

Year!

**Flesherton.**

**(Our own Correspondent.)**  
The annual meeting of the Flesherton Baptist Church was held on Friday afternoon, January 9, the pastor, Rev. A. J. Preston, occupying the chair. After the singing of a hymn and prayer, the minutes of last annual meeting were read and adopted. This was followed by reports from the different offices and branches of the church. One of the noticeable features of the financial report was the increase in the loose collection of upwards of 100 per cent. This in turn speaks for itself of the increased attendance at the church services. The work of a nominating committee greatly assisted in the election of officers for the coming year. The new Deacon's Board will be: Mr. G. Beecroft, Mr. W. Beaton and Mr. G. Waring. A deaconess board was elected of which Mrs. D. Williams was appointed convener. The committee of finance will be comprised of Messrs. G. Waring, L. Betts, C. Betts, J. Sewell, H. Allen, A. McKechnie and also Mrs. D. Williams and Miss M. Waring. The clerk of the church, Mr. W. Beaton, was re-elected. The trustee board and building committee will be, Messrs. L. Betts, C. Stafford, R. Allen, J. Jewell and W. Beaton. In a brief address following the election of officers, the pastor touched on some of the achievements of the past year. Eight new members were received by baptism into the church. Regret was felt at the loss of two highly esteemed members in Deacon Martin Phillips, who passed away in April, and Mrs. L. Betts, who entered her eternal rest in June. This leaves the church with a net gain of six in membership for the past year. After the business the ladies of the church served light refreshments, and an enjoyable social hour brought a very happy gathering to a close.

A good hockey match was played at the rink here on Wednesday night last between the Dundalk and Flesherton junior teams. The score was 8-4 in favor of the latter. G. A. McTavish was referee.

At a meeting here of representatives from the Methodist and Presbyterian Young People's Societies in this neighborhood, a Young People's Church Union rally was organized with officers elected as follows: President, Mr. Earl Best; Vice-President, Mr. John Duncan; Secretary-Treasurer, Mr. T. W. Findlay. A public meeting of which notice will be given is to be held in the Presbyterian Church in February when two speakers from Toronto will give addresses.

Mr. John Thistlethwaite lost a fine cow with indigestion a few days ago. The milker was worth \$60.

The young ladies of Mrs. T. W. Findlay's class in the Presbyterian Sunday School organized last week with the following officers: President, Mrs. T. W. Findlay; Vice-President, Miss Mary Paton; Secretary-Treasurer, Miss Edna Ferris. Social evenings will be held monthly.

Rev. F. G. Fowler, B.D., of Pulaski, Indiana, a former beloved pastor in the Presbyterian Church here, has received a call from an important charge in the town of Waterford, Pennsylvania, in which he expects to be settled next month. The Church membership is 225, and in the Sunday School about 250. The salary offered is \$2,000 with a free manse.

Mr. Fowler was successful in his work here, and he is to be congratulated upon the evidence of continued success elsewhere.

In our report last week of municipal matters, we overlooked the vote in Artemesia on abolishing statute labor. The vote was strongly against, being 197 for and 590 against.

Miss Agnes Henderson is spending this week with friends in Toronto.

Mr. Donald McLeod went to Toronto to visit his daughters over the holiday season and, seized with illness, had to undergo an operation in the hospital last week which we learn was successful, and the patient is improving.

Mr. R. W. Paton, Toronto University student, who is supplying Cedarville and Espin Churches, was unable to take the work on Sunday on account of the illness of his mother who is in a critical condition. Mr. Paton was at Dundalk on Saturday night to go to his charge on Sunday, but was called home here after midnight when death was feared. Slight improvement has come, but the patient is very weak. Her sister, Mrs. Baxter of Collingwood, was called and is at her bedside.

The monthly meeting of the U.F.W.O. club was held at the home of Mr. and Mrs. George Cairns last week. A pleasing feature was the presentation to Miss Agnes Macphail, M.P., of a pair of handsome book ends and a pretty Dutch silver vase accompanied by an appropriate address, all in token of appreciation of Miss Macphail's services to the club which she assisted in organizing and served as secretary-treasurer. Miss Macphail was deeply touched with the kindness shown and expressed her high appreciation of it in very fitting terms.

Mr. S. DeCudmore, Frank Thurston and T. W. Findlay are sending fowl to the poultry show at Owen Sound this week. Mr. DeCudmore will attend the show.

Messrs. G. B. Welton, W. Moore and H. Down purchased a race horse each in Hamilton, and the animals were delivered on Friday last. Real estate is moving here. Mr. Everett Henry has bought from W. A. Armstrong two lots on the north side of Peter Street, near the Advance office, and will erect a blacksmith shop on which work was commenced on Monday by Mr. Myers. Mr. Armstrong sold on Monday to

Mr. H. Down his property on Sydenham Street recently occupied by Mr. John Runstadler. It is a good business stand with store, office and residence apartments above.

Mr. and Mrs. Hogg of Chatsworth visited over the week-end with their daughter, Mrs. George Littlejohns. Miss Florence Welton is visiting her grandmother at Mount Forest.

Mr. George Brackerbury is on a visit with friends at Dundalk. He is recovering well from his recent accident in which he was severely burned.

Mr. G. Carter of Toronto paid his sister, Mrs. R. Down, a short visit last week.

Mr. and Mrs. R. Down are enjoying a new radio set installed in their home.

Mr. T. R. McKenzie, Reeve of Artemesia, is an aspirant for the office of Warden and is worthy of the honor. Mr. McKenzie's long service of 17 years in the County Council fits him well for the responsible position and the duties of the office.

The news on Sunday of the sudden death of Mr. George A. Watson of Priceville was a shock to this village. Mr. Watson was a resident here for several years and was very highly respected.

Miss Hazel Firth is spending this week in town with kindred.

Mr. William Paylor and sons are getting out material for a big implement shed to be erected this summer; and Wilbert Greenwood is preparing to put in new stabling under the big barn. Improvements of this nature help to raise the value of the farms and also brightens several lines of trade.

Quite a group of fair ones met at the home of Mr. W. J. Greenwood on Thursday afternoon of last week at the regular monthly meeting of the Women's Institute and spent a very pleasant and profitable time.

Mrs. W. J. Cook had a good paper on "Proper Forms in Public Places," Mrs. John Love of Zealandia, who is spending the winter at the parental home in Markdale but, at present, is visiting in the old neighborhood where she grew up to young womanhood, sang very sweetly a couple of old favorites. Miss Margaret Greenwood contributed a bright solo. A tasty luncheon closed that part of the day's proceedings, but after twilight fell about two score young people gathered and made merry: the night, the host, hostess and two bonnie daughters making everyone happy.

Zion's afternoon service on Sunday was brightened by Mrs. Love's very fine rendering of "O Love, That Will Not Let Thee Go."

Messrs. A. Marshall and Thomas Wallace, Jr., of Normanby spent part of Thursday last in this neighborhood and visited an hour or two at your scribe's home.

**LAY THREE HOURS WITH BROKEN LEG**

Mrs. Colin McLean, Priceville, in Durham Hospital as Result of Accident.

To lie alone on the floor of her home for three hours before help arrived was the experience of Mrs. Colin McLean of Priceville who was admitted to Durham Hospital Tuesday night suffering from a broken leg.

Mrs. McLean had been outside doing some work about the premises, and when she entered the kitchen, the snow which had gathered on her shoes, caused her to slip with the result that one leg was fractured between the knee and the ankle.

Mrs. McLean pulled herself along the floor and closed the kitchen door but was unsuccessful in her attempt to attend to the fire in the stove. She lay there three hours before help came.

Dr. Carr of Priceville had her removed to the hospital there on Tuesday when an X-ray was taken. She was taken to her home in Priceville yesterday afternoon.

**DEPARTING PRESIDENT GIVEN FAREWELL**

Mrs. D. Jamieson Will Spend Remainder of Winter in Toronto.—"Auld Lang Syne" Closed Pleasant Meeting.

At the regular meeting of the Red Cross Society, held in the Armories on Tuesday, a pleasant part of the afternoon's program was the informal farewell tendered the President, Mrs. D. Jamieson, before her departure this Thursday for Toronto where, with Hon. Dr. Jamieson, M.P.P., she will spend the remainder of the winter.

The ladies to the number of about twenty-five had met for regular sewing in which they engaged until half-past four when a delicious lunch was served.

Rev. W. H. Smith was then called on, and in a short address, congratulated the President and ladies upon their good work and the interest they are taking in the cause of the Red Cross. He referred in eulogistic terms to the hospital matron, Miss Fettes, and her staff of workers, and to the fact that while the Red Cross ladies themselves were deserving of great praise for their efforts, and the success of the hospital, this same success was in no small manner due to the efficient management of Miss Fettes and her helpers.

Hon. Dr. Jamieson, on behalf of the Society, thanked Rev. Mr. Smith for his kindly references. He said the Durham Red Cross Memorial Hospital was one of the best small hospitals in this part of the country.

Mr. J. A. Graham, Treasurer of the Hospital Board, congratulated the President and ladies on their good work and said that while Mrs. Jamieson would be absent in body, he knew her heart would be with the work. Mr. Graham thought the best compliment that could be paid Mrs. Jamieson in her absence would be to work hard.

The company then joined hands, and with Dr. and Mrs. Jamieson in the centre, a circle was formed, and all joined in the singing of "Auld Lang Syne."

**MRS. JAMES MOORE DIED IN CALIFORNIA**

Mrs. Charles Petty Received Word of Death of Sister-in-Law.—Family Formerly Resided in Alberta.

The sad news came to Mrs. Charles Petty of Normanby in a letter from her brother, Mr. James Moore, Indio, California, that his wife had died on December 3 in Riverside Hospital following an operation.

Mrs. Moore had been in poor health for some time, and thinking a warmer climate might improve her condition, they sold their farm at Swallow, Alberta, and moved to California last spring. Mrs. Moore seemed to gain for a time, but about the end of November, she took a turn for the worse and had to be taken to the hospital. The operation was thought to have been successful, but she lived only four hours afterward. Mrs. Moore was attended by her sister, Mrs. Price, a trained nurse, but apparently nothing could be done.

Mrs. Moore was formerly a Miss Currie of Blenheim Township, and resided near Ayr. She went West some years ago and in 1914 was married to Mr. James Moore, a former well-known Normanby man, a son of the late Mr. and Mrs. George Moore. Besides Mr. Moore, two children, Maybell aged 8 and Freddie aged 4, survive. She was about 45 years of age.

Mr. Moore is a brother of Mrs. Charles Petty of Normanby, Mrs. James Morice, Lancer, Sask., Mr. William Moore of Flesherton, and Messrs. John and Thomas Moore of New York State.

**WON LEAGUE MATCH FROM HANOVER TEAM**

Locals Win First Home Game of Northern League Championship Series.

Hanover and Durham N.H.L. teams played the "curtain raiser" game in the 1925 season of league hockey in the rink here on Tuesday night, and the opening clash was greeted with a capacity crowd. About forty fans from Hanover were present.

The game was fast and clean and one of the best first of the season contests seen here in some time. Though the locals ran away with the score 4-0, the Hanover lads were dangerous at all times, and the Durham sextette were kept on their toes all night, with the result that the contest was a slap-bang affair at all times with both teams fairly evenly matched in centre ice.

The opening period was pretty nearly all Durham, and while only one goal was scored, McDonald, the local goaler, was not called upon to stop a single shot during the initial twenty minutes of play.

In the second session, Durham again scored the only goal on a lift from centre ice by Elvidge, which a Hanover defense man tried to stop but guided into his own net. In the final period, the locals scored two more, making the full-time score 4-0.

The game throughout, was good, and while two of the Durham counters were of the "lucky" variety, there were many almost sure goals turned aside by the clever Hanover net guardian.

While not so fast on their skates as the locals, the Hanoverians were always dangerous, but could not often get inside the Durham defense.

The line-ups: Durham—Goal, McDonald; defense, Saunders and Schutz; centre, McGill; wings, Elvide and Buschlen; subs, Kress Vollett, Hanover—Goal, Lamont; defense, Huber and McCartney; centre, Harold Boettger; wings, S. Boettger and P. Bluhm; sub, Limestone. Referee—D. J. McNamara, Mount Forest.

**MAN LEAVES \$25,000 TO YOUTH HE ADMIRER**

Roy King, son of Neil King of Owen Sound, has been employed for some time in Oshawa, but while there made frequent trips to Cobourg where he made the acquaintance of an elderly man named Frank Watts, a native of Windsor, and for a number of years, a frequent visitor to Owen Sound. Watts took a notion to King, and when he died, the day after New Year's at his home in Cobourg, it was found that he was the owner of property in California valued at \$25,000, and that he had made a will bequeathing the whole of the estate to King. The latter expects to leave for Jacksonville, California, on Monday next to claim the estate.

Premier King celebrated his fiftieth birthday last week. Mr. Meighen reached the fifty mark last June. Sir Wilfred Laurier was fifty-five before he became premier.
