High school girls of Markdale and Flesherton schools and the second between Markdale and Flesherton junior boys. The visitors won in both games by 6-0 and 12-1.
Rev. C. Adams, Chaplain of the Navy League of Canada, paid the High school a visit one day last week and gave an interesting address on the work the League is doing for the seamen, their widows and children.
About 100 were present at the High school on Friday evening last when the last meeting for the present of the milk-testing class conducted by Principal Carroll was held. Deep interest has been taken in the classes and the free instructions given by Mr. Carroll who has rendered a real service to the community. On this occasion, after instruction in milk-testing and rope-splicing, community games were engaged in and an enjoyable time was spent. Photo-

graphs of the company and milk testing apparatus were taken by Photographer Hawken, from whom they may be procured.

The following are the delegates from this place and vicinity to the Orange Grand Lodge of Ontario West meeting at Brantford this week: C. J. Bellamy, Flesherton, representing the District Lodge; F. W. Duncan, from L.O.L. 2855, Flesherton; G. W. Littlejohns, from Scarlet Chapter of Artemesia; W. Alcox, L.O.L. 509, Orange Valley; E. Walker, Artemesia, the County Lodge, and T. Conron, Feversham, the Back Preceptory.

Rev. J. Harrower was again able to take his work in the Presbyterian church on Sunday after two weeks' illness with la grippe. Mr. Fred Irwin drove him to Eugenia and Proton.

Mrs. George Mitchell has been very ill for a few days with bronchitis and pneumonia, but in the hands of Dr. Bibby and Nurse Wilson, slight improvement is reported. Miss Lulu Mitchell, teacher, Toronto, was home over the week-end visiting her mother.

Mr. and Mrs. Henry Down are moving this week to Mrs. George Johnston's residence near the Baptist church. Mrs. Johnston, who lost her husband recently, has moved to the home of her son, William, on the old homestead, Toronto Line.

The friends here of Mr. E. N. Jamieson of Owen Sound, a Flesherton boy, are pleased to see the success he is meeting with in the management of the junior hockey team of Owen Sound, which has been winning laurels for the city.

The W.M.S. of the Presbyterian church here observed the appointed day of prayer on Friday last by a prayer service in the church, conducted by the President, Mrs. J. J. Thompson.

The bachelors and benedicts of the Methodist church, Woodbridge, of which Rev. Dr. George S. Smith, a former Flesherton boy, is pastor, had a very successful concert a few evenings ago at which the program was mostly given by former Flesh-

erton talent, now in Toronto, viz., Dr. F. W. Murray, Dr. R. H. Henderson and Mrs. Henderson, Mr. R. N. Cornfield and Miss Gladys Cornfield, who were assisted by Mr. Freeston, Mr. Isaacs and Miss Bell of the city. Dr. Smith spoke warm words of appreciation of the music given and the pleasure it was to have the friends from his native village visit them. The visitors were royally entertained and had an enjoyable outing.

Congratulations from Flesherton to Mr. and Mrs. Charlie Jamieson of Owen Sound on the birth of a daughter last week.

A large company of neighbors and friends on the Toronto Line visited the home of Mr. and Mrs. G. W. Littlejohns on Wednesday evening last week and spent a very enjoyable time.

Mr. Milton Bannon, who has been ill for some time, returned from the Fergus Hospital last week and his friends here were pleased to see him able to be in the village on Monday. Mr. Thomas Sled was in Owen Sd. last week serving on the jury.

Mrs. Mark Wilson is spending a couple of weeks with friends in Toronto.

Mr. Stewart McTavish of the Bank of Montreal, Markdale, who was at his home here on his holidays, is now holidaying at Windsor and Detroit.

Mrs. Welton of Mount Forest is visiting her son, Mr. G. B. Welton and family here.

Miss Tena Henderson visited over the week-end at Dundalk.

Miss Rene Cargoe, who has been at her home here on a holiday for some time, returned to her former position in Toronto this week.

Miss Allie Norris is going to Toronto this week to visit relatives.

Mrs. Earl Jenkins of Toronto is visiting her sister, Mrs. Frank Thurston.

The home of Mr. and Mrs. J. A. Lever was the scene of a pleasant social event on Monday evening when a large company of friends invaded their home and spent the ev-

ening with them.
Mr. Frank Thurston, who has been confined to his home with a badly cut foot, was last week forced to his bed with an attack of la grippe, but is recovering.

Mr. and Mrs. Henry Down attended the funeral of the latter's uncle, Mr. Alex. Fawcett, at Kimberley, last week. Mr. Fawcett, who had reached the ripe age of 91 years, was one of the pioneer settlers at Kimberley.

Mr. Fred Stuart returned the end of the week from a two weeks' business trip up North, where he sold a bunch of 17 horses.

Mr. W. W. Trimble, postmaster, is on a holiday this week, joining Mrs. Trimble visiting their daughter, Mrs. Hodgson, at Islington.

Mr. and Mrs. John Warling, esteemed old residents of Artemesia, celebrated the 54th anniversary of their wedding day on March 2. Their son and family, and Mr. W. H. Hemphill and sisters, here, and Mr. S. Hemphill and family of Ceylon, joined in this celebration.

Two good hockey matches were played in the rink here on Monday evening between Eugenia and Flesherton teams, and Proton Juniors and

Flesherton High school. In the first match the score was 312 in favor of Flesherton, and in the second the Proton boys were the winners, 6-4.

ARE GOALS HARDER TO GATHER NOW THAN IN FORMER YEARS?
(Hamilton Spectator.)

One thing noticeable in the professional hockey games of to-day is that the scores are not as large as in years gone by and one has only to look in the window at Dixon's sporting goods store to realize why. Corbett Denney struck the happy thought of illustrating the reason, and he has a stick which Percy LeSueur used for five years when he was with the Ottawas and other teams. It is about the same size as the sticks the forwards use to-day, and looks rather ancient when placed alongside the sticks which are used by the goalies of the present. Five years is a long time for a player to use a stick, and if it could talk, some interesting tales of famous games in the days gone by would be unfolded. It was used in several Stanley cup battles, and also saw service in the memorial game to Hod Stuart, in which many notables

of that day figured. A full-sized photograph of LeSueur in the uniform he wore 15 years ago, shows that the goalkeepers of the olden days did not don nearly as much paraphernalia in the way of pads and protectors as the present-day goalkeepers wear, so that there is little wonder that the scores are not as large as they were some years back.

Getting More Out of Your Farm

If you could increase your production a little and reduce your expenses even slightly, it might mean the difference between a fair living and failure in some seasons.

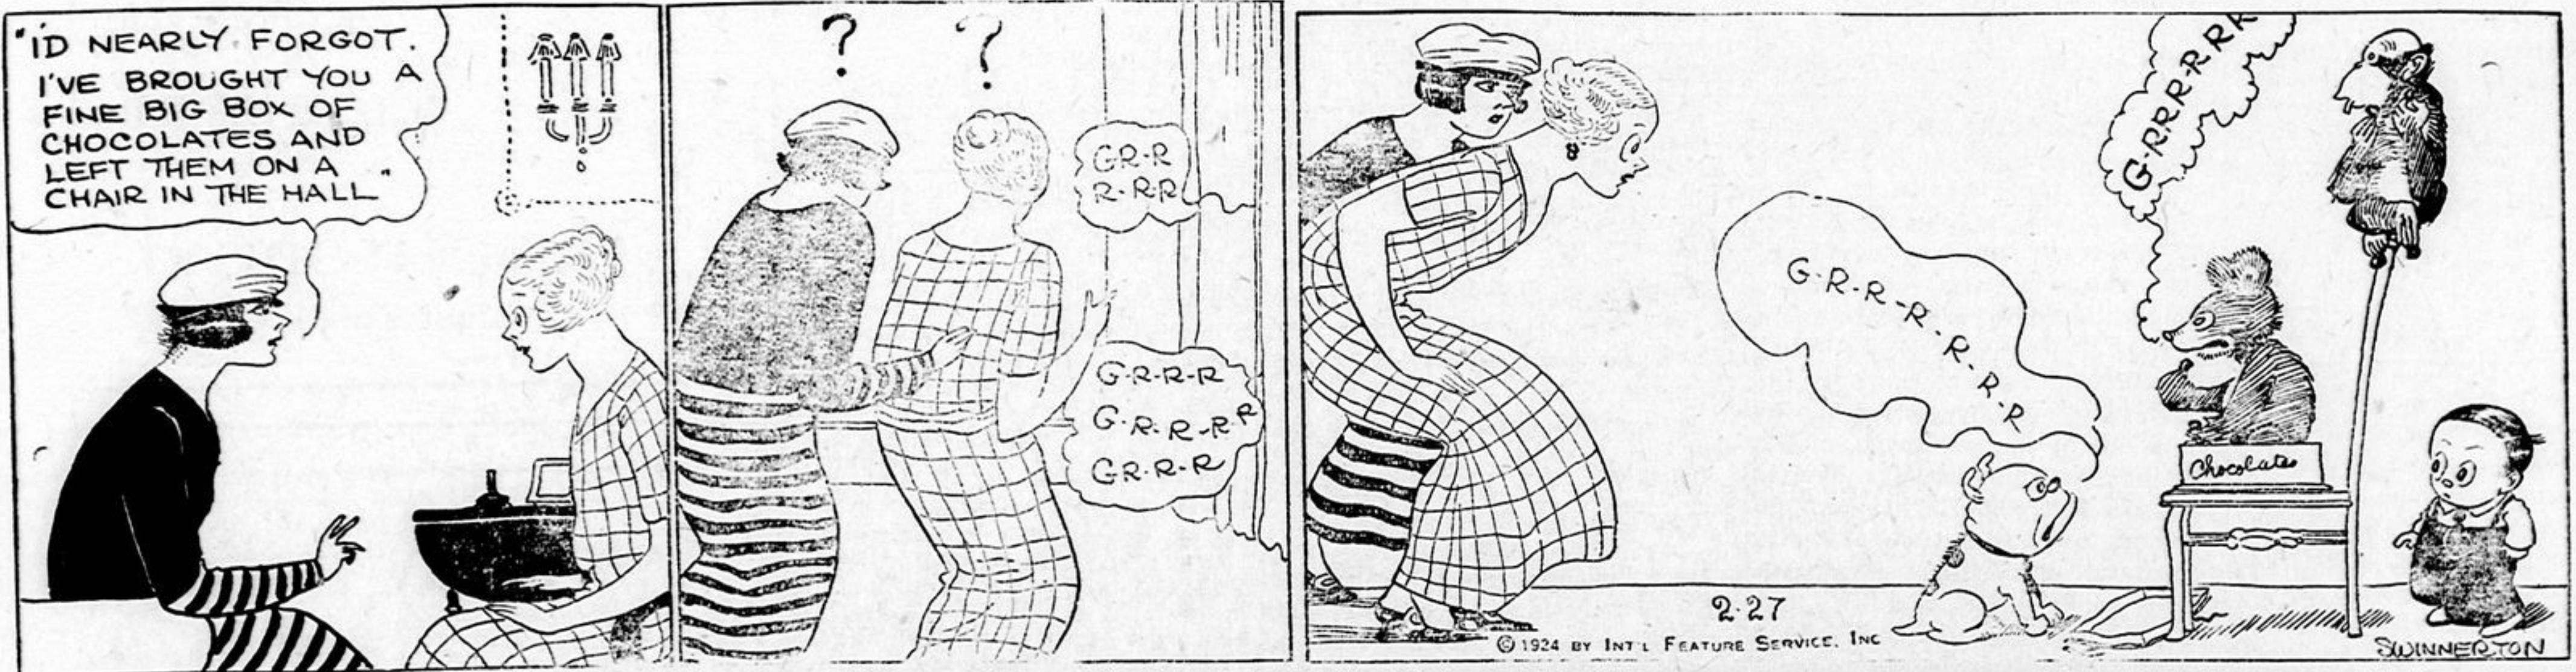

Sheep, poultry, hogs, and a regular "milk cheque" have saved the day for many a farmer when his crops have failed.

Shelters from the heat, rain or snow for your live stock and protection from the weather for your outbuildings, machinery and implements, will minimize your losses and reduce your yearly repair bills by many a dollar.
