Mr. George Fulton is beautifying his grounds by erecting a wire fence on the north side.

Mr. Ivan Seim of Mount Forest occupied the pulpit morning and evening in the Presbyterian church last Sabbath.

The Holstein Dramatic Club gave their play, "His Brother's Keeper," in Aytton last Saturday evening to a crowded house and under the auspices of the Women's Institute of that village.

Arthur Hasie, C. N. R. relieving agent, was home for a day this week, but has been transferred to Winnipeg and will be West during the winter.

The trustees of the United church met Tuesday evening and decided to build a closed in sheds. This will provide a good protection for horses during the cold winter months.

Mr. Allan Robertson of Toronto spent a few days recently with friends here.

Mr. Abe Tuck is down in Vineland at present, gathering in the fruits of that land.

Little Miss Vera Leith was taken to Durham Hospital last week where she underwent an operation for appendicitis. She is improving nicely.

Northeast Normanby (Our Own Correspondent)

had charge of the service in Knox church last Sunday. Rev. Mr. Cameron of Prince Edward Island, occupied the pulpit the two previous Sundays.

It is rumored that Mrs. William Grant of Mount Forest, formerly of Varney, underwent an operation on Monday in Mount Forest Hospital. Mrs. Grant's many friends hope for a speedy recovery.

That is about the place that business divides between Durham and Holstein.

A. NOBLE, Prop.

hegth. The potato crop seemed to be a pretty good one in this part this year, but people are now speaking of finding some affected with rot, especially in low ground.

Mr. James Tucker has treated himself to a new Chevrolet coupe and has just about got it under control. It should add much comfort to his life.

The continued wet weather has made the gathering of late harvest a slow job with considerable loss. Sweet clover especially in many instances will scarcely be threshed. Silo filling is now the order of the day, or at least the dry ones.

Our school is again taking interest in the school fair, and quite a number of prizes came into the section. It would seem this year as if the school fairs are having about the same influence in building up the Agricultural Societies as Sunday schools have in building up a church.

The Township Ploughing Match this fall should be a good one. Liberal contributions have been handed in from various sources to help the prizes, and everybody believes it very beneficial to agriculture.

There was a meeting held on Saturday night in No. 12 school in the interest of Miss Macphail. The house was a little more than half-filled. The speakers were the candidate herself, Mr. Harold McKechnie of the Rocky Club and a Mr. Oliver of an eastern club. We were not present but imagine they would all speak very nicely on whatever subject was allotted to them.

The Progressives have got almost a free hand in this campaign to say the things they think will please their audience most and promise what they think they will most desire without any fear of being called upon to form a government and make good their promises.

Mr. Farr Lawrence is the latest to purchase a Chevrolet car. Those who haven't a car now are about as scarce as the fellows who had them ten years ago.

The marriage took place on Wednesday, October 8, 1925.
