HAPPENIN'S IN OUR VILLAGE

(By Our Little Cross-Eyed Girl Reporter. She knows all. She hears all. And she sees twice as much.)

All kinds of excitement in our village. Hollyween's coming!

The Ladies' Aid Society met this afternoon at Sister Smith's home to discuss doughnuts for their coming Hollyween party. Sister Esmeralda Tompkins gave an interesting talk on—"Why the hole is the best part of a doughnut." She was roundly applauded.

Jack Brewster our stick sheriff, swept out the jail to-day. Say's he's heard too much braggin' about the smooth cider

they're goin' to dish out at our different Hollyween skirmishes.

Abie O'Brien, the pawn broker de luxe here, has already taken in all his clothes dummies and locked them down in his basement for a couple of weeks. "Beleef it you me," says Abie, "it pays it, dis 'Say-ef-ty Foist' slogan." Abie ain't goin' to risk his neck again getting those dummies down off the church roof, like he did after last Hollyween.

All the boys are washin' their celluloid collars this week. Yep, they hopes to dazzle the girls at Seth Simpkin's Hollyween jamboree Satidy night. Bright idea.

That's enuff about Hollyween. Now we got some other public secrets to tell ya.

Gertie Johnson can't keep her mouth shut. No, not lock-jaw. Just a new gold tooth right up in front.

"Butch" Parker had his Ford over at the garage yestidy for rejuvenation. 'Twas about time. One wheel was already in the grave and the other three were skiddin'.

There's a new baby at Silas Brown's house. Arrived this

morning. Ain't heard who it looks like yet.

Snappy Suspenders on sale at Perkins' this week for only 39 cents. Baby pink, Revenue stamp blue, hair tonic lavender and other nifty colors. Those labeled "For Policemen and Firemen" are higher priced.

Business has been dead for Nate Palmer, our undertaker. Town's too healthy. But he's hopin' things'll pick up after election. He's reduced prices on all his caskets for the next thirty days.

Had a thrillin' movie in town th' other night. The title was "Ten Nights In An Ice Cream Parlor." So excitin' that Tillie Jamieson swallowed her gum. Paul Hendricks broke a collar button. Jimmie Meyer bit into four of his fingers. Lizzie Schmalz tore up a perfectly good hankie-chief. Nellie Blah chewed off all her finger-nails and Tony Minkle's hair ain't laid down since. There were other casualties, too, but we ain't been able to tabulate them all yet.

More—when somethin' more happens. Goo-bye.

PRESBYTERIAN W. M. S. HELD MONTHLY MEETING

Owing to the kindness of Mrs. John Morrison the W. M. S. of the Presbyterian church held their Thanksgiving meeting at Mrs. Morrison's home on Thursday, October 9. The meeting opened with a hymn and prayer. Mrs. John McQueen giving the Bible reading, the subject being intercessory prayer. Mrs. J. S. McRath gave the topic which was on Formosa being most appropriate for the coming plebiscite telling how one of the natives who was an opium eater and a drunkard was led to Christ by a missionary and was the means of having many churches on the Island Beautiful. Everyone was glad to see and hear Mrs. Rice, returned missionary from Africa. Mrs. Rice gave some of her experiences in Africa and thanked the ladies for their gift of fruit, etc., at Christmas. Mrs. Harding gave a missionary story entitled, "Mrs. Stanton's Thanksgiving," teaching us to be thankful for the smallest of God's blessings.
Mrs. Harding took the organ in the absence of the organist. Refreshments were served by Mrs. Morrison and some of the members of the society, and were very much enjoyed. A collection of \$18 was taken. The weather was fine, the attendance good, the papers most interesting and instructive and a very enjoyable meeting was closed with the Lord's Prayer.

8 NEW FORD SEDANS AND 8 NEW FORDSON TRACTORS

Ford Contest Announcement

The Ford Motor Company of Canada, Limited, has now been in business for twenty years. During that time 340,964 Ford cars and trucks have been built and the Ford has won a nationwide reputation for giving satisfactory service.

In our relations with the public as local Ford dealers we have learned that the best advertising we get is the recommendation of a satisfied customer. Many Ford cars are sold on such recommendations and many more will be sold in the same way.

If you are one of the many thousands of Canada's farmer Ford-owners, here is a big opportunity for you.

Three farmer Ford-owners or members of farmer Ford-owners' families in each township in this territory will be given the privilege of taking orders for Ford cars, trucks and tractors. Only the first three to apply for this privilege in each territory will be enrolled. You can enroll immediately.

Order forms and complete instructions will be supplied to all contestants.

All you are expected to do is to tell your friends who need a car, truck or tractor of your own experiences with your Ford. If they decide to buy you take their order and send it to the Ford Branch in this territory.

On all such orders you will get credit in points at the rate of 5% on the list price of your order. The contestant gaining the highest number of points in each Ford Branch territory will receive, absolutely free, a Ford Tudor Sedan, fully equipped, all taxes and delivery charges paid, and with 1925 license, ready to run.

Next highest contestant will receive, free, a Fordson tractor, fully equipped with fenders and belt pulley, ready to work.

All contestants who do not qualify for first or second prizes will receive credit for 3% of the list price on all orders taken by them. This will be awarded in any kind of Ford-made merchandise, or in cash.

This contest closes December 30th. Prizes will be delivered January 15th. Enrollment applications will be sent to all farmer Ford-owners, but if you wish to enroll immediately in order to secure acceptance, application may be had from the undersigned.
