### Ram Premium Policy

Last year 100 farmers in Grey County took advantage of the Dominion Government Premium Policy on Registered Rams. There were some additional who applied too late to receive the benefit of the Policy last winter.

The policy is again continued this year. A large number of applications are again through, but the Department wish to emphasize the fact that all applications must be sent in before December 31st of the year in which the ram was purchased. The applicant must have at least—ewes (ten) and all offspring must be docked and castrated.

The opportunity to improve your flock is now open to everyone. Ask the majority of men who have used a pure bred ram and invariably they will recommend the pure bred. There should be no hesitancy about purchasing one when a premium of \$10.00 is offered. Apply for application Forms to the Department of Agriculture, Markdale.

The Advance here is taking a holiday this week, and the junior editor, Mr. Frank Thurston, is attending the Winter Fair in Toronto ac-

compared by Mr. S. De Cudmore. Mr. R. W. Paton was home from Knox College on a short visit last week.

The residents of the West Back-line joined in a fowl supper given at the home of Mr. and Mrs. George Snell last week. After the excellent spread by the ladies the company of neighbors and friends spent a very enjoyable social time together.

The home of Mr. and Mrs. Frank Duncan here was the scene of a pleasant event on Friday night last when about thirty of the Presbyterian Ladies' Aid laden with baskets and gifts assembled to do unexpected honor to Mrs. T. W. Wilson and Mrs. Joseph Blackburn. Mrs. (Rev.) Harrower presided and with appropriate words made the following presentation: It was Mrs. Wilson's birthday, and in recognition of appreciated services as Convener of the Flower Committee of the church, she was presented with a handsome wicker vase. Mrs. Blackburn, organist and choir leader, was given a beautiful wicker tray and sand-which basket as a special token of appreciation of her musical services. The recipients were given a genuine surprise, but were able to heartily thank the donors for the unexpected and appreciated gifts.

With refreshment a very pleasant social time was spent. Mrs. A. Van Dusen, the first President of the Ladies' Aid at its organization over 40 years ago and now an honorary member, gave brightness to the event by her presence.

Mr. and Mrs. James H. Hales, married a few days ago, were given a copious "shower" and hearty tokens of their popularity on Thursday night last when the groom's gentlemen friends here presented them with a handsome vanity dresser, oak rocker and chairs, half a dozen each of knives forks and spoons and other useful articles. The shower took place at the home of the bride's father, Mr. J. L. McMullen, and the house was taxed to accommodate the company of ladies and gentlemen present to take part in the pleasing event. From well filled baskets, the ladies served refreshments, and an enjoyable time was spent till the small hours of morning.

Mr. Samuel Sample moved to Mr. Shackelford's residence on Collingwood street.

Mr. A. M. Gilchrist has improved his well and water supply by putting in 28 inch cement tile in place of the former curbing.

Ernie, the seven-year-old son of Mr. F. Mathewson, Ceylon, had a narrow escape from serious injury last week when he fell from a ladder where his father was shingling, but fortunately no bones were broken.

Mr. Gordon Long and others from here attended a very successful fowl supper last week at his old home church at Honeywood.

Rev. Joseph Harrower attended Orangeville Presbytery last week and with two-thirds of the members signed up to enter the United Church of Canada.

Rev. W. A. Sinclair, who moved recently from Pontypool to Whitby, where he purposes residing, has been here for a week preparing to move his invalid parents who will make their home with him for the winter or longer. Their home will be closed for a time. All departed on Tuesday accompanied by Nurse Mabce.

The ladies of the Methodist Church had a quilting in the school room of the church last week, and we learn that thirteen fine covers have been completed for the sale to be sent to one of the needy missions in the West.

Mr. Harmon Radley's shooting match last week at his home on the Collingwood road was attended by a big crowd which enjoyed the sport. A large number of turkeys, geese, ducks and chickens, over 100 altogether, were disposed of.

Mrs. J. W. Bates of Toronto, a resident of Flesherton 35 years ago, gave us a pleasant call last week while on a visit with her mother, Mrs. Jeremiah Taylor, at Mount Zion. Mrs. Taylor, who is a pioneer

of Artemesia township, and has reached the ripe age of 85 years, is yet in good health and wonderfully active for one of her years. We congratulate her and wish her a continuance of the blessings she has enjoyed.

The inclement weather interfered somewhat with the attendance at the churches on Sunday, but withal fair sized congregations braved the storm.

At the Methodist Church, Rev. Elmer Kenny of Collingwood exchanged with Rev. H. H. Eaton and conducted anniversary services, morning and evening, preaching, very able and appropriate sermons. Mr. Kenny is a fluent speaker and a thoughtful and impressive preacher. Owen Sound First Methodist and the entire district will be enriched by his coming in July next. The choir rendered special music assisted by Messrs. George and Albert Buchanan and Mrs. McCallum.

Rev. J. Harrower of the Presbyterian Church exchanged with Rev. G. W. Rose of Corbetton and conducted anniversary services at Riverview. Mr. Rose conducted anniversary services at Eugene and was expected in the Presbyterian Church here in the afternoon, but failing to come, service was conducted by Mr. Frank Chard and Mr. J. E. McKeel.

At the Baptist Church Evangelist Gunton and wife assisted in the service and baptism was administered by the pastor, Rev. A. J. Preston. Rev. and Mrs. Gunton, who have conducted special services at Rockvale Church, will conduct here each evening this week.

Miss Pearl McMaster, nurse in training at Owen Sound, spent Sunday at the home here accompanied by Mr. Harold Johnston.

### WHITE SWANS PAY VISIT TO MINER BIRD SANCTUARY

Jack Miner's bird sanctuary at Kingsville was the calling place recently of a flock of about 200 wild native, white swans on their way South for the winter. The maneuvers of these birds on Lake Erie near the Miner farm were witnessed by many interested bird lovers. White swans, which in their wild state were almost extinct in Canada a few years ago, regularly make the sanctuary a port of call on their way down. It is thought that the unusually mild weather, combined with the well-known-to-them table board at Jack Miner's place, induced this detachment to drop in for a day or two on an autumnal surprise visit.
