TWENTY YEARS AGO

From The Chronicle File of September 23, 1906.

Mr. Samuel Lawrence rented his farm, implements and stock for five years to Mr. Wesley Arnett. Mr. John Murphy of Markdale, who recently purchased the Mid-daugh House, rented the house to Mr. Joseph Milhausen of Stratford. Mr. Milhausen was here Monday to make arrangements for taking im-mEDIATE possession, but the deal was not made, and the present prop-ri-ETOR, Mr. W. Davis, will have pos-s-ession until December. It was with feelings of real re-gret that we learned the intention of Dr. Macdonald to give up his business in Durham and go West. Two weeks ago he took a prospec-t-ing tour to Manitoba and the North-west. No sooner had he reached Regina and Edmonton than he saw a field open and wrote Mrs. Macdonald to dispose of their household ef-fects and get ready for a long move. The Doctor has made many friends here during his time with us, and many will regret his departure. After a long period of declining health from lung trouble, Mr. R. B. Bott died on Monday last about noon. He was 35 years of age and was born in Staffordshire, England. Mr. and Mrs. Calder are in much trouble at present over the serious illness of their little son, Wilfrid, who is suffering from appendicitis of the worst type. On Monday af-ternoon, Dr. Groves of Egreon came up and operated on the child who, at time of writing, is doing very well, but little can yet be said as to what the result will be. The Baptist concert in the Town Hall on Fair night was well patron-ized, and the program was good. Dr. Brown of Holstein, Mrs. Newton, Miss Margaret Hunter, Miss Craw-ford and Mrs. Lauder of Durham were on the program. Frank Slater Davidson of Detroit was the profes-sional engaged for the evening and was good. The Durham Fair was held on Wednesday and Thursday of last week and was the record breaker of the society if we measure results from the gate receipts which amounted to over \$400. Born.—In Durham, Thursday, Sep-tember 21, to Mr. and Mrs. W. J. McFadden, a son. Died.—In Durham, September 25, Earl Melville, infant son of Mr. and Mrs. Henry Falconer. Edge Hill Correspondence Mr. Owen Hefferan, the well-known cattle buyer of Marden, visited his daughter, Mrs. Thomas Mor-rison, on Saturday. A fine baby girl, number five, came to stay with Mr. and Mrs. MISS MACPHAIL'S MEETINGS Meetings in the interest of Miss Macphail, Progressive candidate, in the coming Federal election, will be held as follows: Saturday, September 26, Priceville. Tuesday, September 29, S.S. No. 15, Normanby. Thursday, October 1, Williamsford. Friday, October 2, Grimston's school, No. 7, Sullivan. Saturday, October 3, Tartan school, No. 12, Egrement. All meetings at 8 p.m., to be ad-dressed by candidate and others. ADMINISTRATRIX'S SALE The Administratrix of the Estate of J. C. There will also be offered for sale at the same time the saw mill and churning mill property of the de-ceased at Traverston. This is a splendid saw mill and water power. The lot contains about fifty-eight acres, and there is also on it a good frame house, and frame barn. The following is the real estate: 1st. Lot Number 9, Concession 9, Township of Glenelg, 56 acres, on which is situated a saw mill, chop-ping mill, frame house and barn, and water power. 2nd. TERMS OF SALE—The real estate will be put up subject to the usual conditions of sale, and a reserve bid fixed by the Administratrix, 20 per cent of the purchase price of the land to be paid down on the date of sale and signing of agreement of purchase, balance in 15 days. Hints for the Household

For September By BETTY WEBSTER. Readers, Note: If you have any questions concerning Recipes, and other Household Hints you would like to ask Betty Web-ster—address her in care of The Durham Chronicle.

HOUSEHOLD HINTS... Chewing gum fastened to your clothing or furniture can be easily removed without much trouble. Even on a "hairy" surface—there will be no trace left of the gum—if you wipe the spot with the white of an egg. Try it some time should you be in this predicament. It works splendidly. Open Vegetable Sandwiches Here are a few suggestions for some pretty and tasty vegetable sandwiches—ideal for serving at September parties. Fresh Mushroom Sandwiches Fresh mushrooms (chopped fine). Salt. Flour (little). Butter. Method: Fry all together until brown. Cool and spread on bread. Do not spread butter on bread, as this is a very rich sandwich filling in itself. Asparagus Tip Sandwich With Mayonnaise String beans chopped with chili sauce makes a good sandwich. Brown bread, buttered. Spread with minced sardines moistened with lemon juice. Decorate with pickle and piment. Makes a very delightful sandwich. Baking Hints... Baked Peaches These are different, easy to pre- pare and delicious. Method: Wash desired number of peaches. Put in baking pan with skins on. Cover bottom of pan with water. Sprinkle sugar liberally over top. Bake 1 hour. Serve with plain cream.

WOMEN'S INSTITUTE MEETING... THE MONTHLY MEETING OF THE Women's Institute will be held at the home of Mrs. Hugh Firth on Thursday, October 1. Good papers will be given by Mrs. M. Knechtel on "The Stranger Within Our Gates" and by Mrs. M. Ritchie on "Hallow- een Legends, Customs and Supersti- tions." An interesting feature of the program will be a contest in button-holing, the prize being a pair of scissors. Music will be furnished by Miss Katie McFayden. Roll call answered by "My Pet Proverb." All ladies cordially invited to attend. 1 Procrastinating Man It is curious that during the half- million or more years that man has inhabited the earth, he has learned to cultivate only about 300 species of plants out of more than 100,000 that are known to exist. Never trust a man who won't trust others.
