Hints for the Household

For January

By BETTY WEBSTER

Readers, Note: If you have any questions concerning Recipes,
and other Household Hints you would like to ask Betty Web-
ster—address her in care of The Durham Chronicle.

COOKING HINTS

Sausage
A pretty platter laden with ap-
ples fried in butter and a dash of
sugar surrounded with golden brown
sausages is an appetizing luncheon
dish to serve to intimate friends,
and it is also a nice family dinner.

To Fry Sausage
Sausages sometimes break while
cooking. I find by first rolling them
in flour and then frying them that
they seldom break and fry a pret-
tier brown.

Batter Proportions
Today nearly every recipe calls
for level measurements. However,
there are some old time recipes we
all like to use, and it is well to have
in mind right some recipes to
understand some recipes.

A thin batter equals one measure
of flour to one measure of liquid.
A muffin batter equals two mea-
sures of flour to one measure of
liquid.
A soft dough equals three mea-
sures of flour to one measure of
liquid. (Can knead).
Pastry or cookie dough equals
four measures of flour to one mea-
sure of liquid.

Ham and Cabbage
A ham butt.
Cabbage.
Method: Cook the ham butt for

at least 2 hours. About 3/4 of an
hour before serving, add cabbage
which has been cleaned and quar-
tered. Boil together until cabbage
is done. Skin ham. Place on plat-
ter. Put cabbage around ham. By
adding boiled potatoes, a good com-
plete meal is made.

Candied Grapefruit
1 quart of grapefruit peel.
3/4 pound of sugar.
Method: Cut grapefruit rinds in
pieces and soak in slightly salt wa-
ter for a day and a half. Drain
off water and put cold water on.
Boil rapidly for 10 minutes. Change
water and boil in this manner 4
times. Drain off all water and leave
rinds perfectly dry. Add most of
sugar and stir. Cook slowly over
slow fire. Stir well. When it be-
gins to crystallize, stir rapidly. Em-
pty in oiled paper and sprinkle well
with sugar.

BAKING HINTS
Pineapple Cake
1/3 cup of butter.
2 egg yolks.
2 cups of flour.
2/3 cups of sugar.
1/2 cup of pineapple juice.
2 teaspoons of baking powder.
2 egg whites.
Method: Cream butter and sugar.
Add beaten egg yolks, flour, baking
powder and pineapple juice. Last

THE NECESSARY PRINTING
With the beginning of the New
Year's activities, many of the busi-
ness men will be replenishing their
supplies of printed stationery. At
the same time, agents of city print-
ing concerns will be scouring the
country soliciting orders. It's a
free country, and a man can buy
where he likes, but may we remind
our business friends that it is much
the better policy to buy from the
local printer and encourage local
enterprise? Prices and quality will

of all, fold in beaten egg whites.
Bake in layer tins.

Make a Filling
2/3 cups of milk.
1 egg.
1 cup of grated pineapple.
2 tablespoons of cornstarch.
3 tablespoons of sugar.
1 tablespoon of lemon juice.
Little salt.
Method: Scald milk. Pour over
cornstarch and sugar. Cook 10 min-
utes. Then add pineapple, egg and
salt. Cook until it thickens. Ice
with an icing as follows:
Use 1 teaspoon of lemon juice,
pineapple juice.
4 times as much sugar as pineap-
ple juice.

Cranberry Pie
1 cup of sugar.
1/2 cup of cold water.
2 cups of cranberries.
1 tablespoon of flour.
1 tablespoon of butter.
1/2 teaspoon of vanilla.
2 eggs.
Method: Boil sugar and water
together. When sugar is dissolved,
add cranberries. Cook until they
all "pop." Cool. Mix yolks of eggs,
flour and three tablespoons cooked
cranberries. Add to cooled berries.
Simmer a few minutes until mix-
ture thickens. Add butter and van-
illa. Pour into baked pie shell.
Cover with meringue and bake.

petitor, as those who have taken the
trouble to enquire have ascertained.
