PLAN NOW FOR THAT PACIFIC
COAST AND ALASKA TRIP
YOU INTEND TO TAKE
NEXT SUMMER

Next summer forget the cares of
business or profession and take a
trip to Western Canada, the Pacific
Coast or Alaska. There's satisfaction
in this kind of a vacation—a swift
journey through never-before-seen
country, restful stops at splendid
resort-hotels, and when you reach
the Canadian Rockies, gorgeous vis-
tas of lake, forest and towering
mountain peaks.
There is never an idle moment if
you travel the Canadian National
route on radio equipped trains.
Crossing the vast prairie country,
the grandeur of the empire is always
interesting. Then there is Jasper
National Park and Jasper Park Lodge
of continent-wide fame. There are
mountains on all sides, sky piercing
giants, snow-capped, massive, many
of which have never been scaled.
From Jasper National Park is a
never-ending succession of moun-
tain valleys, turbulent rivers and dashing
waterfalls, until you reach the
Coast at Vancouver or Prince Rup-
ert.
To make the most of your trip,
the voyage through the Sheltered
Scenic Seas of the North Pacific
should be taken from Vancouver to
Prince Rupert or Alaska. On the
voyage, you will see the splendid
sea-going steamers, alluring inlets,
towering headlands and tumbling
icy streams and glaciers. On the

HOUSEHOLD HINTS

Shoes

Shoes are a most important part
of a person's attire. In fact, I have
heard it said many times that "one
can always tell a gentleman by his
shoes." Be that as it may, here are
a few hints as to the care of shoes:

- 1. Keep shoes clean. Always wipe
light colored shoes clean with
a clean cloth after each wear-
ing. Place on trees and put
away carefully covered.
2. To clean tan shoes: Wash tan
shoes with warm water and
castile soap. Let them dry and
then polish in usual way.
3. To remove grease from suede
shoes. This works especial-
ly well with candle grease
spots. Place piece of brown
wrapping paper over greasy
spot. Hold warm iron over the
paper. The spot will be ab-

sorbed in this way.

- 4. To prevent new shoes from
pinching. Lay a cloth moist-
ened in hot water across place
pressure is felt. When cloth
becomes cool, change it. In
this way, the leather shapes
itself to the foot.
5. A help to keep shoes water
proof. Rub bees-wax or nut-
ton suet around boots and
shoes.
6. To preserve kid shoes. Rub
patent leather shoes with a lit-
tle petroleum jelly at night. In
the morning, wipe off shoes and
polish gently.

A Cider Hint

Cider is a good substitute for
brandy and wine in cooking. Cider
is nice to serve for refreshments.
Cider is a healthy drink. It can be

bought in cans and opened when
needed.

Egg Substitute
In the winter months when eggs
are high, try adding a tablespoon of
vinegar with a level teaspoon of
soda dissolved in it to your cake
batter instead of egg.

COOKING HINTS

Log Cabin Sandwiches

Butter slices of dark brown bread.
Place together as sandwiches. Cut
sandwiches in strips. Pile strips on
plate criss-cross in form of logs
and serve with salad.

Chocolate Animals

Buy "animal" crackers. Melt sweet
chocolate in a double boiler. By use
of dipping forks, dip "animal" crack-
ers into chocolate. The children
will love these chocolate "animals."
