# The Ontario Legislature For Week Ending March 6

far has not taken up a great deal would amend the O. T. A.. Stores of time of the Legislature, will end would be established, in such muniwould be established, in such municatives. It is announced that Hon. W. H. Price will bring down the public accounts and make his budget speech on Thursday, March 11, and Premier Ferguson met the wishes of W. E. N. Sinclair, Liberal Leader, by agreeing that the Public Accounts Committee might meet on Friday, the 12th. Both Opposition Friday, the 12th of Friday, the 12th of Friday in the address debate, and one of these, by Hon. J. R. Cooke, may be quoted, and as the government expresses a desire to expedite and assist any statutes. No mention has been made and as the government expresses said: "The O. T. A. is a part of the additional than the control of the said of the said of the said: "The O. T. A. is a part of the statutes. No mention has been made in mind, the Government has deciding the said of the said: "The O. T. A. is a part of the statutes. No mention has been made in mind, the Government has deciding the said: "The O. T. A. is a part of the said: "The O. T form of investigation which members wish to institute, that ought to make it unanimous. Premier to make it unanimous. Premier to make it unanimous. Premier Bethlen of Hungary during his attendance at the Ferguson on Tuesday reminded Mr. Sinclair that there is no absolute Sinclair that there is no absolute in this House from men seeking to the House closing at inflame public cointing. The dovernment has decided to provide heavy police protection for Premier Bethlen of Hungary during his attendance at the Germany on the question of confiscion of the House closing at inflame public cointing.
