

THE BURDENED BY DYSPEPSIA

Health and Happiness Come With "Fruit-a-lives"

From Fruit Juices and Tonics "Fruit-a-lives" is bringing health to hundreds of people suffering with chronic constipation, nervousness and dyspepsia.

Frank Hall of Weyale, Ont., writes: "I purchased a box of 'Fruit-a-lives' and began the treatment. My constipation ceased immediately. My dyspepsia ceased to be the burden of my life as it had been, and I was cured of constipation."

Box, 6 for \$2.50, trial size 25c. Dealers or sent by Fruit-a-lives, Ottawa, Ont.

THE BANEFUL CIGARETTE

(Orillia Packet)

Cigarette smoking has become so common that few parents realize the habit has grown. By enjoining boys of seven and eight of age to collect cards placed on cigarette packages the manufacturer has made children quite ignorant of the effect of anything about the effect of smoking on a growing boy. The cigarette maker offers to send a sample package of cigarettes to boys who haven't learned to smoke.

There ought to be some way of getting boys from such seductive offers. Next thing we'll see are similar offers of samples of clothes under some misleading name. This summer the use of cigarettes amongst boys of twelve and older has grown rapidly.

Men's Overcoats, Ladies' Coats

We are advertising this week two of the most wonderful bargains in our entire stock, namely: **Ladies' New Fall Coats, Men's or Boys' Overcoats**

These garments were ordered early in June, for September delivery, and made especially for us, having selected our own cloths and linings. We decided to have our Clearance Sale too late to cancel. Now we are offering these to the public on a very small margin above cost, just enough to defray selling expenses.

These garments will not last long at these prices. Compare them with others and convince yourself that you are getting the newest styles and fabrics practically at wholesale price.
