HARDIEST AND BEST FRUITS

While hardiness in fruits is important in all parts of Canada, it is not much thought about where the climate is mildest, says W. T. Macoun, Domiion Horticulturist. There is a very large part of Canada, however, where hardiness is the chief consideration, and the varieties to be grown must be carefully selected if they are to withstand the very severe winters.

Investigations conducted by the Dominion Experimental Farms show that among apples, the best and most reliable to plant, except on the prairies or other places where it is 221 tf coldest, are Yellow Transparent. Melba. Duchess of Oldenburgh Wealthy and McIntosh. For the prairies, those most likely to succeed are Hibernal, Blushed Calville,

Readers, Note: If you have any questions concerning Recipes, and other Household Hints you would like to ask Betty Webster-address her in care of The Durham Chronicle.

HOUSEHOLD HINTS Tea Wagons

Save your steps. What's in a name? A tea wagon is, of course, usefor for the service it is made for.

- 1. Use cart to carry things to and from kitchen in preparing a
- 2. When washing windows on inside, place necessities on tea cart and wheel from window to window.
- 3. Use it for a mending table. Stack clothes on tea wagon that need mending after the weekly washing has been assorted. Wheel in room or on to porch or to any convenient spot in which to mend.
- to hold supplies.

Beta is the most noted.
