DURHAM, ONTARIO, CANADA, THURSDAY, AUGUST 7, 1924.

\$2.00 a Year in Canada; \$2.50 in U. S.

HISTORY OF GREY CO. SHOULD BE PUBLISHED

Old County Boy Approves Idea and Offers Some Suggestions.

headway and at present it seems the Under the auspices of the "Live and county boundary signs as well as trip to Newfoundland, where they chances that the scheme will be Wires" of the United Farmers' Young direction and danger signs. The session will be painted winterest and the successfully carried out are brighter than at any time since first proposed. Considerable interest is in evidence throughout the county, and now old Grey County residents, some of whom have not been residents for years are showing interest and augmented the crowd undertaking. Under date of July 29, Mr. John Ritchie, a former resident of Glenelg, and Inspector of Public Schools at Port Arthur, says:

The sessigns will be painted wintered as this black lettering.

The sessigns will be painted wintered as this black lettering.

The sessigns will be painted wintered as this black lettering.

The highway number signs are they were last there and needless to say they had a most enjoyable time they were last there and needless to say they had a most enjoyable time they were last there and needless to say they had a most enjoyable time they were last there and needless to say they had a most enjoyable time they were last there and needless to say they had a most enjoyable time they were last there and needless to say they had a most enjoyable time they were last there and needless to say they had a most enjoyable time they were last there and needless to say they had a most enjoyable time they were last there and needless to say they had a most enjoyable time they were last there and needless to say they had a most enjoyable time they were last there and needless to say they had a most enjoyable time they were last there and needless to say they had a most enjoyable time they were last there and needless to say they had a most enjoyable time they were last there and needless to say they had a most enjoyable time they were last there and needless to say they had a most enjoyable time they were last there and needless to say they had a most enjoyable time they were last there and needless to say they had a most enjoyable time they were last there and needless to say they had a most enjoyable time they were last there and needless to say they had a most enjoyable time they wer
