

FRUIT JUICES FOR RHEUMATISM

Amazing Results from the Fruit Treatment—"Fruit-a-tives"

There is the whole story of the Fruit Treatment for Rheumatism, told by a man who suffered five years of this terrible affliction.

James Dobson, of Bronte, Ont., "The Rheumatism was in my hip and shoulder; the pain almost unendurable. After six months' Fruit Treatment with 'Fruit-a-tives', I was completely well and am now in first class health."

It is a fact—proven by thousands of cases—that "Fruit-a-tives" is the treatment, absolutely relieving inflammation, pain in the back, sciatica, chronic headaches due to lack of liver troubles, and other forms of Rheumatism.

Must be awful to be a rich relative and suspect all kinsfolk of shrewd designs.
