SUPPLIED PROGRAM AT DROMORE SUPPER

Messrs. W. Benson, E. D. McCloekin and G. R. Padfield, Principal Entertainers at Popular Annual Function of Amos Church.

Though the weather was anything but inviting, the attendance at the fowl supper of Amos church, Dromore, Monday night, was good, and while not so large as it would have been had the night been pleasant, the main body of the church was well filled when the time came for the disposal of the program. With a light snow falling all day, accompanied by a raw wind, the evening was anything but inviting, and it is a tribute to those in attendance that they turned out in such numbers.

The fowl supper followed the anniversary services on Sunday. These too, we are told, were well attended, showing that the congregation are alive to the interests of their church and that it takes more than disagreeable weather to keep them from being in attendance. At the services, Rev. Mr. Collins of Toronto was the special preacher and delivered forceful sermons.

The fowl supper Monday evening was one of the best this congregation have ever put up, and this is saying a good deal. From 6 o'clock on till about 8.30, the ladies of the church were kept busy catering to the gathering and, with liberal helpings of roast goose, with its accompaniment of vegetables, pastry and dessert, the audience was in a most receptive mood to listen to the excellent program. Owing to the inclemency of the weather, the majority of those expected to take part were unable to be present, but we are told that Durham's star trio, Messrs. Benson, McCloekin and Padfield with Mrs. Padfield as accompanist, were equal to the occasion and put on one of the best programs ever listened to in that neighborhood. Besides the entertainers, good addresses were given by Mr. Walter Hastie and the chairman, Rev. W. Johnston of Holstein, who is also moderator of the Presbytery.

DEER IN DISTRICT BECOMING PLENTIFUL

Cause Considerable Damage to Cropped Fields in Some Instances, Though Little Complaint Is Heard.

The tale in a local paper of this district last week about a deer having been seen on some one's farm in Sullivan Township brings to mind the fact that in the particular section around Durham, the sighting of half a dozen is not considered a novelty any more, sometimes as many as eight to ten being reported among the cattle of some of the farmers of the neighborhood. Last Saturday night, we mentioned the matter to Mr. H. W. Hunt, ex-Reeve of Bentinck, who said that all fall there have been three of these elusive creatures on his farm three miles west of Durham and that they have been making themselves fully at home in a field sowed to fall wheat. The trio consist of a buck, a doe and a fawn, and Mr. Hunt says that one day recently when his son, Bert, was going over the farm with the dog, the dog took after the deer and chased them off the place. In leaving, however, the buck manoeuvred around until he got the dog to follow him, thus giving the doe and fawn a good chance to escape. Going across the farm, the buck easily cleared all the fences, and in running on the level, he was clearing 36 feet with every jump over the ground. This distance has been verified by measurement. These particular deer have pretty well cropped off a field of eight acres of fall wheat, and being protected, Mr. Hunt can do nothing to keep them away. The question now arises whether or not the Provincial Government should not be responsible for a nuisance that they protect and which in this instance has done quite a lot of damage for which the government is responsible.

KNOX CHURCH SUPPER WELL PATRONIZED

Record Crowd Turned Out Last Thursday Night, When Good Supper and Excellent Program Were Chief Features of Evening's Entertainment.

Despite a downpour of rain last Thursday night, Knox United church was crowded to capacity for their fowl supper and entertainment, and the big crowd that gathered was not disappointed. Commencing at 6 o'clock and continuing up till nearly 8.30, an army of cooks and waitresses were kept on the move to serve the throngs that gathered in the basement for the first part of the enjoyment, a magnificent roast fowl supper prepared by the ladies of the congregation. Following the supper, the crowd repaired to the auditorium of the church to listen to an interesting program, just a little different from those usually put on at this kind of gathering. The chairman for the evening was the Hon. Dr. Jamieson who, after a few remarks, called upon the audience to rise and sing the doxology.

While there was quite a good musical program, the features of the evening were addressed by the four resident clergymen, Revs. Taylor, Peters, Smith and Whealen, on Ireland, England, Scotland and Canada. At the close of each address, in which the speaker dwelt at length on the good qualities of the nationality he represented, and at the same time attempted to forget or ignore the qualities not so good, appropriate songs were sung by vocal artists on the program.

Following Rev. Mr. Taylor's address on Ireland, Mr. William Benson sang Mother Machree; the address of Rev. Mr. Peters brought forth a recitation by Dr. A. M. Bell, "There's Something in the English After All," after which the audience joined in singing Rule Britannia. The Male Quartette also contributed a number.

The address on Scotland by Rev. Mr. Smith was followed by a verse of "Scots Wha Hae," and Mrs. Porter sang "Call Me Havin'." Rev. Mr. Whealen of the Anglican church came last and addressed the audience on Canada. This was followed by the singing of "The Maple Leaf," a recitation by Mr. Peter Ramago and a solo by Mrs. Middlebro'.

Besides being unique, the program of addresses was instructive, and while nothing new was brought out that could not be found in our histories, the retelling of the old tales of school days as learned in the "days of long ago" brushed up the memories of the older members of the gathering and no doubt started them thinking along lines that had for years possibly been farthest from their minds.

The Knox church fowl supper was a success financially and socially, so much so that it is more than likely that it will be made an annual affair.

ROCKY U. F. W. O. HELD ANNUAL MEETING

Met at Home of Mrs. George Noble Last Week When Officers for Current Year Were Elected.

On Friday afternoon last, the Rocky Saugene U. F. W. O. met at the home of Mrs. George Noble for the annual meeting. Though the day was disagreeable, quite a few ladies attended.

After the opening exercises, the business of the meeting was dealt with. Mrs. Robert Lawson gave a brief sketch of the year's work. The new officers elected for the coming year were: President, Mrs. Neil McLean; Vice-President, Mrs. James Ewen; Secretary-Treasurer, Mrs. D. Lamb; Organizer, Mrs. Murray Ritchie; Flower Committee, Mesdames Young and Lauder; Directors, Mesdames J. W. McKechnie, Fred. Cuff, L. McLean and Malcolm McKechnie; Auditors, Mrs. D. Clark and Miss Ada Banks; Delegate, Mrs. Thomas Turnbull. A hearty vote of thanks was tendered the retiring President and Secretary, Mesdames Thomas Turnbull and Robert Lawson, who have held office for two years.

Mrs. J. W. McKechnie gave a good paper on "Education and Citizenship." She spoke of the value of an education and of how much we can appreciate the literature and art within our reach, and of how much more we can get out of our travels if we have been educated to understand these. She said no one could live by themselves, and we must try to contribute our share to good citizenship.

At the close of the meeting, Mrs. Noble served lunch. The next meeting, which is a work gathering, will be held at the home of Mrs. Robert Lawson on December 4.

Mr. Boyce is holding a sale on the 23rd of this month and while giving up farming, will with Mrs. Boyce, reside on the farm on which he has spent the greater part of his life.

MRS. D. HAMILTON DIED SUNDAY

Taken Down Three Weeks Ago With Paralytic Stroke, Passed Away About Midnight Sunday.—Was Respected Resident of This Vicinity for Many Years.

DR. ST. HAMER

German Ambassador to London who was one of the guests at the Lord Mayor's Banquet and with whom Austen Chamberlain, Foreign Minister, drank a loving cup in honor of the Locarno Pact.

We regret this week to report the death of Mrs. David Hamilton of Glenelg, which occurred Sunday evening about 11 o'clock at the home of her daughter, Mrs. Murray Ritchie, two miles north of here on the Provincial Highway. Four weeks ago Mrs. Hamilton, who had not been feeling well for some time past, left her home in Glenelg, about a mile east of the corporation, to visit with her daughter, Mrs. Ritchie. She had been there only a few days when she was seized with paralysis, and from the first, little hope was held out for her recovery. She, however, apparently regained strength for a time, but on Friday last sank into a stupor and on Sunday morning, suffered another stroke from which she passed away that same evening.

Mrs. Hamilton, who was in her sixtieth year, was born in Aberdeen, shire, Scotland, and came to Canada when a child of six years of age. The family settled near Ferguson, where she was married in 1886 to Mr. David Hamilton. The young couple moved to their old home-stand on the 22nd of Egremont, where they resided until 1920, when they purchased the William Smith farm east of here, and where they have resided ever since.

Besides her husband, Mrs. Hamilton leaves two daughters, Mrs. Murray Ritchie (Maud), at whose home she died, Mrs. Farr Lawrence (Mary), of Egremont, and one son, John C., at home. A daughter, Maggie, died fourteen years ago. She leaves three brothers, George at Brookdale, Man., who arrived here Monday evening too late to see her alive, James in Winnipeg and John at Elkhart, Ont. Two sisters, Mary, and Mrs. William French of Elora, predeceased her some years ago.

Mrs. Hamilton was a woman held in the highest regard, and her death at a comparatively early age is to be regretted. She was a member of Knox United church, and the funeral services, conducted by her pastor, Rev. W. H. Smith, assisted by Rev. Mr. Kendall of Elk Lake, an old friend of the family, will take place from her late home in Glenelg today at 2 o'clock. Interment will be made in Maplewood cemetery.

We sympathize with Mr. Hamilton and family in their bereavement.

KNOX, NORMANBY, HAD GOOD SCHOOL CONCERT

Annual Sunday School Entertainment Held Last Wednesday Night, When Good Program Was Rendered.

The annual Sunday school entertainment of Knox church, despite unfavorable weather, was very well attended last Wednesday night and, though some of the talent expected did not show up, quite a lengthy and meritorious program was given by the school children and others.

The chairman for the evening was the Rev. W. Johnston of Holstein, who, in opening the program, gave a good address. The program consisted of numerous dialogues by members of the school, as well as a number of solos and recitations. Misses Mabel Sharp, Irene Petty, Claire Morice, Susie Marshall and Glen. Patterson and Jack Smallman gave good recitations, while Messrs. Jack Smallman and Wilbert Petty sang a duet. A solo by Mr. Leonard McComb of Durham was also appreciated, and a violin selection by Messrs. Norman and Allan Spiers of Brussels was exceptionally fine.

The receipts at the door were nearly \$35, and at the close of the program, a vote of thanks was tendered to all taking part. The serving of lunch and the singing of the National Anthem brought the meeting to a close.

BECK MEMORIAL DRIVE STARTS SOON

Local Hydro Commission to Canvass Town for Beck Memorial Fund in Aid of Queen Alexandra Sanatorium in London.

In accordance with the expressed wish of the late Sir Adam Beck, Durham Hydro Commission will on November 20 commence on a campaign in town for the securing of funds from the citizens here for the creation of an endowment fund for the support of the Queen Alexandra Sanatorium in London, a sanatorium devoted to the treatment of tuberculosis among the residents of Ontario and the country at large.

The sanatorium was the pet hobby of Sir Adam and Lady Beck during their lifetime and to which they contributed many thousands of dollars, and of which Sir Adam was the founder and president. That it is a worthy institution and worthy cause goes without saying, as it has been commended by experts as "one of the finest, most ideally situated and best equipped on the American continent."

For years past, its founder and supporter never forgot this child of his creation, and on his deathbed and shortly before he passed on, he expressed himself: "To the people of Ontario I entrust these poor sufferers from tuberculosis, who, in their affliction, turn with anxious hearts to Queen Alexandra Sanatorium. God forbid that their poverty shall ever bar the door. My course is ending. Carry on!"

On Tuesday, an enthusiastic meeting was held in Toronto, attended by representatives from almost every hydro municipality in Ontario, when final arrangements were made for the conducting of a drive for funds all over the province and, in common with sister municipalities, the Durham Hydro Commission have entered into the scheme. As in other campaigns of this nature in the past, the Commission have hopes that the citizens here will rise to the occasion and on the 28th inst., the town will stand well up amongst the municipalities of its size.

The objective for all Ontario has been fixed at \$500,000, and it is stated that if every hydro user donates one dollar each, this objective will be reached. Such prominent men as George Wright, Toronto Hydro and Transportation Commissioner, are behind the scheme, and the result over the province will be watched with interest.

SCHEDULES ARRANGED FOR DEBATING CLUBS

Enthusiastic Meeting Held at Flesherton Last Saturday When Final Arrangements Were Made.

Representatives from each community in South Grey met in Flesherton Community Hall on Saturday, November 14, to arrange a schedule for this winter for debating, public speaking and dramatics for young people's societies.

The riding was separated into four divisions with four debating leagues in each. They include: Durham, with Rocky Saugene, Edge Hill, Ebenezer and Neustadt. Holstein, with Holstein, Dromore, Conn and Drury's Corners. Flesherton, with Flesherton, Eugenia, Pricerville and Onward. Osprey, with Maxwell, Inistioque, Maple Grove and Badjeros.

A county executive was formed to organize clubs at new centres. The first series of debates will be the second week in December. The finals are to be debated at the Youths' Rally in Markdale next summer. The finals in the dramatic contest will be held in Markdale on May 5.

"I believe in evolution to this extent." "What?" "That it was a jaw-bone and not a spare-rib that woman came from."

THAT NEW MEDICINE SURE IS A WONDER!

PURCHASED CHURCH BUILDING TUESDAY

Presbyterian Congregation at Pricerville to Renovate McKinnon Property for Church and Manse.

A real estate deal of considerable interest to the Presbyterian congregation at Pricerville was put through on Tuesday of this week when the purchase of the McKinnon property in that village was decided upon for use as a meeting house and manse. The deal we are told, was put through in a very few minutes when it was decided to do so, and the work of renovation will, we understand, be commenced at once.

The McKinnon property, long used as a post office by the late Mr. Neil McKinnon when he was postmaster at Pricerville, is, we are told, admirably suited for the purpose for which it is intended, being large enough for both a church property and manse combined.

POACHERS VISITED GOVT. SANCTUARY

Several Arrests Will Be Made Following Illegal Entrance on Property at Wilder's Lake With Hunting Paraphernalia.

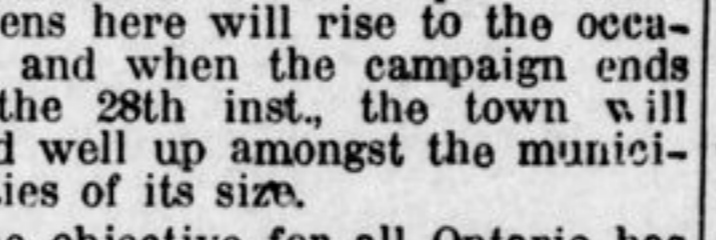

Quite a ripple of excitement passed over the district last week when it became known that some hunters from Kitchener had been caught hunting on the Government sanctuary at Wilder's Lake and that prosecutions would follow, the complainant in the case being Game Warden Ely, backed up by the Game and Fisheries Department of the Province.

The offense is said to have been committed on Thanksgiving afternoon when six or seven of the sports from the factory town were seen by a resident of the vicinity and, though warned by him that the carrying of firearms on the property was illegal, refused to leave. Game Warden Ely of Owen Sound was at once notified, came to town and, while he failed to secure the names of all the culprits, got enough information to make it interesting for at least some of the party.

Locally, residents are quite worked up over the affair and, if guilty, have expressed the opinion that the maximum fine should be administered for such brazen infractions of the game laws. It is more than likely that the case will be tried in Durham within the next few days, when Warden Ely returns from Kitchener with the necessary information for the prosecution. We are informed that the names of two of the trespassers have been secured and that these will be required to either give the names of the others or pay their fine.

REV. B. D. ARMSTRONG INDUCTED TUESDAY

Induction Ceremony Remarkable For Its Enthusiasm and Bright Outlook, Took Place in Baptist Church Tuesday Afternoon.—Over Four Hundred Sat Down to Banquet at Six O'Clock.

A large and enthusiastic congregation gathered at the Baptist church on Tuesday afternoon when the Rev. B. D. Armstrong, B.A., B.D., was inducted as the pastor of the Presbyterian church.

The service was in charge of the Rev. Dr. McGillivray of Guelph who was introduced to the audience by the Rev. Mr. Trainor of Arthur, Moderator of the Saugeen Presbytery. The service opened with the singing of a hymn followed by a scripture reading from the 35th chapter of Isaiah. Prayer was offered by the Rev. Mr. McKay, of Walkerton, after which the Rev. Dr. McGillivray preached an excellent sermon on the 5th and 6th verses of the 137th psalm, "If I forget thee, O Jerusalem, let my right hand forget her cunning, if I do not remember thee, let my tongue cleave to the roof of my mouth, if I prefer not Jerusalem above my chief joy." The preacher said this psalm was a man from captivity. Distance was depressing. The captives were far away from Jerusalem, but near in sympathy and attitude. They were in Babylon, but not of it. They were captives, still they were the masters of their souls, their thoughts and feelings and could not be made to sing their psalms to the accompaniment of the harp. Sings your songs, their captors would say. "Let us hear one of your songs," but the captives replied, "You do not understand us. We consider it a sacrilege to sing one of our songs in your midst. You ask us to play upon the harp for your amusement, but let our right hand forget its cunning if we forget our Jerusalem."

They were conscious of a high destiny. They were oppressed by the thought of distance, but there was something that enabled them to annihilate the 900 miles between Babylon and Jerusalem. These captives were in Babylon, but they realized in a deeper sense the life of Jerusalem and Zion.

Distance is a very superficial thing. We may be near Jerusalem outwardly but far from it in spirit, and far from it outwardly yet near in spirit and attitude. The captives

FORMER DURHAMITE LEADS WALKERTON BAND

Mr. Herb. Kelsey and Family Moving From Meaford to Bruce County Town.

According to last week's Walkerton papers, Mr. Herb. Kelsey, a former resident of this town and a brother of Mr. Fred. Kelsey of this place, has secured the leadership of the Walkerton band and with his three sons, who are all bandmen, will move to Walkerton immediately to take up his duties.

Mr. Kelsey succeeds J. T. Park of Dundalk, who, rumor said, had secured the leadership at a salary of \$1,200 a year, but for some reason resigned.
