etter Tells of Wonderful Relief After Taking Lydia E. Pinkham's Vegetable Compound

Coniston, Ontario.-"After a seere operation and a three weeks' stay in a hospital I returned home so weak that I was chair. For four months I was almost frantic with pains and suffering until I thought

sure there could not be any cure for me. I hadvery severe pains in my left side and sufred agony every month. One day other begged me to try your medine. My husband got me a bottle Vegetable Compound at once and took it. I started a second bottle, nd to my surprise and joy the pains my side left me completely and I m able to do all my work without elp. I am a farmer's wife, so you ee I can't be idle long.
