OIL OR PAVEMENT?

There is, as is usually the case at this time of the year, some talk in town about paving Garafraza and Lambton Streets. Though no definite program has been spoken of, we take it that the intention would be to pave both County and Provincial connecting links their entire length. What is worth doing at all is worth doing well.

There is no doubt that paving is the proper program in the construction of permanent roads, but we see little chance of any being done in Durham this year. Paving is an expensive business, and while paving advocates in town say that the Government will pay 100 per cent of the cost of the 20-foot strip on Lambton Street, the citizens of the town will want to know what they have to pay for the balance. The Government is not giving concessions without demanding others.

In the meantime, the fact that a paving program may be adopted this year is no excuse for forgetting that the dust nuisance is upon us right now. The oil for the streets should have been contracted for long ago.

There are some in town, though very few, who try to belittle the oiling system for laying dust, pointing to Durham's streets last year as an example. Last Spring was a backward one. The oil was put on during a spell of very cool weather and, we are told, was not heated enough in the tank before being applied. This in itself would spell disaster for this system of dust laying, but on top of this was another important one. The Council contracted for oil sufficient for Garafraza Street from the foot of the hill to the Ford Garage. Those in charge of the oiling spread it over at least 20 per cent more road than it was intended for. Is it any wonder the oil system was not satisfactory last summer—to some. Even at that, we think the majority are agreed that it is about the best thing we have ever tried, and there are very few along the front street who are not favorable to the adoption of the system this summer. Even though a pavement were being built, something would have to be done about the dust nuisance in the meantime.

Canada exported to Australia during the last fiscal year corsets to the value of \$160,000, thus contributing her quota in binding the Empire closer together. Bogus \$100 Imperial Bank notes are in circulation, but don't worry us. Any \$100 note looks suspicious to the editor of this paper. An Edinburgh, Scotland, woman who died recently, at the age of 90 years, was an inmate of a mental hospital for over 65 years. Though originally incarcerated for melancholia, she is said to have been perfectly happy and contented. Evidently she used the woman's privilege and "changed her mind."

ANOTHER EGG RECORD

Mrs. Thomas Greenwood left us in an egg this week, laid by a Plymouth Rock hen, measuring 6 3/4 x 7 1/2 inches and weighing 4 ounces. This is a heavier egg than the one left in a couple of weeks ago by Captain J. F. Wright, which was 6 1/2 x 3 1/2 inches and weighed 3 1/2 ounces. This latter egg was laid by a Rhode Island Red hen.

TWO LACROSSE TEAMS FOR DURHAM THIS YEAR

"Large and Enthusiastic" Meeting Held in Naha House Last Night—Juvenile and Intermediate Teams To Be Entered.

A week ago it looked as though Durham would have no lacrosse team at all this year. Following the organization meeting in the Naha House last night, there will be two, juvenile and intermediate, both O. A. L. A. teams.

The meeting was probably one of the best held in Durham in a good many years, and the businesslike manner in which the meeting was conducted shows the boys all in earnest and will put the best they have into the game.

To provide a fund for the association, a euchre is being held in the Town Hall next Wednesday evening, and in addition, a grant will be asked from the Town Council for the furtherance of the sport.

Following is the list of officers elected: Honorary President, Dr. D. B. Jamieson; President, H. W. Wilson; Secretary-Treasurer, A. Clements; Executive, P. Gagnon, J. H. Harding, G. S. Kearney and J. N. Murdock.

VETERANS' STAR THEATRE HAS CHANGED HANDS

A. C. Lloyd Disposed of Interests Here to Brother, Mr. J. A. Lloyd, Who is Now in Possession.

The Veterans' Star Theatre was sold last week, Mr. Anson C. Lloyd having disposed of it to his brother, Mr. J. A. Lloyd, who took over the business on the first of the month. Mr. Lloyd, who with Mrs. Lloyd, left for their new home in Toronto on Tuesday, has been interested in Durham's only movie theatre since returning from overseas five years ago, and as he has always conducted a first-class theatre with good pictures, his removal from town will be regretted by many.

The new proprietor, however, is no stranger in the theatrical game, having been identified with the managerial end during the past three years or more, and the change of ownership will have no effect on the class of pictures exhibited or the popularity of the playhouse. We welcome him in his new capacity as owner and proprietor and trust that Mr. and Mrs. A. C. Lloyd may have a successful future ahead of them in Ontario's premier city.

BABY ELK AT LAKE HAD TO BE KILLED

So Badly Injured That It's Dispatch Was Most Humane Treatment.

The baby elk, born a year ago last fall at Dr. Jamieson's park at Wilder's Lake, had to be killed on Monday owing to injuries it recently received, presumably from the old male. For some time past, it has not been very active, and was cut around the taints neck. An examination showed it accordingly was sent to the elk happy hunting ground Monday. Word was received here yesterday morning that a shipment of mallard duck eggs will arrive shortly, and when hatched, the young birds will be turned loose in the park in an endeavor to populate the Wilder's Lake park with this species of wild bird life.

MRS. LOUISE FAIRMAN SERIOUSLY ILL IN TEXAS

Disquieting Telegrams Received by Daughters Here Who Anxiously Await Further News.

On Saturday of last week, Mrs. E. A. Rowe and Mrs. A. Bell received a telegram from their brother, Clayton Beckwith, that their mother, Mrs. Louise Fairman was seriously ill in Texas, where she has been visiting over the winter months. On Monday, another message came to hand from her grandson, Sherwood Rowe, who accompanied her on her southern trip, that she was very low, and the end appeared to be only a few hours away.

As no particulars were given, and as no further message has been received since Monday, Durham relatives are naturally very anxious and yesterday dispatched a telegram asking for further information.

Mrs. Fairman is a woman in the neighborhood of 75 years of age and quite smart for her years. It is to be hoped better news of her condition will be forthcoming soon.

NEW CANADIAN PACIFIC WALKERTON-OWEN SOUND TRAIN SERVICE

Effective May 4th, the Canadian Pacific Railway will inaugurate a new passenger train service making all stops between Walkerton and Owen Sound by way of Saugeen Junction, replacing the Walkerton-Saugeen Junction service. This service will provide adequate facilities for passengers on both lines.

INSTITUTE MEETING FEATURED BY GOOD ADDRESSES

Mrs. (Rev.) Peters Tells of Trip to Old Home in Newfoundland in Institute Paper Read Last Thursday.—Cake-icing Demonstration by Mrs. R. Burnett.

Over fifty ladies gathered at the home of Mrs. Alex. McLachlan for the April meeting of the Women's Institute on Thursday last.

The meeting opened with the singing of the "Opening Ode," and the reading of the Lord's prayer in unison. After the reading of the minutes, the business was dealt with. This was the last meeting of the Institute year. The Institute donated fifteen dollars to the Armenian Relief fund and fifteen dollars to the Library Board. Mrs. (Rev.) W. H. Smith and Mrs. Bert Stonehouse rendered a very pleasing duet, and the number given by the Institute choir was given in their usual taking manner.

The chief feature of the program, perhaps, was an address by Mrs. (Rev.) Peters, who gave a most interesting paper on her vacation trip last July, through five provinces, when she and Mr. Peters visited their old home in Newfoundland. Mrs. Peters is a keen observer and can relate most interestingly to her hearers what she has seen. Mrs. Peters' paper will be seen in another column.

NEW OFFICERS CHOSEN FOR I. O. D. E. OFFICES

Mrs. G. S. Kearney Elected Regent at Good Meeting Tuesday Night.

Following are the officers of the local chapter, I. O. D. E., as elected at a meeting held last Tuesday night at the home of Mrs. G. S. Kearney: Regent, Mrs. G. S. Kearney; Vice-Regent, Miss J. A. Weir; 2nd Vice-Regent, Mrs. A. W. H. Lauder; Secretary, Miss A. Ramage; Echo Secretary, Mrs. M. Knight; Educational Secretary, Miss A. Kearney; Treasurer, Mrs. R. Burnett; Standard Bearer, Mrs. J. M. Burgess.

For the month of April, the society is raising funds by the "talent" money principle in lieu of social gatherings of various kinds. Following the decision of the Town Council to forego repairs to the Town Hall at present, the society pledged to help along certain lines, has also given up the idea until again broached by the council.

The Regent, Mrs. Kearney, was elected delegate to the annual meeting of the I. O. D. E. at Hamilton on the 21st, 22nd and 23rd of this month.

A quiet wedding took place on Saturday evening, April 4th, when Ida M., eldest daughter of Mr. and Mrs. Thomas Davis of Glenelg, was united in marriage to Charles H. Moffat, son of Mr. John Moffat. The ceremony was performed by Rev. J. H. Whealen, and the couple were unattended. The bride was neatly attired in a navy blue suit, with grey and blue hat and grey gloves and shoes. Two miscellaneous showers were given the bride in Toronto last week, one by the Durham Club of Toronto, and one by her girl friends. She was the recipient of many beautiful and useful gifts. The Chronicle tenders congratulations.

HOLSTEIN DROVER IN BAD ACCIDENT

Car Went Into Ditch on Dromore Road.

On Wednesday afternoon of last week, Mr. John Brown, cattle buyer, who lives two miles north of Holstein on the Second Concession of Egremont, was the victim of an unfortunate accident which will in all probability confine him to his home for a few days.

Mr. Brown was on his way eastward on the Dromore Road, and at the foot of Adams' Hill, opposite the farm of Johnstone's, his car took to the ditch. When it went into the ditch, the car threw Mr. Brown out, pinning him beneath for an instant and then righted itself again, leaving the driver badly injured. The injuries

were a badly cut and crushed head, and severe bruises in other parts of the body. The unfortunate man was later removed to his home near Holstein, and while his injuries were quite serious and will confine him to his home for a time, no serious results are anticipated.
