Hints for the Household

For October

By BETTY WEBSTER

Readers, Note: If you have any questions concerning Recipes, and other Household Hints you would like to ask Betty Web- ster—address her in care of The Durham Chronicle.

HOUSEHOLD HINTS

To Clean Flower Vases

I have been asked several times as to what is the best method of cleaning flower vases. My recom- mendation is to put potato parings into the vase. Fill with water enough to cover stains. Let stand at least, overnight. Wipe out with cloth in morning. For tall vases—wrap cloth pad on stick and use same to clean them with.

To Freshen Velvet

Brush well and remove dust. Have iron hot. Place damp cloth on hot iron. Draw wrong side of velvet over this. When velvet ceases to steam, remove immediately to prevent scorching.

New Use for Flannel

Use flannel for separating eggs. Place funnel over glass tumbler. The white runs down into glass, and the yellow remains in top of funnel and is easily tipped out.

COOKING HINTS

Good Chocolate Frosting

2 squares of bitter chocolate.

1/2 cup of sugar. 4 tablespoons of cream. 4 tablespoons of cream. 1 egg yolk.

Method: Melt chocolate in top of double boiler. Add sugar and cream. Stir well until glossy. Beat egg yolk thoroughly and add to mixture. Cook all together 1 minute. Take from stove and beat until it is cool enough to spread. This is a very creamy frosting.

Grape Juice

10 pounds of ripe concord grapes. 1 cup of water. 3 pounds of sugar. Method: Add water to grapes and heat until stones and pulp separate. Strain. Then add sugar and heat to boiling point. Be sure sugar is well dissolved. Seal while hot. This re- cipe makes 1 gallon.

BAKING HINTS

Successful Meringue

Method: Beat egg whites stiff. Add 1 heaping tablespoon sugar to each egg white. Add 1 teaspoon vanilla. Beat in well. Put mer- ingue on pie or puddings. Place dish on top rack of oven. Leave door open. Every few seconds turn

baking dish around. Do this until meringue is brown. Remove from oven. Place where no cool air can blow on it for at least 5 minutes. After that time, you need have no fear that meringue will fall.

Patty Cake

1/2 cup of butter. 1 cup of sugar. 1/2 cup of milk. 2/3 teaspoon of soda. 3/4 cup pastry flour. 1 1/2 teaspoon of cream of tartar. Salt. Whites of 4 eggs. Vanilla.

Method: Cream butter and sugar. Add soda to milk. Then add milk. Mix cream of tartar with flour. Then add flour. Next salt, and last, egg whites beaten stiff. Then flavoring. Pour into greased 2 layer pans. Make a boiled icing. Save half of icing. Add to 1/2 of icing chopped raisins, chopped English walnuts and chopped almonds. Place this mix- ture between layer and on top. Fla- vor plain icing with lemon juice and spread on top and sides of cake. Trim top with whole raisins and nut meats.
