EDGE HILL FAIR AMONG BEST YET

School Fair Held at Ritchie's School Monday Afternoon Drew Big Entry List and Large Gathering Witnessed Sports and Other Events.

That the School Fair is here to stay is evidenced by the increasing interest taken in these popular affairs by both the school children of the various townships and their parents. The Township School Fair held at Ritchie's Edge Hill school on Monday afternoon of this week was no exception, and during the whole afternoon, the children. their parents and friends, had the time of their lives.

Speaking to The Chronicle on the grounds, T. S. Cooper, the Agricultural Representative for the county expressed himself as more than delighted with the results obtained and stated that it was his opinion that the Edge Hill Fair was the best

and in quantity surpassed any of the smaller school fairs yet held in FORMER RESIDENT this section of the province. In roots, grain, baking, home manufactured work and similar exhibits, some work was on display that might capture more than passing notice from a judge at a regular county or township fair.

While the work of awarding the progress, numerous sports and drills Mich., of Walter Farrell, a former gaged entirely in outdoor occupawere run off outside which held the resident of Egremont, employed for tions. big crowd's interest until the last a time with Mr. John Stephenson, Mr. Firth was twice married, first event had been called.
