

WON HIGH HONORS AT UNIVERSITY OF SASKATCHEWAN

Son of Former Residents Here, Mr. Walter E. Tucker of Saskatoon, is Most Distinguished Graduate.

A recent issue of The Saskatoon Daily Star to hand contains an account of the success at the University of Saskatchewan of Mr. Walter E. Tucker, formerly of St. Paul's neighborhood, in Egremont. Mr. Tucker is a nephew of the late Robert Heathwhite, formerly of this town, and also of Mr. James Tucker in Egremont.

The young man, who is a brilliant student, was awarded the Governor-General's Gold Medal for being the most distinguished graduate of the year. He was also awarded an L.L.B. degree with great distinction and the Wolmer scholarship. Mr. Tucker received the degree of B.A. at Manitoba University in 1917 and in the same month left for overseas. He was demobilized in 1919 and entered a law school at the University of Saskatchewan the same fall. While at the Manitoba University he received a gold medal for proficiency in modern languages and also a medal for oratory.

Another ex-Egremont boy in the West who is making good in his studies is Mr. Howard Mead, son of Mr. and Mrs. Robert Mead, formerly of Egremont, and a brother of Mr. Earl Mead, now residing in the old Mead homestead in Egremont. This bright young student was successful in passing his first year examination in Art at the same university.

BOB MOORHEAD'S REVUE WILL BE A GOOD ONE

The Bob Moorhead minstrel show referred to in our last issue is a good one. If it wasn't Bob says he wouldn't dare face his own home town and show it of its kind. With a cast of 30 performers and six funny end-men, Friday of next week will be the big day of the 1924 show season for Durham, so to speak. With this minstrel show, comes the Palmerston Band, which will give a few selections before the show opens. There's just one other little thing too, that Bob has mentioned. On top of the best minstrel show on earth, he says he has unatched the best dance orchestra in North America, and he doesn't bar Paul Whiteman's either, when he says it. It will have two saxophones, a violin, traps, a piano, and other instruments, and will play a full sixteen-course dance program immediately after the show is over and the band has been cleared. Of course, this will be extra, but the dance and the music will be well worth the extra admission. We predict a full hall a week from to-morrow night when the Palmerston minstrels come to town.

LOCAL HOSPITAL PATIENTS ARE ALL DOING WELL

Serious Cases Progressing Satisfactorily, and All Other Inmates Reported Progressing Favorably.

The patients in the local Red Cross Memorial Hospital are all in a most satisfactory condition and doing well is the latest information received by The Chronicle this Thursday morning.

The death of Mrs. Thomas Nichol on Tuesday was regretted, but from the first the condition of the patient, who was suffering from paralysis, was considered anything but hopeful.

Last Thursday an operation for appendicitis was performed on Jean Atkinson, the ten-year-old daughter of Mr. and Mrs. W. J. Atkinson. The case was a most serious one and at the first the surgeon, Dr. D. B. Jamieson, had but small hope for her recovery. At present, however, the little sufferer is resting easier, and we understand, has at least an even chance for recovery.

Other patients in the hospital undergoing treatment are reported on favorably. Mrs. Piercie Cornish of Orchard was admitted this week for treatment.

The base- and soft-ball game here on Saturday between Durham and Chesley High school teams resulted in a tie so far as games were concerned, the boys losing and the girls winning out from their opponents. The boys' game was a 15-5 win for Chesley, while the Durham girls were too much for the Chesley team at softball and won out 11-2. The following is the local line-up:

Boys.—Wiggins, c.; Vollett, p.; MeLean, 1b.; Lander, 2b.; Lavson, 3b.; Wilson, s.s.; Kearney, 1f.; Noble, r.f.; Snell, c.f.

Girls.—Blanche Boyce, c.; Florence Kross, p.; Enla Burnett, 1b.; Mary Bell, 2b.; Daisy Mather, 3b.; Alma Ritchie, s.s.; Lizzie Fairnie, 1f.; Pearl Mortley, c.f.; Miriam Cameron, r.f.

LEFT FIRST OF WEEK TO TAKE UP OFFICIAL DUTIES

Hon. Dr. Jamieson This Week in the Niagara District as Chairman of the Agricultural Board.

Hon. Dr. Jamieson left the first of the week for the Niagara district, where, as chairman of the new agricultural board recently appointed by the Ferguson Government to look into the farming and other agricultural business of the province with a view to improvement, he will be present week at least in his official capacity. The board sits this week at St. Catharines, Welland, and Niagara Falls. Dr. Jamieson is accompanied by Mrs. Jamieson. It is expected they will return to-morrow and spend the week-end at their home here.

COLD WEATHER THE PAST WEEK

The weather during the past week has been anything but cheerful, and generally speaking, has been cold during the whole period. With the wind in the north most of the time, and following a hard, steady rain, a good deal of the land can't be worked and the farmers are seriously inconvenienced and hampered. Last Sunday evening quite a heavy snow was falling and Monday morning the thermometer registered three degrees below freezing. On Wednesday afternoon of this week, it snowed slightly and the weather is still quite cool during the day and too cold at night for good growth.

METHODIST CONCERT TO-NIGHT SHOULD BE A GOOD ONE

Judging from advance press notices the Homer Jukes concert to-night under the auspices of the Methodist Church should be a good one. Mr. Jukes has sung in most of the larger European centres and also in the cities throughout Canada and the United States. He has a rich, full baritone voice of great charm, and is reputed one of the very best of Canada's concert baritones. Besides Mr. Jukes, a good local program will be given.

HANOVER MAN ELECTED I. O. O. F. DISTRICT DEPUTY

The annual convention of District No. 27, I. O. O. F., was held in Tara on Friday last, when delegates were present from Hanover, Chesley, Warton, Owen Sound and Tara. Mr. Fred Miller of Hanover was elected district deputy grand master for the ensuing year, commencing in June.

Flesherton

(Our own correspondent.)

The news received here on Sunday of the death that morning of Frank Cole, Detroit, was a great shock to his relatives and friends in Flesherton, who had not learned of his illness. Detroit has had a small-pox epidemic for some time and Mr. Cole and his son, a young man of 17, contracted the disease. Both were in the isolation hospital, but the son had recovered so as to be permitted to leave the hospital the day his father died. The deceased, who was 48 years of age, was born in Forest, but afterwards lived at Traverston. When quite young he came with his parents, the late Mr. and Mrs. F. G. Cole, to Flesherton, and was brought up here. He was a fine specimen of young manhood, highly respected for his industrious habits and clean life. He was a member of Flesherton Band and sang in the Presbyterian choir, where his fine bass voice was appreciated. He learned the trade of carriage-making and was a very fine mechanic. His skill procured for him expert position in a large automobile factory at Cadillac, Mich., where he lived for some time. The past few years he conducted a house contracting business in Detroit. Mr. Cole was twice married and besides his son, Charles, born to his first wife, leaves his sorrowing widow and a step-daughter about 19 years of age. He also leaves a brother, Mr. Myron Cole, at Forest, and two sisters, Mrs. Charles Stewart, Flesherton, and Miss Hattie Cole, Toronto, all of whom have the deep sympathy of their friends here. By agreement of the business men Flesherton is to have a half-holiday commencing on Thursday, June 12, and continuing for three months, each Thursday afternoon, Tuesday, June 3, being a statutory holiday. This is in line with other villages and towns and we have no doubt the public will cooperate in the movement. The meeting of Prince Arthur Lodge A.F. & A.M. on Friday night last will be a memorable one, made so by the large attendance of members and visitors and the very interesting official visit of Rt. Wor. Bro. Rev. W. G. Blackwell, D.D.G.M. of Grey District, who, after witnessing the initiation of a candidate, complimented the officers highly on their efficiency and the faultless manner in which the work was done. The growing and prosperous condition of the lodge was also pleasing to the distinguished visitor. During the regular business of the evening five candidates were balloted for and accepted and the annual election of officers took place as follows: W.M., Bro. G. Banks; S.W., Bro. Thos. Phillips; J.W., Bro. Robert Down; Chaplain, Bro. T. Chislett; Treas., W. B. Bro. J. Blackburn; Secy., Frank Thurston; Tyler, Bro. G. Mitchell and Auditors, Wor. Bro. G. Mitchell and Bro. R. G. Holland. At the close of the lodge all repaired to Clayton's hall, where about eighty-five sat down to a splendid banquet prepared by the wives of the local members, who as usual displayed fine artistic taste in the table decorations. After the repast Mr. George Mitchell acted as toastmaster and numerous toasts were proposed and responded to in happy manner. The eloquent address of the District Deputy Grand Master on the principles and teachings of Masonry was of a very high order and was highly appreciated. Rev. Mr. Duffield, Maxwell, also gave a good address. A solo by Mr. W. B. Cross was splendidly rendered and a number of community songs prepared and led by W. E. Morgan and Mr. F. Thurston were heartily joined in by all. Dr. Guy was accompanied by the musical numbers. The whole was a very successful event, gratifying to all.

ing to the Worshipful Master, Bro. Archie Sinclair, and his officers. Mr. A. M. Gilchrist has sold to Mr. C. W. Bellamy, builder, his lot on Toronto street, together with the ruins of his brick residence destroyed by the destructive fire here two years ago last August. Mr. Bellamy purposes at once to take down the standing walls and proceed with the erection of a neat new residence on the desirable site. Mr. Malcolm Leitch is raising the roof and otherwise improving his residence on Sydenham street and Mr. Henry Howard has had a new cement cellar put under his house on the lot adjoining. Mr. D. McKillop has commenced work for a new building at the rear of his hardware store which will be for a garage, storehouse and stable. The first storey will be of cement.

Born.—At the Presbyterian manse, May 15, to Rev. and Mrs. Joseph Harrower, a son, George Alexander. Mr. and Mrs. Frank Duncan's little four-year-old son Mac was given a birthday party by his mother on Thursday last week, when a bunch of kiddies spent a happy time. L.O.E. 2855 here visited Orange Valley lodge at its regular meeting last week and had a very enjoyable fraternal time. The visitors conferred the second degree and at the close of the lodge were entertained royally by the members of 500.

Rev. A. J. Preston called to the Baptist church, moved his family, with three children, from Toronto last week and settled in the Baptist parsonage. We are pleased to note that in the recent Ontario College of Pharmacy examinations, Roy Belfry, son of a former pastor in the Methodist church here, and Messrs. Clarence Fisher and Robert Meads of this place, passed successfully. Dr. John Wilson of West Toronto spent part of last week on his annual fishing holiday, accompanied by Mr. Fred Sheppard, whose wife visited her aunt, Mrs. Wilcock.

The milk testing class of farmers and others at the High school conducted by Principal Carroll, was resumed on Wednesday night last week, but owing to the rain storm attendance was smaller than usual. The class will be continued as long as desired. Mrs. Mary Ann Holley, relict of the late Mr. George Trueman, and a former old resident of Artemesia, died on Friday last at the home of her daughter, Mrs. Short, in Toronto. The remains were brought to Flesherton on Monday and the funeral took place to the Meaford Road cemetery. The deceased was 65 years of age.

NO SERVICE NEXT SUNDAY

There will be no service in the Mulock Baptist church Sunday morning, May 25, as Rev. Mr. Aird will be away. Rev. James McCannon of Toronto will take the evening service at 7.30 and will speak in the interest of temperance.
