**MANY GOOD PAPERS
AT SEPT. MEETING**

Good Attendance at Monthly Meeting
of Women's Institute Last Thurs-
day Afternoon.

The September meeting of the Women's Institute was held at the home of Mrs. James W. Blyth, Varnes, on Thursday afternoon last. Forty-four ladies were present and enjoyed an interesting program. Only one dress came before the judges, and the honor of showing the dress at the Women's Institute exhibit of a house dress at the exhibition went to Miss Eliza Patterson.

The Misses Fursman delighted their hearers with two well rendered instrumental duets. Mrs. Mansfield Leeson's paper on "Opening Our Eyes to the Wonders of Nature" told of some of the wonders all around from north and of God's manifestation of his love. Mrs. Leeson spoke of the education we can gather ourselves by observation and a little help and quoted Shakespeare that we may find "tongues in trees, books in running brooks and sermons in stones." "The man," she said, "who does not see God in Nature is poor of soul."

Mrs. William Vollett read a good paper on "Canning" Jars, when not in use, should be properly cared for and well sterilized if you would expect your fruit to keep well. Mrs. Vollett gave several good recipes for the canning of fruits and vegetables. Mrs. Gordon Geddes and Miss Eliza Patterson contributed a pleasing duet to the program. The question duet proved interesting and helpful. Several good ideas were exchanged on various questions.

The singing of the National Anthem brought the meeting to a close, after which lunch was served by the hostess.

**REV. W. J. BURNETT
INDUCTED AT ST. MARYS**

Former Dromore and Normanby Pastor
Given Exceptional Welcome by
New Parishioners.

Rev. W. J. Burnett, late of Dromore and Normanby, and since last spring pastor of the Presbyterian church in Durham, was inducted as minister of Knox Presbyterian church at St. Marys on Wednesday night of last week at a service attended by a large congregation. Rev. W. J. Walker, of the First Presbyterian church, St. Marys, interim moderator, was in charge of the services and also delivered the address to the minister, while Rev. G. B. Duncan of St. Andrew's, Stratford, preached the sermon, and Rev. H. L. Dennis of Mitchell addressed the congregation.

Following the service, a reception was held in the basement of the church. Rev. A. E. Forney, rector of St. James' Anglican church, St. Marys, welcomed Mr. Burnett on behalf of the Ministerial Association of the town. The members of the congregation were introduced to their new minister. Lunch was served and a social hour enjoyed.

Rev. Mr. Burnett, who for the past five years has been pastor of Amos church, Dromore, and Knox church, Normanby, is well and favorably known in this part of Ontario, having left here only last week, and friends here will be pleased to learn of the wholehearted welcome extended to himself and family in his new charge. He is a graduate of Knox College, of pleasing personality, a successful pulpiteer, and of the St. Marys congregation is to be congratulated on securing him for their pastor.

HELD WEINER ROAST

The Rocky U. F. V. P. O. entertained the members of the Edge Hill U. F. V. P. O. at a weiner roast last Friday evening at the home of Miss Kathleen Firth. The evening was ideal, and all were merry. Over forty were present and the weiners disappeared quickly, after which they swapped stories, sang songs and played games, everyone going home happy.

**JAMES B. HUNT
DIED ON SATURDAY**

Deceased Was in His 81st Year, and
Death Resulted From Fall Which
Fractured His Hip.—Other Holstein
News by Our Own Correspondent.

This week we report the death of another of the early residents of this vicinity in the person of Mr. James B. Hunt, whose death occurred on Saturday evening, September 5, at the age of 80 years and 2 months. On the previous Thursday, he fell while going down the steps at the rear door of his residence, fracturing his hip. On account of his low vitality, the fracture was not reduced, as an anaesthetic could not be used safely. Mr. Hunt had been a resident here for nearly 60 years. He spent a few years in Riverview. The deceased was born in the county of Waterloo. Over fifty years ago, he married Margaret Burrows who predeceased him over 8 years ago. To them were born four sons and four daughters: Arthur, of Loreburn, Sask.; John and Reginald, of Hannah, N.D.; Ernest, of Pittsburgh; Amanda, at home; Emma (Mrs. Markle), of Fort Fraser, B. C.; Ella (Mrs. Schaffer), of Detroit; Edna (Mrs. Doney), of Shelburne. The deceased was Methodist in religion and a Liberal in politics. The funeral took place on Wednesday, a short service being conducted at the home and thence to the United church and to Mount Forest cemetery, the Rev. L. E. West conducting the services. The floral offerings were numerous and beautiful. He rests in peace.

Mr. and Mrs. William Sterling of St. Theresa, Quebec, were the recent guests of Mrs. H. Reid.

Miss Lena Allan of London, after four years' absence, spent a week in the village recently. She says she loves to visit the scenes of her childhood.

**ESTEEMED DURHAM LADY
BURIED ON FRIDAY**

Funeral of Late Mrs. C. L. Grant
Was Largely Attended—Interment
Made in Durham Cemetery.

The funeral of the late Mrs. C. L. Grant, whose death last week was reported in our last issue, was held Friday afternoon from her late residence on Queen street and was very largely attended, a testimony to the esteem and respect in which this lifelong citizen of the town was held.

The services at the house, in charge of Revs. W. H. Smith of Knox United and J. E. Peters of the Queen Street United churches were most impressive, and a great comfort to the members of the family, who deeply mourn the loss of a kind and considerate wife and mother. Rev. Mr. Smith had charge of the service at the graveside.

The pallbearers were Walterton, J. F. Durham, C. L. of Walkerton, and Brock, of Welland, a son-in-law, Mr. A. S. Muir, of Ceylon, and Messrs. O. S. Hunter, W. S. Hunter, S. D. Goff and John Robertson.

Outside of the immediate members of the family, the death is deeply mourned by a wide circle of friends in Durham and vicinity, and especially by the members of the W. M. S. and the Sunday school of Knox church, with whom she has been associated during her whole lifetime.

**ENJOYED VISIT
HERE YESTERDAY**

Mr. and Mrs. Joe H. Lauder and
Party Spent Day Pleasantly Among
Old Friends, Renewing Many Ac-
quaintances of Days Now Long
Gone By.

We had a pleasant half-hour's visit from Mr. and Mrs. Joe H. Lauder of Davenport, Iowa, and his two sisters, Mrs. Robert Webster of Painesville, Ohio, and Mrs. Mary Fraser of Toronto. The party were accompanied by Mrs. Mark Wilson of Flesherton. While here, Mr. Lauder and party paid a visit to No. 5 school, Glenelg, where, 50 years ago, he received the elements of his education, and, if he was anything like the rest of us, no doubt also received several good "hidings" from the irate dominie whose good nature had been sorely tried by the pranks of the youth then attending school.

Mr. Lauder became reminiscent for a few moments, referring to the great changes which have taken place in the last half century. When he went to No. 5, there was a daily attendance of nearly 100 pupils; now the attendance on the average is only about 10.

Some months ago, we noted the retirement of this old Durham boy, who for the past 25 years has been a valued member of the staff of the Fleischmann Yeast Company at Davenport, Iowa. During the past summer, Mr. Lauder has been touring extensively and intends, before returning to Iowa, to visit Florida and other southern states. It will be gratifying to Mr. Lauder's old friends here to know that he was held in so high esteem personally by Julius Fleischmann, the noted yeast king, who in his will provided a life pension for many of his old employees, among whom was this old Durham boy. Referring to this, the Davenport, Iowa, Times, says:

Through the foresight of Julius Fleischmann, well known "Yeast King," who died suddenly Thursday afternoon in Florida, his old-time and trusted employees have been well provided for. One of these is Joseph H. Lauder, manager of the Davenport branch of the Fleischmann company.

Mr. Lauder will retire from active management of the Fleischmann company on March 1, after 37 years of continuous service. But he will not retire without reward, for he has been provided with a pension which will keep himself and family in comfort for the rest of his life. The company has also presented him with an automobile, in order that he may all the more enjoy the comforts of life. In the near future, Mr. Lauder and family will start on an overland trip to California in this auto. They will maintain their permanent residence in Davenport.

Acted in Time

It was Mr. Fleischmann's desire to soon retire as the head of the big company which bears his name, but before retiring, he wanted to see that his old time employees were taken care of. With this idea in view, many of these employees, including Mr. Lauder, were placed on a most liberal pension system. But for this timely action on Mr. Fleischmann's part, it is doubtful if anything would have been done for these employees upon his death, and they would have gone unrewarded for years of faithful service.

Started 37 Years Ago

Mr. Lauder started with the Fleischmann company in the summer of 1888 as salesman at Omaha, Neb., under the late Elmer Bryson, who by the way was a former Davenport, his father being Postmaster Lon Bryson. The horse and two-wheeled cart was in use in those days, while now the auto delivery has taken its place. Mr. Lauder has seen this business grow from a very small beginning to one of the largest concerns doing business in the United States, Canada and Mexico.

Mr. Lauder came to Davenport, December 1, 1901, and has been manager of their branch here for 24 years. Being a stockholder in the company, Mr. Lauder will continue to hold his stock and will always have the company's best interest at heart.

New Manager Here

Mr. Lauder will be succeeded as manager here by James O'Hara who has been with him for the past eight years in the capacity of a solicitor. For faithful and efficient service, Mr. O'Hara is now promoted to the position of manager.

HELD OUTING AT GLENROADIN

McKechnie, Jr., and Miss Mary McKechnie were host and hostess to a party of young people at Glenroadin Tuesday evening when about fifty gathered on the banks of the Rocky Saugeen for an evening of pleasure. SUFFERED BROKEN ARM

While walking in his garden Monday afternoon, Mr. E. H. Willis was so unfortunate as to slip and in falling, sustained a fracture of his left forearm.

**NOT MUCH BUSINESS
DONE TUESDAY NIGHT**

Town Council Met in Session, Dis-
charged Routine Business and Ad-
journd at Early Hour.

The September session of the Town Council was a quiet one, and beyond routine business, not much else was done. At the Council Board were Mayor Murdoch, Reeve Calder and Councillors Bell, MacDonald and Noble.

Councillor Bell reported on the petition presented the Council some time ago re the placing of a light on Lambton street at the eastern terminus of the sidewalk. He recommended that this be done, as the street here was in darkness, and the light would be a real convenience. After considerable talk, the Council decided to leave the matter from the A. W. Connor Company, Toronto, for \$25 for plans for a new town hall was also laid over until next meeting.

The report of the Finance Committee recommended the payment of accounts amounting to \$369.84.

Reeve Calder referred to the recent action of the town in pressing the town's claim for taxes against the Voker Bodies Limited, but as the case had been tried before Judge Sutherland that afternoon, who sent it up to the next Division Court for settlement, nothing could be done.

Councillor Bell brought up the matter of the rent of the Town Hall to the Presbyterian church at a lower figure than the by-law called for and advocated that the full amount called for by the by-law be collected. After considerable discussion, the following resolution was passed on motion of Bell—Macdonald: "That Treasurer be instructed to enforce the by-law regarding the renting of the Town Hall." In speaking to the motion, Reeve Calder objected to the raising of the rental, while Councillor Bell as vigorously defended his action, stating that there were a number of the congregation referred to who were not in sympathy with the reduced rate. The resolution carried.

After hearing the Treasurer's report and transacting other routine business, the Council adjourned.

**WALKERTON TEAM WON
FROM LOCALS TUESDAY**

Defeated Juveniles Here by 6 to 5
Score.—Return Game Tonight at
Walkerton.

In a juvenile district O. A. L. A. game of lacrosse here on Tuesday evening, the Walkerton team went home with the long end of a 6-5 score defeating the local ten in a game that was anything but good lacrosse. The locals, handicapped by the loss of their goaler, Cyril Becker, who lost his hand in a factory accident a month ago, and Martin Lauder, ill in the hospital from a recent operation, went to pieces entirely, and though on top at one stage of the game, the Walkerton team slipped in two counters in the latter stage of the game when the shades of night were falling and won out.

There are no excuses to offer, however, and it is generally conceded that the better team won on Tuesday, though the game was anything but a good exhibition of the national sport. The return match is being played in Walkerton tonight.

MRS. MCKINNON RESIDENCE SOLD

Mrs. Arrowsmith has purchased the residence of the late Mrs. Allan McKinnon in Upper Town and, we understand, gets immediate possession. The deal was closed last Friday.

**PASSED AWAY MONDAY
AFTER LONG ILLNESS**

Mr. Neil J. McQuarrie, Ill For Past
Two Years From Pernicious Anemia,
Had Lived in Western Canada
for Last Thirty Years.

After an illness of two years from pernicious anemia, Mr. Neil John McQuarrie passed away Monday at the home of his brother, Mr. Duncan McQuarrie at Lot 28, Concession 3, Bentinck, the farm on which he was born fifty years ago.

Mr. McQuarrie was a son of the late Mr. and Mrs. Donald McQuarrie, who passed away nearly twenty years ago, and while a native of Bentinck Township, had for the past thirty years, resided in different parts of the Canadian West, where he was engaged in railroading, mining, lumbering and farming. For a time he lived at Port Arthur.

Two years ago, he contracted anemia and for a time was a patient in the hospital at Fort William, subsequently going to a similar institution at Chicago. During his illness, he underwent four blood transfusions which, while they were apparently beneficial for a time, were unsuccessful in saving his life.

Last April, Mr. McQuarrie came from Standish, Mich., where he had been visiting his brother, Hugh, and visited with his brother and sisters in Durham and vicinity. Though at times he brightened up considerably and was apparently recovering, the disease had gained too much of a hold on his system, and he passed away last Monday.

Interment is being made in the Rocky Saugeen cemetery this Thursday afternoon at 2 o'clock, the services, in the absence of Rev. Mr. Smith, being taken by Rev. J. E. Peters of the Queen Street United church.

Besides his brother, Duncan, at whose home he died, he leaves two brothers, Hugh, at Standish, Mich., and Angus, at Elcho, Wisconsin; also six sisters: Mrs. William Ferguson, Chicago; Mrs. Adams, East Troy, Wisconsin; Mrs. William Poucher, Edmonton, Alberta; Mrs. Lachie McLean and Mrs. Neil Livingstone, in Glenelg, and Mrs. James Ledingham, in Durham.

We extend sympathy to the family in their bereavement.

**C. N. E. MAKING
NEW RECORDS**

World's Greatest Annual Show, With
Good Weather Conditions, May
Have New Attendance Record
When Fair Closes Saturday.

The Canadian National Exhibition at Toronto this year is enjoying the largest patronage in its history, the increase over last year to date being in excess of 33,000.

That the big show is not losing in popularity is shown in the increased daily attendance from all Canada and from nearly every state in the American Union.

Speaking to The Chronicle yesterday, Mr. Joe H. Lauder, of Davenport, Iowa, who has attended nearly every big fair in the United States, says that while he has been at bigger ones, he never saw a better one, especially in the class of live stock exhibition.

**GLENELG FARMERS
LOST BARN BY FIRE**

Supposed That Fire Started From
Lightning, As Electric Storm Had
Passed Over a Short Time Before.
—Other News of Traverston Dis-
trict As Told by Our Own Cor-
respondent.

A serious loss befell Messrs. Graham and Herb Timmins over Thursday night of last week, when between 9:30 and 10 o'clock the latter discovered their fine barn to be on fire. The flames seemed to break out in the mow, where the new grain had been stored; but what caused the fire is a mystery. The night was dark and small showers, illumined occasionally with flashes of lightning, had passed over. Most likely a bolt had struck. Little could be saved, as the flames spread rapidly, and the season's hay, about half the crop and all the contents were soon in ashes. The building was one of the best in the township, and the insurance will not cover half of the loss.

'Tis September, blue and beautiful,
hence the wedding bells are ringing.

Mrs. Kinsella of Toronto is up helping to nurse her mother, who is much improved in health.

Mrs. James Hastie was down to the Canadian National Exhibition and brought her little daughter, Elvie, home with her.

The sweet clover crop is nearly all cut and promises to yield well. The threshing machines are out for the season. Mr. Oren Peart and his hearties are working on the 10th concession, and O'Neil brothers have been in Scotchton for the past few days. Grain is turning out well and weighs over standard.

Mr. and Mrs. H. McArthur visited Mr. and Mrs. D. McArthur, near town, the first of the week.

Mr. and Mrs. William Cook and Mr. and Miss Fisher of Elmwood were guests of Mr. and Mrs. W. J. Cook on Sunday and were present at Zion's service in the afternoon. Being gifted singers, they helped to brighten the songs rendered.

Mrs. L. E. Edwards, of Sault Ste. Marie, Ontario, arrived at the Edwards home on Saturday for a few days visit, coming down by S.S. Manitoba to the county capital. Mrs. Edwards is on her way to the parental home in Toronto for a visit.

Mrs. N. McKechnie and Miss Carrie Mitchell of town were out to old Zion on Sunday.

Miss Myrtle McClockin is spending a few days with her sister, Mrs. William Campbell, at Welbeck.

Mr. A. E. Cook of Detroit, and his bride (nee Miss Jean McArthur) of Detroit, spent part of last week at his home on the sixth, and in company with his two bright boys, Murray and Howard, and his father, took a run over to Owen Sound, Markdale, Flesherton and other places during the latter part of the week. They left early Monday morning for their home. Mr. W. J. Cook accompanying them back for a week's well-earned holiday. Ernie is a contractor and home builder and has proved wonderfully successful, largely due to his business acumen, his love of work and his speedy completion of any contract he undertakes.

Mr. Asa Robson left on Friday of last week for Dauphin, Manitoba, after spending the summer with his nephew, Mr. J. H. Robson.

The downpour on Sunday will prove a great boon to root crops and the newly-sown fall wheat.

With the announcement of the Federal elections in sight, there'll be a good deal more of pep in business and an unflinching source for speculation—in results.

**EGREMONT TOWNSHIP COUNCIL
MEETS NEXT TUESDAY**

Meets at Dromore at 10 O'Clock on
Morning of September 15.

Some time ago, it was decided to hold the September meeting of the Egremont Township Council at Dromore, and the date was set for next Monday, the 14th inst.

Owing to circumstances over which the Council had no control, it was found impossible to retain the date, and as a consequence, the date of meeting has been changed to Tuesday next, the 15th inst., of which all persons interested are required to take notice.
