

Priceville

(Our Own Correspondent) We are again dodging rain storms. It was hoped that the rain was nearly over for a few days, but we may have dry weather yet.

Miss K. McTaggart and friend from Toronto also Miss Leone McDonald spent a couple of days at their respective homes here last week.

Miss Laura McFarlane, of Owen Sound, and former teacher of our school staff, visited with friends over the week-end.

Mrs. Nimo of Owen Sound visited with her brothers, Archie and Dave, last week.

Dr. L. G. Campbell, Liberal-Conservative candidate for this riding in the coming Federal election held his campaign meetings for this locality last Tuesday in the Hall here and was assisted by Mr. Henry, also of Markdale.

Mr. Roy McLean and his mother motored to Toronto on Sunday and spent the day with Miss Olive who is employed there.

Mr. Martin McLeod paid a short visit to his father here last week. Our annual Fall Fair was, unfortunately, not allowed to go its full time on account of a heavy rain which started about four o'clock and for the rest of the afternoon and evening, gave us a real soaking.

The result was that the crowd that ordinarily stayed out for the full program and concert left for home and remained there. The concert was considered good judging by the popular comment, and the hall exhibition, although smaller than last year, was very good. The stock exhibit was excellent, above the average, we believe.

Dundalk Fair being on the same day took a certain amount of our exhibits away from us. It seems unfortunate that the first Friday of October, which is always taken as a guide to our fair days, cannot be left alone but must be taken by fairs that stand in the way of such proceedings. Each fair needs all the attendance that can be secured, so we hope that this will be the last conflicting date for some years to come.

Our Executive have always claimed the first Friday as their day, and it should easily be remembered by our neighbors.

Mrs. E. Dobson and family returned to Toronto after spending the summer in our locality. Rev. W. E. Curran of Sprucedale former Methodist pastor, was in attendance as President of our Fall Fair Executive which speaks well for his enthusiasm in connection with our organization. Mrs. Curran and family also attended, and were warmly welcomed by their many friends locally.

McWilliams (Our Own Correspondent) The chilly days and frosty nights are now upon us, and corn cutting and silo filling are in full swing.

George Ritchie the first of the week. The Rally Day service was held in Edge Hill Sunday school on Sunday last, No. 9 Sunday school being present and taking part in the service. Mr. Thomas Allan of Durham gave an excellent address on loyalty. Dan Ritchie and Mary Anderson each gave appropriate recitations. Ruby and Aleda Staples sang very sweetly, and Mrs. W. G. Firth rendered a solo, "His Eye Is on the Sparrow," exceptionally well.

Swinton Park (Our Own Correspondent) Threshing here is the order of the day, but a few more barns, and it will be all cleaned up for another year. The Swamp College outfit is at Mr. William McCormick's and Oliver Millner with his gas outfit is on the 14th concession and travelling east.

A large crowd attended Dundalk Fall Fair and report a wonderful show and concert. Priceville Fair being on the same day, did not draw as good a crowd from here as is usual.

Mr. and Mrs. Greenaway of Guelph visited her sister, Mrs. Michael Kenny, last week. Mr. William Kenny entertained the young ladies R. C. League of Dornoch one evening recently.

Allan Park (Our Own Correspondent) Mrs. McMahon has been a sort of cripple these last few days as the result of a fall from the top of a ladder while picking apples. It seems she was standing on the top step when a leg of the ladder broke, and she fell backwards on the ground. She thought she was on a trip to Mars for a few minutes, but soon gained consciousness. Although no bones were broken, Mrs. McMahon received a bad shaking up.

Miss Florence Kennedy was the guest of Miss Verna Kerr over the week-end. Mr. William Kerr is at present preparing to build a new garage. We are glad to report Mr. Henry Brugham able to be out again after an attack of summer flu.

Messrs. D. Robertson and sons have been remodeling their stables. They have removed the old wooden stalls, and in their place, installed concrete stalls and mangers with a concrete water trough in front of every stall. The floor is concrete throughout. The passages are conveniently located, and Mr. Robinson has now one of the most up-to-date stables in this part.

Mr. and Mrs. Hugh Vaughan and son spent a day with friends at Riversdale this week. Mr. and Mrs. John McKechnie motored to Meaford and spent the day with the McInnis and McDonald families. They also attended the school fair which was being held that day.

We enjoyed the prayer meeting which was held at S.S. No. 3 Thursday evening. The Misses White, who have been holidaying with their cousin, Mrs. Herb Trafford, for the past month, are returning to their home in Hamilton this week. Miss E. Trafford is accompanying them home.

About half-past four on Tuesday morning, an alarm was turned in to the local fire department, the cause being a fire in progress in the residence of Mr. Robert Ewen, Queen Street, which was successfully combated and while the fire engine was at the scene, it was not taken out.

So far as Mr. Ewen's fire must have started from a heated stove in the front room, the fire being blamed, Mr. Ewen in the house with his family, had been sitting for the boy to come back from Field Day sports at 3:30 and some stove and lay down on an adjoining room. He had fallen asleep, as it was by the smell of smoke a awful lot of damage was done to the building.
