

Priceville

(Our Own Correspondent) It's a pleasant sight to drive through our country districts at this time and wonder at the goodness of the Great Being in giving such a wonderful harvest. Truly this portion of our province is blessed, as we very rarely have a serious failure. After the cool weather of a week ago, this warm spell is completing the work of bringing in the harvest in the pink of condition. Mr. and Mrs. Robert Watson and party of Toronto visited with friends here last week for a short while. Miss Ella McKinnon has been with us for the past few days, also Bobs at intervals. Miss Laura returned to Toronto after a short holiday. The Misses Lucan of Toronto, who were holidaying with Mr. D. McDougall of our village, returned home on Saturday last. Miss Janet McDonald returned home on Saturday after a short holiday to the city. Mrs. James McDougall and little family are spending their holidays in Toronto with the older members of the family who reside there. Mr. John McTaggart expects to leave for the West this week for the fall movement of grain. Jack usually works on the C. N. R. as trainman. Mr. G. W. Tryon is having his house wired for electricity. Dundalk wiremen are doing the work. Mr. Donald Tryon and Dr. Mary Tryon left for Detroit on Saturday after a short holiday with their father. Miss Margaret is still home for the holiday term. Mr. Ed. Hogz is back again in our village after a short holiday at Shelburne and other points. Mrs. Elliot, (nee Emma Robertson), a former Priceville girl, is visiting in the neighborhood for a short while. Mr. Roderick McEachern is still under the doctor's care. We hope to hear of his speedy recovery. Mr. Thomas Nichol is able to be out again although unable to do any work of the ordinary class. However, we are glad that he is so far recovered to permit his being out. Mrs. S. G. McCormick is holidaying with friends near Mitchell for a short while. A meeting for organization purposes of the ladies of the United church here was held after the morning service on Sunday last when the usual organizations, Ladies' Aid and Missionary societies were properly gotten under way and placed in the hands of a number of active ladies of the community. Good work can be done by these ladies as in the past. They are a power in any church work. The Lord's Day Alliance representative occupied the pulpit in the Continuing church on Sunday and addressed a good gathering morning and evening. Allan Park (Our Own Correspondent) Miss Eva McMahon, who has been residing at her home at Allan Park since the duties of High school teaching closed for holidays, is now visiting her aunt, Mrs. Brown, at Owen Sound, for a few days, after which she intends spending a short while with her grandfather at Paisley. We understand that Miss McMahon is engaged as principal of a high school at Mount Pleasant near Brantford. A few of the wheat men in the vicinity have threshed and report a good yield. Mr. W. S. Willis, we understand, has about 1,000 bushels of wheat which he considered was a good turnout. Mrs. Archie Park and daughter, Marietta, have left for a few weeks holidays and intend spending a while in Detroit and Cadillac, Mich. Anyone wishing to secure good, religious honey apply to the Anglican church at Allan Park. A swarm of busy bees apparently decided that the old church needed a sweetening up so commenced crawling in between the plaster and brick and have for the past few weeks been hard at work. Miss Eva McMahon has returned from her visit at Paisley and Owen Sound and is now on her way to Toronto. Lindsay and Bobcaygeon to spend a week's vacation. Mrs. Archie Park and daughter, Marietta, have returned from their visit to the United States and report a fine time. Mr. and Mrs. Alex. Herd and family entertained a bunch of friends one evening last week. The evening was spent in dancing, and everyone reports a fine time. Miss Katie Herd left for Toronto on Monday to assume her old position. Firth

Mrs. Campbell was before marriage Miss Violet Reynolds, and a number of her former schoolmates had a school girls' re-union at the home of Mrs. Nicholas Melosh when a very pleasant afternoon was spent, and many interesting stories told of happy bygone school days. Those present from Edge Hill were Miss Maggie McArthur and Mesdames Thomas Glenecross, J. G. Firth and W. J. Ritchie. Mr. Robert Mortley is threshing this week for E. Greenwood, V. Williams and D. Robinson. On Friday evening, a number of interested poultry raisers had the privilege of hearing an instructive address and also seeing a practical demonstration of poultry culling on the farm of Mr. W. G. Firth. White Wyandottes are Mr. Firth's favorites, and his splendid flock has all gone over. A few birds, which in the opinion of the expert should be immediately disposed of, were marked while others which possessed outstanding characteristics were also picked out. The only regrettable feature about the demonstration was the small number who were present to hear it. Glenmont (Our Own Correspondent) Mrs. Alfred Tucker returned home last week after a pleasant two months' holiday in the West. Mrs. Johnstone and Miss Mary Johnstone of Abbey, Sask., visited one day last week with Mr. and Mrs. T. B. Weir. Mr. and Mrs. Tucker spent a few days last week in Toronto, and was accompanied home on Saturday night by his sisters, Misses Susie of Southampton, and Sarah of Toronto. Mrs. Davidson and son of London visited her sister, Mrs. Alex. McLean. Mr. and Mrs. Earl Doidge and Ernie, of Toronto, visited friends here and at Ebenezer. Miss Evelyn McLean visited her friends, Misses Ethel and Hazel Young of Durham. Messrs. John and Wilfred Park and William McDonald left Monday for the West. Traverston. (Our Own Correspondent) 'Tis fun to do a heavy day's harvesting and then have to write a budget after the clock strikes nine. Mr. Joseph Seward was one of No. 5's old school boys and lived at the McClocklin home. He and his better half have been up from Hamilton visiting among the members of the family and having a most pleasant time. Miss E. J. Allan of Chesley spent the greater part of last week in the old neighborhood, returning home on Saturday evening. Miss Clara Nelson, of Puslinch, is spending a fortnight among former schoolmates, especially with Misses Myrtle McClocklin, Mina Edwards and Mrs. W. R. Jack. Clara is a general favorite. Miss Myrtle had a party in her honor on Monday evening, and the young folks spent a very enjoyable time. Mrs. Brown Brown (nee Miss Susie Hall of Toronto, arrived at Mr. George E. Pearl's on Saturday evening. It is thirty-five years since she visited the old neighborhood, and she sees many changes. Mr. Aubrey of Toronto is holidaying among members of the Young family over at Townsend's Lake. Mrs. Thomas Smith, her brother, James, and sister, Rebecca Banks, and Winston Haley motored down to Arthur on Wednesday of last week to visit Mrs. Kenneth Vaughan. Mr. James Patterson of Princeton spent a few days last week with his cousin, Mr. John Robson. Miss Myrtle McClocklin, accompanied by Miss Clara Nelson, spent the latter part of the week with Mrs. William Campbell of Welbeck. Zionites were favored with a very successful garden party on August 12 at Mr. W. J. Greenwood's home. Rev. J. E. Peters proved an excellent chairman over a splendid program consisting of musical selections by Zion Orchestra, Ritchie family and Mr. John Petrunka and Miss Audrey Noble, solos by Misses Violet Falaize, Frederica Staples, Armonel Glenecross, Mrs. R. T. Cook and Mr. John Dunsmoor, duets by the Misses Lennox and Mr. John and Miss Marion Boyd, recitations by Mr. Angus McIntosh, Misses Clara Jack and Esther Petty. The ball games in the early part of the evening proved snappy pastimes. The Edge Hill team won out two runs ahead of Zion, while the Bunesan girls won the prize from the Townsend girls. The league was fortunate in clearing in the neighborhood of \$90.00. The home is an ideal spot, and when illuminated by the white glow of the Delco system, proves an enchanting spot. The eatables were of the best, and there was an abundance of them. The crowd was a big, well behaved one. The gate receipts amounted to \$109.00. What puzzles us is where brides put all those showers of presents in a sardine apartment.

Not Raw The rookie had lately joined a crack cavalry outfit and, after several imitations of the Prince of Wales, had lost some of his exuberance. He was standing on the sunny side of the canteen looking like the spirit of melancholy when the genial chaplain approached. "What's the matter, my boy?" asked the chaplain, Homesick?" "Oh, a little I guess," was the answer. "You see I'm just a raw recruit." "Cheer up, you'll be all right. But you shouldn't say 'raw recruit.' The 'raw' is superfluous." The rookie rubbed his anatomy reflectively and then replied with sad emphasis: "Not when you join the cavalry, it ain't." Advertise in The Chronicle. It Pays.

YOUNG PEOPLE'S CONVENTION

At a meeting in Owen Sound last week, representatives of the former Presbyterian church, and of Owen Sound and Collingwood districts of the Methodist church, met and formed a tentative Presbyterian executive. As a result of this, a Young People's convention will be held in Division Street United church, Owen Sound, on Monday afternoon and evening, September 28. Rev. Mr. Spencer, of Dundalk, former president of the Owen Sound District League, was in the chair, others present being Rev. Mr. McInnis, of Division Street United church, and Rev. T. Laidlaw, of Westside United church, Owen Sound; A. S. Thurston, president of the Collingwood District, accompanied by Miss Velma Brown and Mr. Ted Beckett, of Meaford; and Mr. Pallister, of Dundalk. In the organization of the United Church of Canada, each county has been made a Presbytery, and organization is being effected along county lines. Thus, the nine Young People's Leagues formerly in the Collingwood Methodist District, but located in Grey County, become associated with the Grey work, and separated from that of Simcoe County. The former Presbyterian church had no Presbyterial organization of Young People, though there are some thirty local organizations of that church within the county. The result of the new arrangement will be the formation of a Presbyterial Young People's organization embracing some 50 local organizations in all. The convention will be held on the day following Rally Day in the Sunday Schools, and will be featured by addresses from some outstanding leaders in the United Church of Canada. Plans formulated at the executive meeting last week will mean a successful convention, which will give the Young People's work of the new church a splendid "swing" in its inception. It is interesting to note that the county in which the minister of a church resides in the Presbytery to which the church is attached. Thus in Hanover and Warton at least, the deciding factor is the location within the town of the parsonage or manse. Read the Classified Ads. on Page 7. It will pay you.

RED CROSS FRUIT JARS ARE NOW READY

Durham Citizens May Again Contribute to Upkeep of Local Hospital by Donations of Fruit. The annual donations of fruit for the Durham Red Cross Memorial Hospital are again in order, and we predict that Durham citizens will, as in other years, go "over the top" in contributing to this very worthy cause. It is unnecessary to bring to the attention of the citizens the benefits of a good hospital. Those who have been so unfortunate as to need its kindly ministrations have first-hand knowledge, while the rest of us, more fortunate, should see to it that we do our bit and, with a community spirit, ease the roadway for those whom sickness from time to time lays low on a bed of pain. Fruit jars may be obtained at J. and W. McLachlan's and J. McKechnie's stores. Get yours—as many as you wish to fill—and help the Red Cross Memorial Hospital to function. The V. C. Old Resident (taking new vicar through the village): "And that man you see crossing the road is the local V.C." Vicar: "Indeed! Won't it in the Great War, I suppose?" "Oh, no; he's the Village Curse." When the colored couple were being married and the clergyman read the words, "love, honor and obey," the bridegroom interrupted: "Read dat ag'in, pahson; read dat oncest mo', so's de lady kin ketch de full solemnity of de meannin'. Ise been married befo'."
