LOCAL CAMPAIGN OPEN
(Continued from page 3)
product. He cited that of the United States of that country in 1924 had slightly over 50 million to ship wheat into the Canadian farmer duty of 42 cents a bushel with 12 cents for wheat coming into Canada a dozen as compared with 50 cents; ton against \$2.00, and a pound against 4 cents could not make the United States market him, and he was allowed no protection in his country. The Australian treat produce from that country almost free while American high tariff.
The speaker dwelt of direct and indirect a help to the Canadian direct protection, the given protection in his against the competitive countries, while in fact, he was benefited Canadian manufacturer who in turn builds up plays more help, and ner creates a home Canadian agriculturist.
The speaker said that U. F. O. clubs had been in the Conservative operative association of the agriculturist had been exploited and their intended path at the world war. Even had declared that the not in politics, and with Mr. Henry heartily and heartily in sympathy clubs as business preys they should never have sties, thus turning one all the others.
Tariff Is the
Mr. Henry referred phail's nomination spe she said that she would the tariff to be the East Grey. The speaker that Miss Macphail had do with it; it was the party which had been election, and that the had been and always a issue. Banking reform Macphail said was the tant issue, had nothing the present campaign speaker, who said he a lot to do with banking paid tribute to the so Canadian banks. Miss said, might use her wards reforming some of banking officials in and in this she would hearty support, but in failures in the past, it be attributed to the vague. Every bank fail caused by crooked directing to her reform Senate, the speaker said been a political football he could remember, an camouflage to draw the the electors from the The Senate, despite a qualities attributed to some good in the count last year, had saved some millions of dollar unnecessary expending the King Government power in 1921, with sives, they had a maj in the House, and as were pledged to abolish they could have done was no use to advocate the opportunity had pe election campaign, w speaker closed his plea for unity, no the masses and class
Dr. L. G. Camp
Dr. Campbell, the ca the second speaker of Dr. Campbell was suffe had cold, and did not take as usual, but ed of ground in the minute posal. He thanked the their attendance and p address with a referen fence between the di tical parties in Canada servatives and Liberals associated with the polit the country ever since ed had grown up with the d knew of its needs and de Progressive party, on hand, had no extended ing been born out of the following the war and th of the people against the parties. He referred to government in Ontario that he did not think it s exponent or admirer co it with pride as a gover had functioned for the province. The influence in the past four years a union of minority grou was not calculated to b best interests of the Following the war, the tive party had appe country on the platform and had been defeated. ion Government the Libe equally responsible for a that should have been in administration, but whi tion came on, the big m deserted their former co the Conservatives went d feat. One thing in Uni ment, however, the spea and this was the fact during the election or cir semblance of graft, cor
