

...Glenelg... Timmins... Blair, Ewen...

\$10.00 AND COSTS FOR RECKLESS DRIVING

Minimum Fine Imposed by Magistrate Laidlaw in Reserved Judgment Announced Monday of This Week.

Last week we reported the trial of Mr. Roy Gibson of Hespeler, who was up before Magistrate Laidlaw...

In reserving judgment, Magistrate Laidlaw intimated that his reason for so doing was to take the matter up with Magistrate Creasor of Owen Sound.

In the first place, Mr. Grant had the right of way. There is nothing in the Ontario Motor Act which says that a pedestrian must keep to any particular side of the highway...

According to the testimony of defendant, he saw Mr. Grant for fully one hundred feet before the accident occurred. The defendant had given no evidence of having blown his horn or otherwise warning the injured man.

The case as shown at the investigation brought out very contradictory evidence. Messrs. Palmer, Patterson and J. J. Wilton, residents of the immediate vicinity, gave evidence that showed the car to be travelling on the left hand side of the road.

Another feature was that no evidence had been shown that the brakes had been applied or the car slowed down at any time between the sighting of Mr. Grant on the edge of the road and the time that he was hit.

In finding Mr. Gibson guilty, both magistrates considered the fact that he had immediately returned to the scene of the accident and conveyed the victim to his home so imposed a fine of \$10.00 and costs, the minimum permitted under the Act.

The maximum fine is \$200 and costs which could have been imposed had the court seen fit.

The funeral was held on Friday from his late residence under the auspices of the Masonic order of which the deceased was a prominent member. It was the largest Masonic funeral ever seen in Wellington County.

His pastor, Rev. Dr. Morrison of the Presbyterian Church conducted the ceremony, and District Deputy Grand Master S. Patterson conducted the Masonic service. Every business place in the town was closed during the afternoon.

The casket was surrounded by many beautiful floral tributes. Mr. Ireland was well-known here, having taken an active interest in bowling and had the happy faculty of making friends wherever he went.

He is survived by two grown-up sons. His wife died about a month ago.

Those who attended the funeral from Durham were: Messrs. John Morrison, F. McIlraith, Rev. Mr. Whelan and Dr. J. F. Grant.

Rev. Mr. Hartley and District Deputy Grand Master S. Patterson were present from Shelburne.

Mr. J. N. Ireland, a former merchant here, but now a resident of Toronto, was a brother.

Mr. J. N. Ireland, a former merchant here, but now a resident of Toronto, was a brother.

Mr. J. N. Ireland, a former merchant here, but now a resident of Toronto, was a brother.

BEV. BAMFORD HEADS NORTHERN LEAGUE

George E. Harron Represented Durham Team at Annual Meeting Held Tuesday at Palmerston.

The annual meeting of the Northern Hockey League was held in the Queen's Hotel, Palmerston, on Tuesday afternoon at 4.30. Mr. Geo. Harron was the delegate from the Durham Hockey Club. Nearly all the amendments as offered by the Palmerston A. A. A. and Mr. R. Horning, Past President of the N.H.L., were withdrawn as being found impracticable.

The officers elected were: President, B. L. H. Bamford, Listowel; Vice-President, W. Lustig, Chesley; Treasurer, R. Horning, Palmerston; Secretary, Mr. Bridger, Wingham; Executive, George E. Harron, Durham; R. C. Piddicome, New Hamburg; Charles Plutsch, Mildmay.

A hearty vote of thanks was tendered the retiring Secretary, Mr. J. H. Robertson, for his work during the past season, and regret was expressed also that Mr. R. Horning, through an accident, was unable to be present. Dr. Lorne Robertson of Stratford, President for the past year, presided for a few minutes at the first of the meeting but had to leave early to catch the evening train back to Stratford.

All entries must be in not later than December 23, and the grouping of teams will take place a few days later, possibly on the 26th. Club secretaries are asked to write Mr. Bridger at Wingham suggesting possible groupings which would suit them.

The play and box social at Latona school on Friday evening, December 12, was very successful. The programme consisted of the following: Chairman's address by Mr. J. A. Graham, Durham; Solo, "Yum, Yum, Yum," by Hugh Vasey; A musical selection, by Mr. P. Malone; Act I of the play; A musical selection by Fred Johnson, Williamford; A male chorus, "You Can't Take Away From Dixie," but "You Can't Take Dixie From Me," Act II of play; A chorus, "I Want to Go Back To Michigan, Down On The Farm," Step Dance by Hugh Vasey; Act III of the play; National Anthem.

Mr. J. A. Graham was a very able chairman. He congratulated the community for their co-operation, the local talent and orderly conduct. Synopsis of the play: Mr. Henry Nilson (Robert Mortley) and his wife Sarah (Dorothy Schaffer) are farmers of the old type living in Coburns town, Michigan. Their children, Jack (William Kenny) and Betty (Hallie Mortley) have the latest ideas regarding agriculture. Silas Watson (Howard Smith) is a money-lender who manages to sell his farm to Henry Nilson. Jack objects and disagrees with his father. William Jefferson (Clark Morrison) a city dude elopes with Betty who craves for the attractions of the city. His plan is frustrated by Jack and Donald Brooks (Edward Mosh) who marries her, and takes her to live with him in New York. Gertrude Bowers (Jessie Hawkins) is the district school teacher. She is very envious about remodeling the old school and gives Jack Abigail Jones (Mary) and her son the man-hater blames everything on men, especially on Henry Nilson's hired man, Sam Snipes (Stewart McGillivray). Abigail and Sarah are instrumental in enticing Jack, Betty and Donald back to the farm. Rasmus Washington (Abraham Lincoln) (Hugh Vasey) and Truella (Mary Melosh) are colored servants of Silas Watson and Betty respectively. The prison guard was Charles Schaffer.

Each performer acted his part exceedingly well, deserving of great credit.

The sale of boxes by Mr. Charles Shewell, auctioneer amounted to \$25. The highest priced box was \$15.50. The receipts at the door amounted to \$35.00.

Rev. Dr. Prudham was well-known here some years ago as aggressive and popular pastor.

The official board of the College Avenue Methodist Church, Woodstock, has extended an invitation to Rev. Dr. W. W. Prudham of Drayton, to become their pastor in succession to Rev. S. M. Roadhouse, who goes to Galt next year. Dr. Prudham has accepted the call subject to the approval of the stationing committee of the Hamilton conference.

The call to Woodstock is a distinct advancement to Dr. Prudham and Durham friends join with The Chronicle in extending congratulations.

The value of printer's ink, too, is not overlooked by the Durham business men, as has been evidenced by the space used in The Chronicle during the past three or four weeks. We would advise Christmas shoppers to read the ads and make out their lists at home. They will find it a great advantage and a time-saver and well worth the few minutes trouble. So far, Durham merchants report the Christmas trade generally good, with last Saturday's storm kept the crowd at home, Monday was a good business day in town.

Local Merchants Vie With Each Other in Decorating Windows For Christmas Season.—Business Very Good So Far.

Durham merchants this year have excelled themselves in the matter of prettily decorated windows, and with the lights turned on, and many of the stores open evenings until Christmas, the streamers and other decorations, together with an elaborate display of the latest in Christmas goods, makes quite an impressive showing.

PRESBYTERIAN W. M. S. ELECTED OFFICERS

Pleasant and Profitable Meeting at Home of Mrs. Derby Closed Final Session of Year.

The W. M. S. of the Presbyterian Church met on December 11 at the home of the president, Mrs. Andrew Derby. The weather was pleasant and the attendance good. The Bible reading was given by Mrs. Neil McConnell, the subject, "Faith." Mrs. Thomas Allan and Mrs. John Bell led in prayer. The paper was prepared by Miss Belle McGirr and read by Mrs. J. S. McIlraith. The subject was "The Future of Formosa," Formosa having made wonderful progress and was non-sectarian. The paper was most carefully written. Miss McGirr giving a great deal of time and thought to the subject, as well as giving a lot of information to the ladies. Mrs. Thomas Allan moved a vote of thanks for the excellent paper. Though absent through illness, Miss McGirr was present in spirit and in deed.

The year's report was given, and the society found to be in good standing. The ladies purchased towels, blankets and counterpane for Llewellyn Hall at Oshawa.

A hymn was sung, then Mrs. Andrew Derby thanked the ladies for their co-operation with her during the two years she had been president.

Election of officers was then in order. Mrs. C. Hamage was voted to take the chair. Mrs. Derby would rather have some one else take the presidency for the coming year but after some deliberation and great hesitation was again urged into taking the office for another year. The officers are as follows:

Honorary Presidents, Mrs. Park, Mrs. Gun, Mrs. Grant, Mrs. McGirr, Mrs. (Dr.) Smith; President, Mrs. Andrew Derby; 1st Vice-President, Mrs. John Bell; 2nd Vice-President, Mrs. Arthur Jackson; 3rd Vice-President, Mrs. William Derby; Secretary, Mrs. Thomas Allan; Treasurer, Mrs. A. W. H. Lauder; Assistant, Miss Ethel Derby; Birthdays, Miss Belle McKenzie; Mission Board, Miss M. McGirr; Musical Committee, Miss Belle McKenzie, Mrs. Robert Macfarlane; Auditors, Miss Drummond, Miss Annie Weir.

Mrs. John Burgess presented the society with an "In Memoriam" for her father, the late Allan McKinnon.

Refreshments served by the ladies were much enjoyed. A good collection was taken, a hymn sung and the Lord's Prayer in unison closed the W. M. S. for 1924.

LAST WEEK'S STORM WORST SO FAR

Big Blow Over Week-end Seemed General All Over Continent.

The snow and wind storm, which commenced last Thursday and reached the height of its fury on Sunday, was without doubt the worst of the season so far, and as a result, roads in the country were pretty well blocked and afforded a good excuse for the poor church attendance. Locally, Rev. Mr. Taylor, of the Baptist Church, was the only one to venture forth to his charge at Glenolp Centre, but could not get back in time for the evening sermon. Neither Rev. Mr. Peters of the Methodist Church or Rev. Mr. Whealon of the Anglican Church reached their appointments at Zion and St. Paul's, respectively, and only very few of the congregation braved the elements.

The storm subsided as quickly as it came, and at time of writing, all roads have been opened, and the sleighing is excellent.

Judging from newspaper reports, the storm was general all over North America and the whole Western Country is in the grip of a cold spell, with Winnipeg the warm spot of the Canadian West at 24 below. Vancouver, was in the grip of the worst weather, and reports from Montana and the Dakotas tell of the worst storm in years. Colder weather is predicted for the East, and while yesterday considerable rain fell, the present outlook is for a touch of the cold spell moving eastward from Alberta and Saskatchewan.

TOWN PASTORS EXTEND CHRISTMAS GREETINGS

Special Services in All Durham Churches Next Sunday—Local Pastors Give Messages of Cheer to All

At this time when on every side we hear the greeting, "Merry Christmas," allow me to extend this greeting also.

But in our time of rejoicing, let us not forget the true reason for Christmas. We should remember to honor the Christ child whose birthday we keep. How better can we do this than by attendance at His house on that day?

There will be a service in Trinity Church on Christmas Day at 10.30 a.m. as well as the Carol service on Sunday evening next.

The supreme message of the Christmas season is one of joy and gladness. "Behold, I bring you good tidings of great joy," were the first words which fell upon the ears of the shepherds as they watched their flocks by night, and that message has been ringing in the ears of men all down the ages, for the Christ who came into the world on Christmas Day is still with us, a living presence.

Christ abides as our companion, ever filling us with strange, new sweetness and power, ever bringing to us fresh revelations of truth, ever keeping us at our best. He abides as the source of perfect joy, a joy which is noble and worthy, which lifts us above the low regions of uncertain earthly pleasure, which kindles every hope of the future with light and glory. Let us try to recognize the abiding presence of the Christ, and we shall have within our hearts a never failing fountain of joy which will support, refresh and sustain us in every emergency of life.

This is the true message of Christmas, that Christ has come and touched the earth with heavenly light and joy.

Subjects Sunday: 11 a.m. "Christ's Own Conception of His Coming." 7 p.m. "The Life of Christ." Special music by the choir.

Once again the Christmas season is with us. Many a long journey will be undertaken in order that the scattered members of the family may be reunited at the return of the festive season. Many tokens of remembrance all the way from the simple card to the elaborate present will be sent and received by friends, far and near.

Christmas greetings in the choicest poetry and prose will be exchanged. In choirs and places where they sing the most beautiful of earth's music will be rendered in honor of the new born king. Let us then give thanks to God, our Father, for His "Unspeakable Gift," and as we render glory to God in the highest, so let each of us in his and her own sphere endeavour to do our part in bringing peace on earth and good will to men.

Special Music: Morning: 1. Anthem—"Shepherds of Bethlehem."—Judson. 2. Anthem—"The First Christmas Morn."—Newton.

Evening: Cantata—"The Herald Angels," by Adams.

1. Life up Your Eyes—The Choir. 2. The Redeemed of the Lord—Tenor Solo. 3. How Beautiful upon the Mountains—Trio and Choir. 4. A King Shall Reign—Choir, Baritone and Contralto Solos. 5. Hark! What Mean Those Holy Voices—Male Quartet. 6. Hark! The Herald Angels Sing—The Choir, Women's Trio. 7. Violin Solo—Mr. Yiirs. 8. O Little Town of Bethlehem—Ladies' Quartet. 9. Child Jesus—Mixed Quartet and Choir. 10. Glory to God in the Highest—Choir. 11. My Soul Doth Magnify the Lord.

We think of Christmas as a time of joy-joy for everyone, young and old. Let us remember that we owe all our real joys in life to Jesus Christ. Christmas is also a time for gifts, expressing good will. God gave His best gift. Let us give of our best to Him, and to each other, that joy may abound.

Special Music: Morning: Anthem—"Five Shepherds Watched Their Flocks by Night." (Roland Smart). Evening: Anthem—"See Amid the Winter's Snow." (John E. West). Solo—"The New Born King, by Thomas V. Bell.

Special Music: Morning: Anthem—"Five Shepherds Watched Their Flocks by Night." (Roland Smart). Evening: Anthem—"See Amid the Winter's Snow." (John E. West). Solo—"The New Born King, by Thomas V. Bell.

EARLY COPY PLEASE

Thursday of next week is Christmas Day, and in order that The Chronicle Staff may take advantage of the holiday, the paper will be issued Wednesday morning instead of Thursday as usual.

This is made imperative owing to the fact that members of the staff intend spending the Christmas holiday at outside points and will of necessity have to leave on the Wednesday afternoon train to arrive home for the festive season.

Under these circumstances, we would ask our correspondents and advertisers to cooperate with us in having their copy reach us as early as possible. We would deem it a great favor if correspondents could have their budgets reach us not later than Tuesday noon. Advertisers would greatly oblige by having copy for change of advertising reach the office not later than Monday noon.

On Sunday, the 28th, special music will also be rendered by the choir, Mrs. C. C. Middleboro' will favor the congregation with a solo, and Misses Bell and Blyth with a duet.

Thank you.

NEW FIRE ALARM SYSTEM INSTALLED

Phone and Gongs Installed in Furniture Factory Will Give Almost Instantaneous Alarm Service.—Mode of Operation Explained.

In case of fire call "Phone 100." This is in accordance with the request of the Purchasing Committee appointed recently by the Durham Town Council to look into the matter of providing a better fire alarm system for the town.

As a result of their efforts, Durham now has fully equipped fire-fighting brigade, and with the new alarm system just installed, has an equipment equal to that of towns of much larger proportion.

This summer, as readers of The Chronicle already know, a chemical auto truck was purchased, and with a good steam fire engine and a good brigade, coupled with the present alarm system, the minimum of time will be lost in arriving at the scene of conflagration.

The latest addition is the new alarm system, installed a few days ago. The Purchasing Committee, who had the matter in charge, have made a careful investigation of systems now in use in other places and found that even where expensive box signals were distributed throughout the cities, that these were not being used. The natural thing to do was to run to a telephone, in case of fire and reach the fire department by telephone, because in doing this the party knew the message was delivered as the party in charge at the fire station to receive the alarm must answer before the message was acknowledged.

The solution of the installation of an adequate alarm system in Durham gave the committee no little thought, but the air was cleared when the Durham Furniture Company offered to co-operate by allowing the town to install a private telephone in the factory, together with three gongs which, when in operation, may be heard in any part of the building. With a full staff on duty in the day time and the night-watchmen on duty at night, the town now has a full twenty-four hour alarm service, second to none in the smaller towns of the province.

Briefly, the proper manner in which to turn in a fire alarm, as explained to us by Mr. O. S. Hunter, is:

1. Call "100" on the telephone. 2. When watchman answers, tell him the Ward and the owner of the building on fire. 3. Close all windows and doors if possible.

The watchman will sound a continuous blast on the whistle for ten seconds. Then one blast and a stop for No. 1 Ward; two blasts and a stop for No. 2 Ward, or three blasts and a stop for No. 3 Ward. These signals will be repeated continuously until ample alarm has been given.

By these signals firemen and citizens know the Ward in which the fire is located. With the new motor fire truck, very little time need be lost, and with hand chemical extinguishers and the motor chemical, the fire can be held in check until the steam fire engine arrives and is read for action.
