HYMENEAL

BILL—HOPKINS

The home of Mr. and Mrs. William Hopkins, 307 Saskatchewan Crescent, Saskatoon, Sask., was the scene of one of the prettiest of early autumn weddings on Monday afternoon, September 14, 1925, when their only daughter, Rhoda Hortense, became the bride of Mr. Allen Haley Bill, of Winnipeg, only son of Mr. Edward M. Bill, K.C., and Mrs. Bill, of Seaman, Sask.

The ceremony was read at three o'clock by Dr. Wylie C. Clark in the presence of a large number of friends of the bride and groom. The lovely bride, who was given in marriage by her father, wore a wedding gown of ivory satin canton, with a cascade of Spanish lace falling from shoulder to hem and caught at the waist with a cluster of orange blossoms.

Mrs. Chester Lamborn was a winsome matron of honor in a petal frock of periwinkle blue georgette over shell pink. Her hat was a close model of silver, a great cluster of blue flowers with long blue scarf finishing the side.

The wedding marches were played by Miss Jean Underhill, who also played softly throughout the ceremony. Miss Underhill was wearing a becoming gown of white net with lovely Spanish shawl and black picture hat.

Following the ceremony, a buffet luncheon was served. An exquisite Parisian cloth covered the tea table which was centred with the bride's cake.

Bentnick, son of Mr. and Mrs. Robert Twamley, Rev. J. E. Peters, B.A., celebrating the ceremony. The fair bride, who is one of Zion's most popular maidens and one of its organists, looked winsome in sandalwood costume with hat and shoes to match.

REAL FALL GALES DURING EQUINOX

Weather, Both Hot and Cold, Has Been the Portion of This Part of Ontario During Past Ten Days

Sunday last was a real Fall day, and today, Monday, though warming up a bit, is still quite cool. Saturday last was quite chilly, with considerable wind blowing, but Sunday morning broke dull, but warm and up to evening, the weather was ideal, with real Fall wind the greater part of the day.

Whether or not this is the result of the sun's crossing the line, which it does on or about the 21st of this month, we are not prepared to say, but the weather certainly acted as though there was something unusual taking place.

Thursday night of last week saw one of the worst electrical storms of the season pass over this part. Though north of Durham, the thunder and lightning were quite loud and bright, and while no damage is reported from the immediate vicinity, eight miles out, on the farm of Mr. William Jack, four cattle were killed by lightning.

A WHITE SPARROW

A white sparrow has been seen in and near the village the past week or so and is quite an oddity. Mr. David Kirkland reports that it was at his farm together with a flock of sparrows and is pure white. We have heard of white robins and white crows, but the common sparrow of the purity color is something new.—Teeswater News.

SOCIAL AND PERSONAL

Mr. and Mrs. R. C. Walker of Goderich were in town for a couple of hours between trains, en route to Flesherston and Eugenia to visit relatives. We were pleased to have a call from Mr. Walker, who is on the staff of The Goderich Star.

Mr. Hilton Rowe left Saturday morning for Flint, Mich., where he has accepted a position in the stock room of the Buick Motor Car Company. He motored as far as Sarnia with Mr. Flint Hind, who was returning to Detroit following a visit with his mother here.

Mr. John Bellamy of Flesherston is visiting with his granddaughter, Mrs. Mark Wilson, here.

Mrs. E. W. Leeson and three children, of Chicago, who have been visiting for the past month with relatives and friends at Orillia, came to town Sunday and spent the first of the week with Mr. George M. Leeson and family at Varney. Mr. Leeson, who at one time was a valued member of the Citizen's Band here, is on the police force in Chicago, is interested in no less than five bands in the Windy City, and this summer spent some time at Washington, D.C., with one of these musical organizations.

Mrs. Ronald Giles returned last week from visiting with friends at Flesherston and at other points in Artemesia and Osprey Townships. Revs. W. H. Smith of Knox church and J. E. Peters of the Queen street church went to Toronto Tuesday morning to attend a meeting of the Toronto General Conference.

Mrs. James Lyon of Toronto spent over the week-end the guest of her sister, Mrs. William Hargrave, and with her brothers and other friends and relatives in Glenelg and Egremont.

Dr. Pugh of Palmerston was a week-end guest of Mrs. N. Whitmore. Mr. and Mrs. H. Allen and Mr. and Mrs. William MacFarlane were at Vandeuren on Sunday attending the funeral of the late Mr. George Worling, who is a cousin of Mrs. MacFarlane and Mr. Allen.

Mr. Alex. Lucas, formerly of the firm of Lucas & Henry here, was in town yesterday for a few hours renewing old associations. Mr. Lucas, whose home is in Vancouver, purposes returning West shortly.

Mr. and Mrs. Neil Sinclair of Sault Ste. Marie are visiting with friends and relatives here for a few days. Rev. W. J. Burnett, of St. Marys, who was up to Drumore to officiate

at the funeral of the late Walter Ferguson, called on old Durham friends yesterday, returning to St. Marys by the afternoon train.

GAVE EUCHRE PARTY TO YOUNG TOWN FRIENDS

Miss Jean Morlock and Mr. Frank Morlock were hostess and host to about 100 of their friends last Thursday night in the A.Y.P.A. rooms when a progressive euchre party was held. The rooms and tables were tastefully decorated, and following the euchre party, a dainty luncheon was served.

Among the ladies, Miss Vera McIntyre won the most points and won the prize of a handsome cup and saucer, while in the men, Mr. Erben Schultz proved the best player and won the prize of an Eversharh pencil. In the men's prize, keen competition was demanded to decide the winner, no less than five scoring an equal number of points, with the result that a play-off was necessary, which Mr. Schultz won.

The evening was a most enjoyable one, twenty-four tables being necessary to accommodate the crowd.

Some men are so absent-minded that they are constantly forgetting themselves.

QUEEN ST. CHURCH HELD W. M. S. MEETING

Met at Home of Mrs. W. A. McGowan on Thursday of Last Week. No Study Book For October Meeting

The monthly meeting of the W. M. S. of the Queen Street United Church was held at the home of Mrs. W. A. McGowan on Thursday last.

The scripture reading consisted of passages taken from Psalm 100, 25 Thess. 2 verses 16-17, John 4, Ephesians 6 and several others, showing the importance of individual prayer.

It is only through prayer that we become acquainted with the Father. Through prayer, we learn to trust, honor and obey Him. We must not only look into His will but you must look into His will and that you can only do from your knees.

Mrs. McGowan opened up for consideration the subject of the Stewardship of Life. Human personality which includes the will, man is the most precious thing in the world. On nothing has he put so high a value.

Fire Chief J. H. Watson of New Westminster, B. C., is in town on a visit renewing old acquaintances. Chief Watson is a son of the late Robert Watson of Normanby, near Varney, and left here in 1880.

James Lucas, 70-year-old Mount Forest farmer, was fatally injured by the power house crossing at the N.R. at Listowel Monday morning when the wagon in which he was driving was struck by the motor car passenger train from Sarnia.

A wagon load of hogs which Mr. Lucas was bringing to Listowel escaped unscathed.
