

ASTHMA NEVER CAME BACK

Once Faking The Fruit Treatment in "Fruit-a-tives"

Read this letter from Mrs. J. M. Cunningham of New Rockland, P. Q. "In 1919, I was taken with Bronchial Asthma and no one knows what suffered during the winter. I began giving choking spells and would just stop for breath and could not speak. The doctor said he could do nothing for me. In the spring of 1920, I started taking "Fruit-a-tives" and soon the choking spells became easier and I was not had one since May 7th, 1920. It is such a relief to be able to go to bed and have no thought of having to get up in the night for an hour or so as I did all that winter, but never have to now, all because I take "Fruit-a-tives" tablet every night. 5c. and 50c. a box—at all dealers sent postpaid by Fruit-a-tives Limited, Ottawa, Ont.

My cheerful spirit, your kindness heart, and your faithfulness to me, have won for you many friends who will not soon forget the brave couple with "hearts of oak." We need men and women like you in this land, men who are loyal and true, and we can say with a poet:

There is no land like England,
Where'er the light of day be,
There are no hearts like English hearts.

Such hearts of oak they be."
We would ask you, Mr. and Mrs. Cunningham, and your little son, Freddie, accept of these small gifts, not for their value, but as a token of esteem, and we know and feel that the meagre quantities which made you and your friends here will make you friends wherever you go.

Signed on behalf of your friends and neighbors: Mrs. Robert Matthews, W. H. Hunter, Major Eccles.

Aberdeen.

(Our own correspondent.)
Mr. Jack McDonald, Jr., had what might have been a very serious accident on Thursday of last week as he was going up the spring hill at Aberdeen with his threshing outfit. The big shaft on the engine broke, allowing it to start backing down the hill. The separator was behind and it turned in toward the bank and upset on its side, helping to stop the engine before it did any more damage. It caused Jack a trip to Mount Forest, and several days to get it in shape for threshing again.
Mrs. Chapman and little son spent a few days last week with her sister, Mrs. Fred Cuff.
Mr. Norman McIntyre is having the big white house at Aberdeen re-shingled.
Mr. and Mrs. Hugh Macdonald and son Kenneth, accompanied by Messrs. James and Gordon Macdonald, visited friends in Proton the first of the week.

one, and we find it is now thirty-five or six years since we started and we are the oldest writer on the job, with the Traverston man our second with only a few weeks, or possibly months. We consider it an instance of never wearing in well doing, and if any other boy has been waiting to get our job his patience must have been well tried.
Messrs. Milford and Emerson Lawrence have purchased the shingle and lumber sawing machinery from Mr. Zenus Clark and intend doing custom work. They intend to start in Mr. Walter Ferguson's swamp.
Mr. William Ramage leaves this week to take charge of the fox farm at Priceville. He will be much missed in musical circles, as he has been a much valued leader in such work for upwards of forty years. In agricultural pursuits he will also be missed, especially in the Egremont Agricultural Society. We trust his new occupation may be so pleasant as to be a reward for long, faithful service.
It was 44 years from the ploughing match held in Egremont previous to the one held a week ago, but re-

lulls from the last one are beginning to show already. The right way to plough is being freely discussed and the boys are trying to do it that way. Green Grove Beef Ring held its annual meeting on Friday night, closing up the business for the year and arranging for next season. The old officers were re-elected. Mr. Thomas Turnbull has been butcher from the start, 22 years ago, and was reappointed.
