

Traverston.

(Our own correspondent.) The countryside was deeply shocked to learn of the sudden and unexpected death of the late, esteemed editor, Wm. Irwin. Our acquaintanceship extends over a third of a century and as the years passed we grew to respect him most highly for his lovable qualities, his frankness, geniality, high sense of honor and generosity. Gifted as a teacher, as a public speaker and writer, he won the esteem, goodwill and confidence of a wide circle of friends, who deeply mourn his loss and who most sincerely sympathize with the son and daughter over the loss of a beloved father.

As we sat on the green sward outside the crowded church listening to the touching words of the pastor and the inspiring notes of the soloist, the autumn leaves fell silently in the stillness of that beautiful October day and our memory recalled Matthew Arnold's yearning lines,—"O strong soul, by what shore farest thou now."

METHODIST CHURCH W. M. S. HELD MONTHLY MEETING

On Thursday, October 15th, the ladies of the Methodist Church held their monthly meeting of the Women's Missionary Society in the home of Mr. Wm. Glass. The devotional exercises were led by Mrs. Glass, followed by prayer for the progress of the missionary work led by Mrs. McCrae, while Mrs. Peters offered prayer for the coming temperance campaign.

The new study book "China's Real Revolution," was taken by Mrs. Moore who read the first chapter, "If Marco Polo should come back." He would see many things just the same as when he visited China, but also some changes, viz: schools, moving pictures, printing presses and churches. The second chapter, "The Rise of the Student Movement," or saved by its students, read by Mrs. Glass, showed what a high estimate was placed on Education in the early life of China. The most important man in the state was the student, 2nd, the farmer; 3rd, the artisan; 4th, the merchant, and last the soldier.

Mrs. Knechtel, Mrs. McCrae, Mrs. Glass and Mrs. Moore brought the latest findings from our mission fields in Japan, Vancouver, Windsor and Montreal.

Mrs. McClocklin and Mrs. Peters spoke briefly on the marking of the ballot and some points relative to the temperance campaign.

A very appropriate duet was charmingly sung by Mrs. Knechtel and Mrs. McCrae entitled "Homes there are of want and sorrow."

A letter of thanks was read from the principal of the Indian school at Edmonton for the bale sent by the Society in September.

Arrangements were made for packing a box for the Armenian children in Georgetown.

The meeting closed with a temperance ode and the Mizpah benediction.

BOWLERS ORGANIZE FOR 1925 SEASON

Held Enthusiastic Meeting Tuesday Evening When Many Matters of Importance Were Discussed

The annual general meeting of the Durham Lawn Bowling Club in the Hahn House on Tuesday evening of this week was well attended and bespeaks even better success for the club in the year beginning than was enjoyed in the one now past.

President MacFarlane opened the meeting with a brief address in which he thanked the members of the club for loyal assistance and co-operation during the past summer. He thought the year just passed was possibly the most successful in the history of the organization and made special mention of the tournament during the season, which, he thought had done much to advertise the town's hospitality and create a most favorable impression on those clubs that had attended.

The election of officers resulted as follows: President—H. Cross. Vice-President—Rev. J. H. Whealen.

Executive Committee—P. Gagnon, W. Calder, T. M. McFadden, with the President and Secretary.

Finance Committee—W. S. Hunter, S. D. Croft, and the Secretary.

Grounds Committee—R. Aljive, J. S. McIlraith, Rev. Wheeler.

Grounds Committee—R. Aljive, J. S. McIlraith, Rev. Wheeler.

Auditors—H. W. Wilson, P. Gagnon.

Membership Committee—The President, Vice-President, and Secretary, Dr. Bell and C. C. Middlebro.

The fees for the incoming year were left at the same figure as last, \$5.00.

Following the election of officers quite a lengthy discussion was gone into with the idea of making 1925 the banner year of the Durham Bowling Club.

After all, nature is fair. The dog eats the rabbit and the flea eats the dog.

OLD MAN WINTER JUST AROUND CORNER

Tuesday Was First Real Forerunner of Winter and Forgotten Overcoats were Sought.

"The melancholy days are here, the saddest of the year" sang the poet and early risers Tuesday morning thoroughly agreed with him. Following the almost perfect weather of the past week, the change from bright, balmy days, with a fight fine snow falling was somewhat of a shock.

Tuesday morning was the first day this season that had a distinctly winter "taste," and while the evenings have been quite cool for the past month, the startily skies by night and the bright sun by day kept our thoughts far away from snow and winter's cold.

To-day is October 23. Almost anything may happen from now on, and while we may not have had a summer to wax enthusiastic upon, we have certainly had a glorious fall season.
