

Edge Hill

(Our Own Correspondent) Mrs. D. Robinson was visiting in Galt last week. Miss Jean Renwick of Dromore visited over the week-end with Misses Marjorie and Dorothy Ritchie. Mr. Alex. McDonald of Saskatchewan visited the McDonald family. Mr. Robert Ector is spending a couple of weeks in Buffalo. Mr. Murray Henderson of Egremont is engaged with Mr. W. G. Firth. Mr. Earl McNally of Bethune, Sask., who is spending the winter in Ontario, visited his uncle, Mr. James McNally and other relatives here last week. The township auditors, Messrs. John McEir and Henry Beaton, are at work this week on the Treasurer's books and the many vouchers pertaining thereto. Our school library has been increased by the addition of twenty new books. Miss McKechnie has made a good selection. Miss Alma Robinson is unable to attend High school this week, as she is suffering from an attack of quinsy. The regular meeting of the Literary Society was held in the school on Wednesday evening last. An interesting program was presented. The debate, "Resolved that cars have done more harm than good," proved very interesting. Messrs. Herb, Edge and Arthur Robinson had the affirmative and were awarded the decision over Miss Ethel Anderson and Mr. Melville Anderson who upheld the negative side of the argument. The judges were Mrs. Ernest Greenwood, Miss McKechnie and Mr. Cecil Moffat. This Wednesday evening Miss McKechnie and Mr. H. H. McDonald will represent Edge Hill in a debate at Ebenezer.

Willowdale

(Our Own Correspondent) Miss Lillian Park of Ebenezer spent over the week-end with her mother who is at the home of Mr. and Mrs. William Torry. We are glad to report Mrs. Park is feeling somewhat better. Mr. and Mrs. Clark Torry entertained a large number of old friends and neighbors last Friday evening. All reported a good time. Could anyone tell us whom the two cutlers belonged to that passed through our burg last Tuesday evening with the occupants feeling so jolly? With the snowing and blowing, the sideroad was almost impassable for some of the young men to get through last Sunday. Mr. Rupert Johnston visited Sunday at the home of Mr. Sam. Vickers. Mr. and Mrs. Thomas Bailey from Manitoba are visiting this week with Mr. and Mrs. George Alexander and family. Mr. and Mrs. G. H. Torry are spending a few days with Mrs. Torry's parents, Mr. and Mrs. Richard Boyce of Crawford. Miss Pearl Alexander has been suffering from a bad scald on the right foot. At the time of writing, it is improving nicely. Mr. John Alexander and Mr. Eric Wise spent a Sunday recently at the home of Mr. Thomas Reay of Aberdeen.

Glenroadin

(Our Own Correspondent) Wood-bees have been the order of the day. A. Casswell cut a big pile of wood for Messrs. J. McKechnie and C. Shafer. Alex. Vaughan cut for James Vaughan, while G. Boyd cut a pile for himself. Miss Audrey Noble and Mrs. Fry visited with Mr. and Mrs. Sheldroth recently. Quite a stir round Glenroadin again. The mill is being repaired and made ready for sawing which is expected to commence next week. Mr. and Mrs. Bert Marsales have been visiting her parents, Mr. and Mrs. Herb. Trafford, but have returned to their home in Acton.

Ebenezer

(Our Own Correspondent) Mr. and Mrs. Thomas Henderson and family from Herschel, Sask., are visiting in these parts now. Mr. and Mrs. George Reay of this place spent Sunday of last week with Mr. and Mrs. Grat. Wise of North line. Ebenezer held their regular A. Y. P. A. meeting Tuesday night of last week and decided to keep two new gas lanterns which were purchased the week before. A box social will be held in Ebenezer school, Bentinck, on February 23. Admission 25 and 15 cents, ladies bringing boxes free. A good program is being prepared. Misses Reta Bailey and Pearl Wilson spent Monday evening with Mr. and Mrs. George Reay practising for a debate to be held on Wednesday night in Ebenezer school. Glad to hear that Mrs. A. Park is somewhat improved. With the careful nursing of her mother, we hope to soon see her around again. Sorry to hear Miss Annie Turnbull is under the weather at present but hope she will soon be her usual self again. Mr. James Henderson left last week-end for his home in Lumsden.

Mr. McMullen was confined to his bed for several days last week. Miss Ella Miller is visiting her sister, Mrs. Keller. We extend our sympathy to Mr. and Mrs. George Keller in their recent bereavement of the death of their infant daughter. Mrs. Adair spent Tuesday afternoon with Mrs. Smith. Rocky Saugeen

(Our Own Correspondent) Mr. and Mrs. Alex. McDonald of Lamias spent a day last week with Mr. David Watson and daughter, Helen. The young people of this line attended the hockey matches in town last week. The roads were pretty well filled up last Sunday, but our minister, Mr. Armstrong, got up to the church and preached a good sermon to the ones who were fortunate enough to be there to hear him. The monthly meeting of the W. M. S. will be held at the home of Mrs. Walter Clarke on February 3.

Welbeck.

(Our Own Correspondent) Mr. and Mrs. C. R. Fry are leaving for a holiday in Chicago this week. Mr. Archie Watson is spending a few days with Miss Helen Watson near Durham. Mr. Percy Ledingham has taken on a job with Mr. Henry Haug to draw logs for Mr. I. Derstine of Elmwood. Mr. Malcolm Campbell is spending a few days with friends near Elmwood. Mr. John Walsh delivered a fine load of porkers to Durham on Saturday. Mr. Fred Haug had a very successful straw cutting bee on Friday. Mr. J. Derstine has completed the hauling of logs from Mr. Heagy's bush. Oh, oh, those roads! They have been so badly blocked up down south that our mail has not been around for days.

Traverston.

(Our Own Correspondent) Saturday and Sunday's blow-up made heavy going. Rev. Mr. Peters was wise on not making for Zion, as very few braved the storm. Messrs. Owen Peart and William Gray went down to Toronto last week, and we are not sure whether it was to look for work or "Tak unto themselves a wee bit of a spree." That they are hustlers to work is one sure thing. They say that publishing school reports has a tendency to make pupils study better and promotes a spirit of good natured rivalry. We believe it would be a good act to do the same with the fellows who supply a generous load of wood free to country churches. We have over half a dozen to put on Zion's list, but are waiting for some more. Our mail courier, Mr. Kliest, has so far this winter made his rounds very regularly despite ugly weather and roads bad enough in places. Horses will be in good demand this spring, as there is a scarcity, and the demand is increasing. Mr. Albert Kliest has rented Mr. William McKechnie's farm near Markdale and will be moving from our midst in a month or more. Quite a number are hauling logs from this vicinity to the Durham Furniture Company, and there is a warm feeling in their hearts for one concern that keeps agoing and helps to bring in many a badly-needed dollar. Glad to report Mr. Irving Anderson much improved in health and Mrs. Anderson, too, as recovering from her recent illness. Most of the members of the family have been home to care for them. Mr. Malcolm Beaton is visiting at his sister's, Mrs. John O. Greenwood's, this week. 'Tis reported that Mr. James Morrison, Sr., has sold his half of the farm to James, Jr., and intends to retire to Owen Sound in the spring. Mr. and Mrs. Morrison have been splendid citizens, progressive on the farm, hospitable in the home and generous in their support to church and in social life.

Swinton Park.

(Our Own Correspondent) A good January thaw at the beginning of the week and a January storm at the week-end made this week rather disagreeable for those who have leaning to do. As the winter is getting well advanced, there will be a busy time soon. Mr. and Mrs. Neil McLeod, who have been ill for the past week, are now making a change for the better. Nurse Russell of Hopeville is in attendance. Mr. Thomas Hargraave, who has been visiting his sister at Caledon, is this week visiting his many friends here. Mr. William Knox of Owen Sound who spent last week visiting his many friends here, returned on Saturday to his home. Mr. Ed. Dingwall and Miss Alma Watson join hand and heart on Wednesday, the 24th inst. Congratulations! A reception is being held at the bride's parents, Mr. and Mrs. R. Watson, in the evening. A good number from here attended Mr. Joe Campbell's funeral, which was held on Thursday last to the Mormon cemetery on the 14th of Proton. Mr. Campbell was well known here being one of the well-known Campbells and an uncle of the member for South-East Grey, Miss Agnes Macphail. Elder J. McLean and Elder Peterson had charge of the funeral services. Undertaker Watson of Priceville was funeral director.

Mulock.

(Our Own Correspondent) The Ladies' Aid meeting was held at the home of Mrs. Spence Hopkins Thursday of last week when Miss Mary McCallum was presented with a set of French ivory and the following address before leaving for St. Catharines: Dear Mary: We, the members of the Ladies' Aid, wish to express to you at this time our deep appreciation of the interest you have taken in our society, always willing and ready to make the Aid a success. As the old saying is "A friend in need is a friend indeed," it has always proved true with you. We feel, therefore, that we cannot let you leave us without showing you in some measure our love and esteem and ask you to accept this gift as a token of appreciation of your many years of kind labors among us. We trust that God will bless you and prosper you whenever your lot may be cast. Should storms and trials come, forget not to cast your care upon Him Who has assured you His support. Signed on behalf of the Ladies' Aid, "Mrs. H. Crickington, President, Mrs. William Fulton, Secretary." Mrs. James Brunt attended the funeral of her sister, Mrs. Morrison, in Mount Forest, on Sunday, January 17th. Mr. and Mrs. Clark Torry gave a party to the young people of the community Friday night of last week. The latest phone installed on this line was at the home of Mr. Reg. Sharp, making a total of 27. Mr. and Mrs. Thomas Bailey of Palmer, Sask., are visiting with Mr. and Mrs. Clark Torry. Mrs. Sam. Vickers and daughter, Ruth, are visiting his sister, Mrs. Andrew Gordon of Stratford. Northeast Normanby

(Our Own Correspondent) Mr. Albert Marshall and Mrs. Thomas McNiece and Mrs. Ed. Fee have been on the sick list this last week but at time of writing are improving. Mrs. William Long of Varney had the misfortune to have her collar bone broken recently by being upset out of their cutter. Mr. Elmer Fee lost one of his fine working horses recently. (Our Own Correspondent) Mr. Joseph Preet of Toronto spent over Sunday with his family here. Miss Elva Boyd of Cona was the guest of Miss Irene West over the week-end. Next Sabbath is communion service in the United church. The preparatory service will be held on Thursday evening. Mrs. John Orchard went to Toronto Saturday last. She accompanied Mrs. A. Main who continued her trip to Calgary to visit her son, William, who is seriously ill. Miss Mabel Edwards, of Hanover High school staff and formerly principal of the Continuation school here, spent Saturday in the village and called on several old acquaintances. Mrs. W. T. Petric entertained the Dramatic Club and a few others last Friday evening, and a most enjoyable time was spent. Dr. McLellan was in the village for a short time recently. He came from Mount Forest on account of the illness of his father. As William Nelson was cutting wood on his farm one day last week, he felled a tree that contained a hive of bees. The tree being hollow, nine feet of it was filled with honey and bees. The bees were much disturbed but re-entered the cell and remained there. Mr. Vincent Reeve of Churchill spent the week-end at the Manse. A couple of loads from the United church went to the home of Mr. and Mrs. Robert Sim. Mr. and Mrs. Brooks and family were also invited to be present. In due time, Mr. and Mrs. Brooks and boys were called to the front, and an appropriate address was read by Mrs. Thorne, and a beautiful clock, silver spoons and two sets of cuff links were presented, as they are about to leave for the farm recently purchased near Listowel. Mr. Brooks who is engaged in the handle factory, will remain for a month or so before going to join the family. Mrs. Alex. Aitken, Jr., is home again from the Toronto General Hospital. She is recovering nicely from her recent operation. The annual meeting of the Egremont Creamery Company was held in the Hall here on Tuesday afternoon last. There was a large representation of patrons, both shareholders and non-shareholders. The president, Mr. J. McArthur, occupied the chair. The auditors' financial statement and stock reports were read and adopted. During the season of 1925, butter to the value of \$43,249.55 was sold, of which \$36,785.72 was paid to patrons. The manufacturing cost \$1,300.74, and the hauling cost \$1,855.75. There is a balance on hand of \$906.21. The services of Mr. John H. Scott of the Department of Agriculture were secured, and he spoke on the cream grading system now to be put into effect. The former board of directors were re-appointed with Mr. John McArthur as president and Mr. Walter Hastie secretary-treasurer. Mr.

W. A. Abbs has been re-engaged as buttermaker for 1926. The Community Circle met on Monday evening with 35 present. The topic was taken by James Adams and Roy McLean. The recreation hour was in charge of Miss M. Arnill. At the annual meeting of the Presbyterian church, Mr. D. Allan presided. Why Not Have One And have the drudgery removed from wash day, as 3,500,000 other Canadian and American women are doing? Electric Washing Machines are no longer in the luxury class, but are a necessity. The convenience that removes the hardest job from the week's work can hardly be called a luxury. The White Cap Washer continues to be the most popular machine with Canadian housewives, there being more White Cap Washers sold each week than the combined sales of any three electric washers of other makes. Why? Because they Wash Faster, Last Longer, and Are Easier to Operate. The genuine C. G. E. full 1/4 horse power motor provides an abundance of power. With each Electric Washer, we offer free—One handy Tub Bench, 1 year guaranteed Electric Iron, one Ironing Board and one Clothes Rack. This offer is for a short time only. FREE TRIAL—We place this machine in your home on approval. If not entirely satisfied after two weeks, out it comes. SEE IT ON OUR FLOOR A. S.
